The Editor's Desk

Writing Obituaries is my least favorite activity associated with being the Editor of Calls 'N' Cues. Associated with the writing I also find myself attending funerals. My late father used to joke that after he retired from the Air Force, his new job description was funeral goer. At the time the joke seemed a bit lame. It does not seem so any more.

There are two items that would help me in writing obits: 1) Having information on the deceased's connection to the dancing community and 2) having more pictures. Most of the time the obituary information I receive is a name. Occasionally I am also sent link to an online obit. When I have just a name I append "obituary" to that name and do a Google search which frequently finds an online obit I can use. These online obits have two problems from my viewpoint - the picture is usually from their younger days, and all they say is that one of the deceased activities was dancing of some sort.

Most of the time I receive an email that comes down one of the several email lists stating that someone has died. It would be nice if in addition the sender would include what clubs the individual had danced with, and what offices or volunteer activities they had been associated with. Since most of these emails are on email lists, I would appreciate others adding additional information. If you don't want to send it to an entire list, send it to me: editor@wascaclubs.com.

In this issue is the obituary of Steve Branch (of Steve and Wade). It was a delight to receive so many pictures of Steve. There were enough do devote and entire page to pictures. Most pictures I acquire are from younger days, and frequently dancers would not recognize the picture. Steve's pictures were taken during club dances. The include dancing, candid, and portraits. I would like to suggest that clubs take pictures at their dances so that when someone dies copies can be forwarded both to me as editor, and also to the survivors where they could be used in funeral / memorial service slide shows

Unfortunately, as we age, deaths, funerals and obituaries are becoming more and more common. Taking pictures, and passing information on deceased dancing activities will help in preparing obituaries.

Until next issue

(WASCA Presidents 2023-2024)*

Make your reservations for both the Festival and Hotel. The Festival starts March 20 and you can still make a reservation.

WASCA Board and Delegates Meeting Dates for 2025. All meetings will start at 3pm: March 9, Board April, No meeting. May 4, Board May 18, Delegates

The Board of Directors gives a very big THANK YOU to Steve Cunion and Pat Marks as well as all of their committees who have been working for over a year to bring us this 64th Festival. The details involved in orchestrating this Festival are enormous. The WASCA Festival is arguably the best festival on the East coast, if not the whole country. This year Steve and Pat can take credit for what we expect to be a fabulous festival. Our new location looks like it will offer many advantages including easier access by road or airplane as Dulles is only a couple miles distant. There is ample free parking with many restaurants available in the vicinity of the hotel.

We have an outstanding selection of callers and cuers again this year. 6 National callers, Eric Henerlau, Tom Miller, Bill Harrison, Mike Seastrom, Mike Sikorsky and Buddy Weaver. Most of you know Joe Saltel had a very serious accident and he has withdrawn from this year's event. There are 3 national cuers, Rey & Sherry Garza, Randy and Marie Preskitt, and

Curt & Tammy Worlock. They will be providing a wide range of square and round dance opportunities. You should have no problem in finding dancing at your current square or round dance level and there will be workshops available to improve your skills or as an intro to your next level of dancing. The round dance program also includes an intro to rounds as well as many Teach sessions. There will also be line dance sessions led by Donna & Doug Riley.

If you want to try something different try out the line dancing, hex sessions, contra and several other specialty sessions. The Advanced, Challenge and DBD halls will use a computer program that ensures that everyone (including) solos have an equal opportunity to dance. There will be a solo dance party on Thursday evening for mainstream and plus dances.

We will have class level mainstream dancing on Saturday with a special program for any of our new dancers. Come out and support these dancers. We all know how it felt to be a new dancer. They will appreciate your support and further emphasize what a fun activity they are getting involved with. These new dancers are the future of square dancing.

Above all we would like to thank all of you for attending the WASCA spring festival. We know your time and money are important and we are grateful that you chose the WASCA festival to invest both.

How to Improve Your Dancing

When I took on the job of NCASDLA President, I asked several people about topics they thought I should write about. This is the result of one of those suggestions.

Dance! Paraphrasing Webster's dictionary, dance is the rhythmic movement to music. There are a great number of factors that contribute to achieving the rhythmic component. We can recognize the good dancers at our dances. They are where they belong when they need to be there. They move smoothly and their dancing looks effortless. So, what makes them smooth and effortless and in in the right place at the right time? One thing that makes dancers smooth is dancing. They dance frequently. Their body and mind have lots of experience dancing and react appropriately to the calls in almost every choreographic situation the caller dreams up.

Let the music be your guide. There is a beat, so on the down beat, take a step; one gliding step on each downbeat of the music. Walking steps are in the neighborhood of 30 inches. In dancing, most steps are a bit less than 20 inches. These smaller steps allow you to more easily dance to the music. Move smoothly with the music. If you move your feet in time with the music, you should not have to run to catch up. If everyone on the floor is moving to the music, you should not be standing around waiting for the next call. Keep your weight on the balls of your feet for agility and effortless turns. Attempt to make each transition from one call to the next as seamless as possible. When a group of dancers dance to a very soft piece of music, you can hear their feet sliding over the floor; everyone moving at the same time. Because there is nothing interfering with the music, every dancer moves at the same time. That's dancing to the music.

The ball of the foot should slide on the floor. Use a shuffle step with both feet gliding along the floor. In a decades old TV show called Father Knows Best, he was teaching his daughter to dance and he said "dancers don't walk, they glissade". That word sounds and feels like sliding on the floor. Glissade, don't trudge.

Maintain proper hand-holds with your partner. The default hand-holding position is right hand palm up, left hand palm down. Handholds change almost with every call. To make these change smooth, hold hands gently, almost loose. Use a light grip when holding hands with your partner, allowing for smooth transitions between movements. Be gentle with other dancers. Most experienced dancers will touch, but not grasp, other dancers' hands.

Keep your squares tight. Sometimes while dancing we can drift away from one another. It is easier to keep time with the music and easier to move into the next formation if we're closer to one another. However, never push or drag a person into position.

Listen and focus. Pay close attention to the caller's instructions. Callers use both square dance calls and English. The English may be a modifier to a call or it may be words to help you succeed. Focus on actively listening to the caller.

In square dancing, unlike all other forms of dance, you are dancing completely to the calls as the caller presents them. Most forms of dance involve a completely choreographed dance that the dancers have done many times before. Callers are calling extemporaneously. In other words, they are making it up on the fly. As a result, you, the dancer, need to know the calls and know where you are in the square, with respect to other dancers.

Square dancing is loaded with identification. We have couples 1, 2, 3, and 4, heads, sides, boys, girls, ends, centers, leaders, trailers, and

partner. These identifiers describe your relationship to the square or to your partner or to another dancer. These relationships change with almost every call.

Identifying formations is critical. You must know what right-hand waves, left-hand waves, lines, two-faced lines, columns, and boxes are. Callers give us many cues about our formation. If they say in your "right-hand columns" or "check a right-hand column", look around and make sure your square has a right-hand column. The caller is probably saying that because someone is NOT in a right-hand column.

Then, know where you are in a formation; are you a center, end, trailer or leader. It's difficult to do a "centers run" if you don't know that you're a center. It is not uncommon for girls to be dancing boys parts and boys to be dancing girls parts. When the callers says "boys trade" it can be helpful to raise your hand as you move to trade.

Helping in class, especially the class after you graduate, helps to make the things you learned in your class second nature. You get practice doing the calls and you get a deeper understanding of the calls than you got from your first time through class. This knowledge and understanding helps the calls go in your ears and out your feet, without stopping by your brain for evaluation. That contributes to "smooth". In most cases, there will be several "I didn't know that." moments in the class you

angel. That is you learning more about the calls you thought you knew. Of course, you are also helping the club teach new members.

Dance to many callers. Every caller has different ways to put calls together, uses different levels of difficulty, and uses different words. This variety bypasses getting in a rut that may result from dancing to only one caller.

Dance at the festivals. Festivals hire the best callers in the nation and those callers are able to stretch the dancers without breaking them down. A guiding mantra of many callers is "Different but not difficult". The goal is to put calls together in ways that you don't hear all the time but in ways that are not obtuse and so complex that you need a set of diagrams to see what the calls mean. Example: How many times have you heard "Swing thru. Spin the top". Compare that to how many times you have heard "Spin the top. Swing thru."

Finally, there is something you can do at home if you want some homework. Read the definitions. You may have a set of definitions from your class, you can get definitions from CALLERLAB.org, or you can use Taminations (<https://www.Tamt-wirlers.org/taminations/#?level=SSD&main=LEVELS&detail=CALLS>). Any of these will provide more in-depth information about the calls.

Square dancing is a social activity, so relax, enjoy the music, have fun, and don't be afraid to make mistakes. Get out there and dance!

RDTA President's Message

by
Ken & Berni Ryder

Dear WASCA dancer friends:

We suspect that many of you, like us, are ready for the end of winter and accompanying snowfalls. Berni and I did manage to get down to VA Beach for the VA State Convention February 20-22, despite the 6-8 inch snowfall in the VA Beach area. We were joined by four other RDTA cuers -- Calvin and Barbara Crofford, Christina Eum, Eileen and Chip Hopper, and Jim and Kathie Kline. We all thoroughly enjoyed seeing and dancing with so many of our WASCA, MDSDF and VA area dancers. There may have been snow on the ground, but the dancing was energetic and entertaining.

Notwithstanding Punxsutawney Phil, we still hope for the early coming of spring and look forward to the special dancing events on the horizon. On Sunday March 9, RDTA will hold their annual Snowflake Ball at the Occoquan Elementary School in Woodbridge Va. We will have 2 1/2 hours of outstanding dancing in two separate dance halls -- the phase II-IV and IV-VI halls -- and many delightful snacks and assorted goodies. Our special thanks to Rose and John Miller for securing this very accommodating facility. We know all our WASCA and MDSDF round dancing friends will have a wonderful time dancing to the lively cueing of Barbara and Tom Buchanan, Christina Eum, Eileen and Chip Hopper, and the Ryders. Come on down and join us. You will find a flyer and the specific dances on the Snowflake Ball program later in this issue. What better way to get "warmed up" for the WASCA festival later in March.

We're all looking forward to finally "ducking and diving in 25" with the exceptional cuer couples on staff -- the Garzas, the Preskitts, and the Worlocks. Amy and Ken Shotting are the program coordinators for the Round Dance Student Invitational at this 2025 WASCA Festival. They are working with the Garzas and the Preskitts to assure WASCA round dance students will have a stupendous dancing experience during the Student Invitational on Saturday, March 22 from noon to 2PM in the Potomac 2/3 Ballroom. We also want to remind round dancers to consider joining two of their favorite local RDTA cuers -- Christina Eum and Eileen and Chip Hopper -- who will provide phase II-IV dancing during the RDTA hour on Saturday, March 22 from noon to 1PM in the Potomac 1 Ballroom. Why not take a late lunch and join them for an hour dancing some of your favorite dances that are not already on the current WASCA round dance program.

In addition to these special dances, your local RDTA cuers continue to dance at their Maryland and Virginia round dance and 2x2 clubs. Check the schedules later in this issue for specific times, days and locales. Finally, why not shake off your lethargy and join all those WASCA round dancers having fun dancing with their special partners to great music. Check with your local cuers or the information in this Calls 'n Cues issue for a basic round dance class convenient for you. Make 2025 your time to get down and rumba, cha, waltz, two step, and jive!!

Stay safe and healthy. We'll look forward to seeing everyone on the dance floor during the rest of 2025.

Steve Cunnion, Pat Marks,
Fayette & Andy Stewart***

Duck & Dive '25 is busting out all over!

The Hilton hotel has sold out (fully booked) !!!!!
We have madse arrangement with the Westin Washington Dulles Airport Hotel
(Two miles from the Hilton,) for the same room rate of \$139.

Reach out to the Westin if you are in need of accommodations.

Dear WASCA community,

We are getting very excited about seeing you at Duck & Dive '25.

□ Remember to keep finding rubber ducky items to bring with you to the festival. Here is our newest addition.

Before you come to the festival, make sure you made a hotel reservation. The hotel reservation is to be made directly with the hotel using the link or QR code on the registration form. Remember to be part of the “room block” as this helps with the cost of Duck & Dive '25.

Many members of our WASCA community are doing amazing work to make Duck & Dive '25 a fabulous event. Please remember to show them your appreciation.

You can join this wonderful community if you are willing to volunteer some time during

the festival to ensure it's success. Volunteers are especially needed for the Second Hand Rose. Sign up for an hour time slot by dropping me an email message so that your feet get a break and we all benefit from your service. Signing up in advance will help with smooth swimming. To sign up email Pat Marks at pnmarksdeaconess@gmail.com

Once you have your ducks in a row, reach out to all your dancing friends—including graduated student dancers—to encourage them to attend. Remember the first two hours are FREE and \$5 for the rest of the day. They will need a letter signed by their dance instructor for proof of graduation.

Now and during Duck & Dive '25 you can start thinking about WASCA 2026 “Staying Alive”. What better way to celebrate the 65th festival? Come with your check book or credit card to register for the 2026 festival.

ALL Contra dances will be walked through prior to starting the music and the calls will be prompted while you dance. Jim Wass has been leading contras for years and invites all dancers to participate!

HEX Square Dancing is dancing with six couples in a hexagon instead of a square. HEX uses the same call names and definitions that you already know. While the number of dancers and the shape is different, Right and Left Grand is still 4 hands.

Convention and Festival News

35th Virginia State Convention “Let the Good Times Roll”

**Victoria and Paul Kosar
2025 Convention Directors**

Hello Dancers!

It's a Wrap, Fini, Done! We Let the Good Times Roll every day and if you went to the 2025 Virginia State Convention, you know that we had quite the excitement. I mean, who knew we were going to get about 8 inches of snow! It was great really, watching all that snow coming down. Where we live it snows about every other day during this time, so we were really looking forward to our week at the beach. LOL We had a great time anyway, besides, when you're with all your square dancing friends you're going to have a good time, no matter what the weather is outside.

The Holiday Inn Virginia Beach/Norfolk Hotel and Conference Center was very accommodating and made sure everything went without a hitch. And guess what, we're going back there next February. The hotel was very nice and they made sure everyone was happy. Our Trail In Dinner Dance was a big success and we thank everyone who came in a day early to dance and share a meal with us.

We had more registrations this year than we had the last few years. There were a lot of first time attendees this year as well. Things are looking up for Virginia! We had 13 Callers and 9 Cuers, Doug and Donna Riley were our Line Dance Instructors, Bob Clinebell was our Contra Prompter and Jeff Hill with the Kountry Kickers was our Clogging instructor. These folks donated their time and talent to ensure everyone had a great time and there was plenty of dancing going on for everyone. Jan-ice and Bill Turley did a wonderful job keeping

the staff happy in the hospitality room. They came all the way from Mexico!

Our Basket Raffle was a lot of fun as we had a lot of people trying to get certain baskets. We ended up with 17 basket donations and Rita West coordinated it very nicely each day. Our Second Hand Rose was totally amazing. I believe there were a lot of dancers who went home with complete wardrobes. Linda Futato and her helpers kept it all organized. There were so many donations, it was the largest Rose Sale I've ever seen and it was quite successful. Donna Klaiss always does a wonderful presentation for the Sewing Panel. I'm convinced she knows everything there is to know about sewing.

Clay Fogler put on a fantastic slide show of dancers, banners and pictures of older clubs. It was so much fun seeing them all, as well as seeing which dancers danced at these clubs. Mary Jo Smith outdid herself with the help of Charlotte Sowers and Mike McIntyre at the After Party Saturday night. They kept us laughing the whole time, except when Mike was singing. He was great.

We hope more dancers will come out and join us next February and make the 2026 VA-SARDA convention just as fun. You won't want to miss it! Put it on your calendars now, Backtrack to a Throwback, February 19-21, 2026.

It's More Than Just a Dance...

Keep the fun going at the 74th NSDC's After Parties

Don't let the fun end each night at the close of the traditional dance sessions. Make plans to attend at least one of the nightly After Parties beginning at 10 p.m. for an additional hour of dancing. They are free of charge and feature some of the best dance leaders in the country and internationally. The After Parties are a great social event and provide an opportunity to reconnect with old friends and forge new friendships.

The After Party dances begin after the regular dance schedule concludes, usually at 10 p.m. and normally lasts for one hour but may last until midnight. At the 74th NSDC in the Shreveport Convention Center, the After Parties for square dance will be held in the live music hall with the Ghost Riders Square Dance Band, the round dance hall, and in the youth hall. Each night the After Parties are hosted by different organizations and fantastic Dance Leaders.

This year, there will be an additional nightly After Party at the official NSDC campground located at the Louisiana State Fairgrounds, 3701 Hudson St. The events will be held in the campground's activity/hospitality building from 10 p.m. until midnight. Featured callers will include Joey Duhamel from Louisiana and Phil Moorehouse from Arkansas. All callers are invited to call. For more information, contact Joey Duhamel at jdcalls@yahoo.com or (870) 209-3646.

In a first-of-its-kind event for a National Square Dance Convention®, the 74th NSDC will be sponsoring an After-After Party. One will need to sign up in advance for this paid event at Holiday Lanes. A special Luau Bowling Night will be held Friday, June 27, from 10:30 p.m.-1 a.m. The cost is \$40 per person. A bus shuttle will be available to and from the convention center for \$5. The event includes dancing in the bowling alley, karaoke, an arcade, bowling, finger foods and an ice cream bar, all included in the tour cost. There is a luau-theme and a prize will be awarded for the best dressed in tropical attire.

A nightly After Party will be held at the official 74th NSDC campground, located on the Louisiana State Fairgrounds in Shreveport. The dances will be held in the Activity/Hospitality Building (pictured above).

2 exhibition groups to put unique dance styles on display at the 74th NSDC

We know you will have a lot of opportunities for various types of dancing, workshops, and education classes while attending the 74th National Square Dance Convention® in Shreveport, LA, on June 25-28, 2025, but when you need a break or just to rest your feet come on over to the Shreveport Convention Center's Auditorium (Exhibit Hall 2) and watch the exhibition groups perform their routines. You will be treated to the unique dances of two groups, each putting their distinctive style of dancing on display - the California Heritage Dancers and River City Riders. The 74th NSDC's exhibition groups will be performing Thursday, June 26, and Friday, June 27. See the convention's daily schedules upon arrival for each performance group's days and times.

CALIFORNIA HERITAGE DANCERS

The California Heritage Dancers exhibition group anticipates doing three performances/programs at the 74th NSDC. One will be an hour-long program on the History of Square Dancing, another will be a historically accurate dance from the 1800s, and the third will be a dance specially adapted to fit the "Dance on the Wild Side" theme of the convention.

The California Heritage Dancers exhibition group has been performing since 1987; they will celebrate their 38th anniversary in October 2025. Their

performance venues have included more than 25 National Square Dance Conventions®, three Canadian Square Dance Festivals, many California State Square Dance Conventions, regional festivals, community events, and even a two-week performance tour in Austria. The dance troupe's purpose is to educate as well as entertain. By demonstrating the history of square dancing from its beginning here in the United States in the 1700s to modern times (1950s), they

The California Heritage Dancers exhibition group demonstrates ones of their many routines not just for entertainment, but to also educate the public and to provide cultural awareness.

hope to ignite in their audiences an appreciation of our national folk dance, according to group dance leaders.

Ruth Walker-Hagan, founder and original director, created the California Heritage Dancers to bring the square dance cultural heritage to the attention of the American public. Extensive research (pre-internet) has resulted in a series of dances performed with authentic period costuming, music, figures, and customs of the era. The ever-expanding repertoire

currently includes 10 core routines plus multiple adaptations and variations dating from the Colonial period up through the 1950s.

The dance troupe is dedicated to preserving the historic dances which have contributed to the worldwide movement of square dancing. This dance as we know it today originated in the United States, and like the people who have contributed to its development, is a product of the cultural "melting pot" which makes

our country great. The group is coming to the 74th NSDC primarily from Southern California, and all of them are members of regular square dance clubs in addition to the Heritage Dancers. For more information, visit: <http://www.heritage.sdsda.org>.

The California Heritage Dancers exhibition group performs at the USA West Convention in 2022. They will be presenting a special "Wild Side" dance for the 74th NSDC in Shreveport, LA.

RIVER CITY RIDERS

among the crowd. They went home and decided they could do this and perform with square dance moves!"

The caller for the River City Dancers in Milwaukie, OR, at that time was Les Seely, and he and wife, Paula, who now reside in Arizona, helped in the creation of the River City Riders. Five years ago, the reins of the organization were picked up by a new sponsor, the Country Cut-Ups located at the "Barn" the Country in Boring, OR.

The late Jim Hattrick served as a long-time group caller and created several programs over the course of 12 years, including a six-couple "Hex" routine, a four-couple dance sequence with A-1 moves called "Long Tall Texan," and the group's three-couple "Triride" that features six different music patterns.

"Each program has moves that fit together like a glove," Jolene Cummings noted. "Jim was a genius that shared his knowledge. We're so sad that he passed away in 2023, he is greatly missed, but the group continues to celebrate his life with each performance."

The River City Riders and their trusty steeds performed in Seaside, OR, just one of the many stops along their “trail rides.”

The River City Riders exhibition group now has a new caller standing by, to be announced soon, for the 74th NSDC. The horses will be making the long journey from Oregon to Shreveport via a special trailer pulled by the Cummings, along with a few fellow riders as passengers. The group’s sturdy steeds are made from plastic barrels decorated by their riders to look like horses that the dancers step into and then hook onto a belt he or she is wearing. The horses can weigh between 25

to 30 pounds! These steeds have awesome riders that add their expertise to the program, including the RCR’s lead riders, Jolene and Ed Cummings on Twilight and Mr. Ed, and then Danny and Carol Williamson riding Freedom and Hayburner, Young and Robert Lumsden on Callus and Choco, Ron Rasmussen riding Butterscotch and Lois Manos on Cocoa.

To fund the program, the group conducts garage sales, performs for Senior Citizen Centers and Square Dance Clubs, and accepts donations. Jolene Cummings said the money raised by the group goes toward transportation for the horses and the riders pay their own way.

“We look at it like it’s our vacation,” she stated. “So our fellow dancers, friends, and club members help finance this “horse” program and move the horses across the country for the ‘trail rides.’ It’s pretty awesome!”

One of the group’s fun adventures on a previous “trail ride” was a stop in the Four Corners area where four states touch on the way to New Mexico. “The horses felt like galloping, so of course they did!” Ed Cummings added over the past 14 years the horses have traveled more than 70,000 miles, including all the way from Oregon to Georgia, performing for various conventions, clubs and events.

For more information on the River City Riders, call (503) 759-4939 or email: eddiejocu@aol.com.

The River City Riders will be making the long trail ride from Oregon to stampede across the Shreveport Convention Center during the 74th NSDC.

*The Star Spangled Banner Festival
Celebrates 60 Years of Dancing & Friendship!*

Hello Dancers

With Spring around the corner, the season of Square Dance Festivals and Weekends will soon be upon us. The premier event in Baltimore is the Star Spangled Banner Festival. Please put it on your calendar, or better yet, register now at

<https://www.marylandsquare dancing.com/festival-registration>

Thursday, July 17 to Saturday, July 19, 2025, we will be celebrating our 60th Star Spangled Banner Festival at the DoubleTree by Hilton in Pikesville Maryland. Come help us celebrate 60 Years of Dancing, Fun, and Friendship!

We have a full weekend scheduled for Plus, Plus DBD, A2 and C1. Additionally, all day Saturday, we will have Mainstream available, including our afternoon Graduation Ball. An entire day designed for the newer dancer.

Here's a little about our staff – Tom Miller, Bill Harrison, Mike Seastrom, Ken Ritucci and Ken Burke on squares. For Rounds we have Barbara & Wayne Blackford, Tammy & Curt Worlock and Amy & Ken Shotting.

Tom and Bill are all time favorites. There's never a bad hour of dancing when Tom or Bill are on the stage. Mike Seastrom and Ken Ritucci are out-of-towners who have gained a good following in our area now too. Ken Burke is a newcomer to our lineup, come and welcome him.

Our Cuers are tops in Rounds too. The Blackfords and Worlocks have a long-term following in this area – and are just elegant to watch. And Amy will keep the energy cranking all weekend! Rounds will dance 2x2's, Phase 2 through Phase 5, with a few Phase 6 thrown in.

We hope you will plan to join us in July for the dancing, fun and friendship! Visit our website at www.MarylandSquareDancing.com for registration forms, hotel info, t-shirts and other festival information. And look for us to come visit your Clubs soon!

See you on the dance floor,

Ted & Tonia Hofmeister

Tonia and I are second generation square dancers. We were introduced to square dancing by our parents. Tonia's parents, James and Mildred Lambert and mine, Joe and Dorothy Marchese. Ironically Tonia and I both started dancing over 50 years ago at the same time and started lessons in 1969. Tonia with the Hi Steppin' Squares and my brother La and I, began with the Swing-N-Teens.

It's hard to believe square dancing was responsible for bringing Tonia and me together. We have been married for over 46 years with 4 kids & 13 grandkids (so far).

Tonia worked at Ark Children's Hospital and served as a substitute teacher for several years; however, we have been blessed that Tonia has taken care and managed our household most of our married life. I graduated from the University of Arkansas at Little Rock, Arkansas and was in the industrial gas business for 43 years. I have transferred 4 times, held various positions in sales management and operations. I have managed multiple operations in multiple states, and we believe this has prepared us to take on the task of General Chairman of the 74th National Square Dance Convention.

Obituaries

Steven Jeffery Branch

August 17, 1952 - February 4 2025

The square dancing community has lost a very active member, Steve Branch, to pancreatic cancer. He is survived by Wade Kness, his husband of 21 years here in Maryland, as well as his 99 year old mother, an older brother and an older sister, all in California. Steve was enthusiastic in many interests like gardening, square dancing, collecting, decorating, table scaling, genealogy, travel, fine wine and great cooking."

For several years Steve and Wade provided the large theme decoration in the main dance hall for WASCA festivals

Steve's will expresses his desire to be cremated without ceremony, no urn, no funeral. His ashes will be sent them to California to be with his family.

The Belair Square Cats will always remember Steve as a dedicated member. He was passionate about dancing and rarely ever missed a Saturday night dance. He was the most helpful angel to students at Tuesday night classes. He also was an angel to students at the Spinning Windmill's Advanced class a few years ago. Presidents of the Belair Square Cats would often would ask Steve for his suggestions and recommendations for which he never hesitated to give. He would always let them know his opinions on some things for making improvements. Steve really cared about the Square Cats Club; and he loved and cherished the friends he made in the dancing community.

Send condolences to Wade Kness, 11128 Emack Rd. Beltsville, Md. 20705

Steve will be missed.

Sally A. Waddle

November 22, 1936 – January 18, 2025

Sally Armentrout Waddle, beloved wife, mother and grandmother, died at her home in Woodbridge, Virginia on January 18, 2025 at the age of 88. She died following a battle with pancreatic cancer.

Sally was born in Morgantown, West Virginia on November 22, 1936 to parents Walter and Dorothy Armentrout. She grew up in the university community there as her father was a professor at West Virginia University. Sally graduated from WVU where she studied organ and piano. She taught music in public schools in Shaker Heights, Ohio and went on to earn a master's degree in education from Kent State University. It was there that she met the love of her life, Thomas Waddle. Sally and Tom were married in 1961 and enjoyed 63 loving years of marriage. While raising their children, Sally taught private piano lessons from a piano studio at her home in Lakewood, Ohio and was highly regarded by her students and their families. Sally was later employed at Cleveland State University in human resources and retired in 1997. She moved to Virginia in 2005 to be near her grandchildren.

Sally was an enthusiastic traveler throughout her life, both in the United States and internationally. Sally was passionate about volunteering at her church and in her community, most recently through such organizations as the USO and the local senior center. She loved to dance and spent many years square dancing with Tom in Northern Virginia. They danced with the Grand Squares of Prince William County. Sally was very social and had a large group of friends from many areas of her life. Her caring and accepting spirit was instantly evident to everyone who met her, and she quickly drew people into her loving presence. One special group to her were the friends she made at Gold's Gym, where Sally exercised almost every morning for the last 20 years with Tom.

Sally is survived by her husband of 63 years, Thomas Edward Waddle; by her son, Jeffrey Thomas Waddle, his spouse, Lorna and their daughter Leah; and by her daughter, Jennifer Susan Waddle Weinwurm, her husband, Dan and their children Matthew and Sarah. Sally's daily presence, encouragement and support will be forever missed, but her love, joy and kindness will live on in our hearts until we meet again.

Donations may be made in lieu of flowers to St. Paul United Methodist Church, 1400 G Street, Woodbridge, VA 22191.

The Calico Cloggers Remember Paul D'Alessandro

Paul was an avid clogger and a crucial sound engineer for the Calico Cloggers. He was a really good listener, and had a quiet, dry sense of humor. I admired his unwavering optimism and resilience throughout his illness.

You could always count on Paul to be there for practices and performances, where he set up the audio equipment. He learned most of our routines, whether it was his style or not. Paul was good in conversations and fun to be around.

Paul was a great addition to our group. He was kind and patient and always willing to assist in routines. It's been a great loss to our group, we all miss him terribly.

Paul was an interesting and thoughtful person. He was kind, analytical and patient, a good listener, and he never complained. I never heard him brag about anything he did.

He was conscientious about work and being the best he could be. He had a fun chuckle, accompanied by a wry smile that he used when something struck him as humorous or a little off.

I am so glad to have known him for 23 years.

Paul wasn't the best technical dancer in our group, but he always knew the sequences and positions for everyone in all our routines. We have laughed for years at the little shove he gave to another male dancer who was being way too slow to get into position, and blocking Paul to get into his. He also knew how to square dance, which he used in our figure dances to help guide people in the right direction after an arm swing. We relied on that so much that we fell apart in practice without him.

Paul enjoyed technology and gladly took on the job of hauling sound equipment to our gigs, setting everything up, putting everything away, then hauling it all back home. At clogging workshops he helped lay floors, take up floors, set up stages, break down stages, and carry all that heavy stuff in and out.

Paul was decent and loyal and didn't deserve having to go through cancer. He has left a big hole in our group and it's still hard to believe he's gone.

Francis "Buck" Edward White

June 20, 1932 — January 23, 2025

Buck grew up living and working on a farm and graduated from Surrattsville High School in 1950, before deciding to join the US Army.

Buck, a true patriot at heart, was proud to serve in the Anti-Aircraft Artillery Brigade in the US Army based in Norfolk, Virginia. His role with the brigade suited him well as witnessed with his Medal of Good Conduct during his years of service, and of course, an honorable discharge. Regardless of his responsibilities, he was always humble. His belief was simple – he was willing to and wished to serve for a country in which he so believed.

Buck's natural ability to get along with anyone, coupled with his good-tempered approach, served him well over the next 30 years in a career with the PG County Board of Education where he organized and supervised several school bus lots, such as Brandywine, Accokeek, and Friendly. He was rewarded over the years, having garnered respect by his supervisors and those working alongside him.

His love of family and the extension of community shown through over the years – spending countless hours coaching the girls' soccer teams and other activities for the Clinton Boys and Girls Clubs. Spending time with his family, his loving wife, and many dear friends had him engaged in square dancing and camping with various clubs.

Francis (Buck) Edward White of Crofton, Maryland, passed away on January 23, 2025. He was born on June 20, 1932 to parents Benjamin Edward White and Mary Myrtle Tayman of Clinton, Maryland.

He is survived by his wife of 37 years, Pat White; his daughter, Jacqueline White; two step-children, Ken Bassett and Donna Biggs; 13 Grandchildren and 14 Great Grandchildren. He was preceded in death by two sisters, Mary Evelyn White and Margaret Theresa White; three children, Debbie Thorne, Diane Cook, and James White; and a grandson, Gene Thorne.

He was a very thoughtful, kind, and compassionate person to everyone he met.

He will be truly missed by all.

In lieu of flowers, donations may be made in Buck's memory to Maryland Food Bank, 2200 Halethorpe Farm Road, Baltimore, Maryland 21227; or the charity of your choice.

CHOREO CORNER

with Dick Otis

One Of These Days

I've now been calling for 16 years. This just doesn't seem possible to me. I've been writing Choreo Corner since May 2015. I just inherited the column from my mentor Butch Adams, who left us way to soon.

One of these days I need to learn how to sight call. I mean, really, it's not too hard to just call and then resolve. What's hard, at least for me, is calling interesting stuff. For me that mostly means thinking in front of the checkers (or in my case checker plus the program Callarama), and writing it down. By definition, that makes me a Caller who reads a lot.

I quickly found out from my better half, Trish, that if you plan to read your choreography, you'd better be able to sight call as well. Here's the thing, I have reading choreography down to an art form. However, sometimes things just don't work out. At some point Trish started telling me "I don't want to hear you say Square Your Set anymore, just figuring it out"

Butch was fond of coming up while I was calling and taking away my material. My new mentor, Bill Harrison is much nicer about it. "Just come up and call with me and leave your computer in your calling bag"

So, what happens when your square(s) break down or, more likely, you just screw up reading your material? Here is the best senecio, the dancers don't know you are reading your choreography or that you've switched from reading to sight calling.

I have two methods of saving myself without embarrassment. First, after 16 years there are numerous modules I've been able to commit to memory. Secondly, I've FINALLY learned numerous get-outs from known formations and arrangements. My portfolio of these get-outs continues to grow each year.

Since your esteemed CallsNCues editor asked this week, one of my favorite techniques these days is the awesome call, Dixie Grand.

Like Right and Left Grand, Dixie Grand is an easy call for the dancers to execute. Essentially, it's a Right & Left Grand, where sometimes, only two dancers can start, but everybody finishes. What's cool about Dixie Grand is there are many formations it can be called from, and most of them will surprise the dancers.

Callerlab Definition: DIXIE GRAND

Starting formation: Any formation where at least two dancers can start.

- (1) Those who can, start the call by joining right hands with the facing dancer and pulling by.
- (2) Each dancer moves ahead around the circle and gives a left hand to the next, pulling by, and a right hand to the next, pulling by.

Regardless of the starting formation, as the movement progresses, the formation converts to a circle.

Dixie Grand almost always is followed by an Allemande Left, but it doesn't have to be because the Allemande Left is NOT part of the call.

Personally, I like this call because it can resolve the square when the paired primary couple is in the middle of the formation, the outside couple is NOT paired, and the primary couple Boy's corner (secondary girl) is behind him. (If she is not, a "centers right and left thru" or more fun "center square through and on the 3rd hand" fixes it so a Dixie Grand get-out works.

It also works if the secondary couples Girl's corner (primary boy) is behind her. There are lots of other formations that also work out.

Here are a few examples:

1. 4 Ladies Chain 3/4, HEADS Square Thru, Dixie Grand
2. HEADS Slide Thru, Centers Right & Left Thru, Double Pass Thru, Leaders Face, Dixie Grand
3. HEADS Square Thru 2, Pass Thru, Centers Square Thru 3, Track Two GIRLS Circulate, Dixie Grand
4. HEADS Pass Thru, Separate @ 1 to a Line, Circle Left, Circle Right, BOYS U-Turn Back, Dixie Grand
5. Ladies Chain, HEADS Promenade 12, HEADS Lead Right, Veer Left, Tag the Line, Face In, Slide Thru Same Sex (BOYS Right, GIRLS Left), Dixie Grand
6. HEADS Pass the Ocean, Extend, Swing Thru, GIRLS Fold, Peel the Top, Recycle, Pass Thru, Wheel & Deal, Dixie Grand
7. HEADS Lead Right, Circle to a Line, Pass the Ocean, All 8 Circulate, CENTERS Trade, Recycle, Dixie Grand
8. HEADS Ladies Chain, SIDES Star Thru & California Twirl, Right & Left Thru, Swing Thru, Spin-Chain-Thru BOYS Circulate, Dixie Grand
9. Ladies Chain 34, HEADS Square Thru, Dixie Grand
10. HEADS Lead Right, Circle to a Line, Star Thru Pass Thru, Trade By, Star Thru, Pass the Ocean, GIRLS Run, Tag the Line, Face In (with the same sex) Slide Thru, Those who can Begin a Dixie Grand

Thirty-nine clubs were represented at the February 16, 2025 WASCA Delegates virtual meeting. Currently there are fifty clubs that are members of WASCA.

The Delegates elected the new members of the WASCA Board. The Executive Committee for one year beginning June 2025 will be President: Steve Cunnion; Vice President: Lisa Alfred; Secretary: William Houston; and Treasurers: Linda and Steve Toth. Janet Adams and Peter Ma were reelected for a 3 year term as Round Dance Liaison. Tom & Nancy Stafford were also reelected for a 3 year term as Membership & Information Services Director.

The next WASCA Delegates meeting is May 18, 2025. All Delegates should plan to attend to make sure that their Club is in good standing for the 2024/2025 Fiscal Year.

As noted above, the WASCA year starts June 1, 2025. Remember that club dues of \$25.00 are payable before June 1, 2025. Please update your club datasheet. A datasheet can be found under forms on wascaclubs.org.

The Wagon Wheelers Club resigned as a square dance club in November 2024. The Sunday Dancers Club has made it through its probationary period and is now a full-fledged WASCA club with voting rights. We plan to present to the Sunday Dancers Representative their WASCA Membership Certificate at the 2025 WASCA Festival.

Many clubs are looking for new club members. Maybe your club needs help with funding to advertise or promote your club. On the wascaclubs.org website is the following statement. "Any member club can take advantage of the Promotional Fund Program by documenting their financial need on the Promotional Fund Application and submitting (by e-mail or snail mail) to WASCA's Vice President. WASCA's Vice President will process the request through the approval process." You can get the Promotional Fund Application at wascaclubs.org

If your President/Manager, Delegate, Alternate Delegate, or Club Info Contact changes or has a change in email, address, etc. during the year, please send us the new name with the address, phone number and email address. We need the correct information so that we can send the WASCA Secretary the up to date information that she needs to email or mail the Delegate's minutes for the next meeting, as well as having the correct email forwarding addresses. If you need further information or have a question about or correction for the Calls 'n' Cues Centerfold or WASCAclubs web site, please email us at membership@wascaclubs.com or call 703-573-8378.

AQUA SQUARES

Paula Ropshaw

Hello from beautiful southern Maryland. We celebrated our 56th (I think) year of Aqua Squares this past January. And we are still going strong. We have been

*Aqua Squares
56th Anniversary Dance Attendees*

gifted with a wonderful class, full of young folks. Boy, they learn quickly and dance fast. But it has been great. Keeps us moving. And they have two wonderful teachers in Gary Felton and Bill Harrison. Looking forward to our spring festival. Making new friends, reuniting with old ones, dancing to wonderful callers that we only see once a year. Aqua Squares wants to thank all the people that work so hard to keep this festival going. Aqua Squares dances every Friday night at the Southern Community Center in Lusby, MD from 7:00pm-8:30pm for class and 8:30pm – 9:30pm for plus dancing. It's hard to believe but summer is coming. Why not plan a weekend trip to our southern shores. Dine on seafood, walk and shop quint Solomons Island, spend the night in a beautiful BNB and come dance with us. Check our website, or call us to make sure we are dancing. Come on down, we love company.

BELAIR SQUARE CATS

Mike Herman

The groundhog saw its shadow on February 2nd. The current Winter season has seemed long and cold. But, the cure for the low outside temperatures is to attend a

Belair Square Cats dance. On Saturday 03/08/2025 it will be the "Ladies Appreciation" dance which helps celebrate International Woman's Day. The club welcomes for first visit to the club who will call the squares. Peg Kincaid returns to cue an exciting evening for the round dancers. This will be the only club dance in March as the club will be dark on the 22nd for its members to attend the annual WASCA festival with the "Duck and Dive" theme.

April brings showers and warmer weather. On April 12th it's the "Melody of Love" dance. It will feature Kenny Farris calling the squares. Our own club member Barbara Buchanan will cue her fantastic rounds. This is also an "Ambassador" dance which helps support the MDSDF organization for the member clubs in the Baltimore region. There will be much fun as the dancers dance the night away to romantic music.

On 04/26/2025, please come to help us celebrate the club's 61st anniversary by attending "LaFiesta Grande" themed dance party. Art La Vigne has a great square dance program planned. Amy Shotting will keep the round dancers moving to a lively evening of cueing to the festive music.

Also, please keep in your thoughts and prayers the family and friends of two of our beloved longtime active members Buck White and Steve Branch who recently passed away from illnesses. They were both a pleasure to be around and talk to at the Square Cat dances. They will be deeply missed by everyone who knew them.

The Belair Square Cat club dances on the 2nd and 4th Saturdays each month of the season unless otherwise noted. For more information about our club please call/text club president Darlene at 703 -851-5348 or email her at president@squarecats.org. We look forward to seeing soon on a dance floor.

BIZZY BEES

Ann Brownell

The bees started the New Year by welcoming VA-SARDA into the hive. We also had a nice visit from the high school dancers. What a great group of students and parents-we welcome you back any time! Then we had our "Favorite Sports Team" dance. It was right after the playoffs, so there was a lot of burgundy and gold! Un-

fortunately, our Sweetheart Dance was canceled due to snow. Our Feb 25th dance will be all about Mardi Gras. March will bring us "Lucky Clover" and "Cartoon Characters." April will bring us "Flower Power" and a delayed "Easter Bunny." We love to have guests. Square Dancing attire is not required. We dance under the superb calling of Chris Stacy. For more information call Teresa and Dave Harrington at 571-306-7975.. .

RYDER'S ROUNDERS

Ken Ryder

Ryder's Rounders at St B's continue to dance phase II-IV [with an occasional special phase V] on the new beautiful wood floor in the Richardson Room at St Barnabas Episcopal Church -- 4801 Ravensworth Rd, Annandale VA --every Thursday from 7-9:30 PM. We also love to party featuring special thematic dances and tasty treats to reflect specific holidays. Club members and intermediate workshop dancers enjoyed our annual

Sweetheart/Valentine's Day Dance on Sunday, February 16 with special "seasonal" dances and some delicious treats. All dancers enjoyed not only the friendship and warmth of the combined groups and the "seasonal" dances, but also delicious "goodies" and the special "cookie exchange". Dancers also left with unique Holiday flower arrangements that Berni designed for each of them. Come join us Thursday evenings at St B's whenever you can.

We will continue our intermediate workshops on Sundays from 6-7:00 PM with class level dancing from 7:00-8:30 reflecting rhythms previously reviewed. Our intermediate workshop will complete reviewing phase III/IV Bolero figures in February and will begin reviewing phase III-IV foxtrot figures in March. We also have an intermediate workshop and dance at Greenspring Senior Community in Springfield VA every Monday afternoon from 1:00 -3:00 PM. We're currently reviewing phase IV foxtrot figures. Call Berni and Ken for more information regarding their intermediate workshops. .

Without our normal venue on Monday evenings, we have continued our "virtual/distance" round dancing using JITSY web meeting technology with many of our Ryders Rounders and other dancers from outside the WASCA area, including Virginia Beach, Charlottesville, Florida, and Canada.. Our "virtual" dances begin at 7:30 PM every Monday night. If you wish to join in, send Ken an e-mail at kfryder@cox.net so that he can include you on his e-mail invitation list.

We invite all round dancers to join us in-person at Greenspring or St Barnabas or virtually on Monday evenings. If you have any questions or need more information about the clubs, the workshops, or beginner dance lessons, please call Berni and Ken at 703 323-6615.

SUNDAY SQUARE DANCES

Bill Houston

Sunday Dancers is a new club that began dancing in September 2024. We dance on the 2nd and 4th Sundays from 2:30-4:30pm at Glenmont United Methodist Church, 12901 Georgia Avenue, Silver Spring MD 20906. We held five dances in September, October and November. In December the Toys for Tots Dance was held at our usual time and place instead of our normal dance. We are glad to report Sunday Dancers was sufficiently in the black to be the "host" and contribute the cost of the hall for Toys for Tots. Many of our regulars were in attendance at Toys for Tots as well.

Interest was sufficient in the Fall for us to continue in the Spring. The average attendance in the Fall was 18 dancers. So far in 2025 we have held two dances both called by Jim Wass. From now through May we have six dances scheduled. Jim Wass, Chris Stacy and Ett McAtee will each be calling two of the dances.

We have been a WASCA associate member club since last September. Since the first of the year we have been accepted as a MDSDF member club as well.

Just as a reminder, Sunday Dancers is intended to meet several unmet needs of local dancers. These include:

Meeting in daylight hours to allow daytime driving and going to bed early.

Meeting in a location accessible to retirement communities but not limited by being in one.

Meeting in a central location in Montgomery County to lessen the need for expressway driving.

Providing a venue for callers not calling elsewhere in Montgomery County.

Testing the concept of SSD level dancing.

Dances are held at the Glenmont United Methodist Church, 12901 Georgia Ave Silver Spring, MD 20906 from 2:30 PM to 4:30 PM. Dances are on most but not all second and fourth Sundays of the month. The cost is \$10 per afternoon.

A few calls will be taught and then danced in a simple pattern. New calls and choreography will be added as the dancers progress.

Need a valid health-related reason to try square dancing?

Here (paraphrased in part) is what *AARP research has found.

“...**you** can make a difference in your **brain’s health**.

...**MOVE** (exercise), **RELAX** (sleep enough and avoid stress),
NOURISH (eat well), **DISCOVER** (think), and **CONNECT**
(socialize).”

“What works best? ...**DANCE**... It’s FUN, it involves other people, it’s exercise, it challenges you to learn patterns and movements.”

Topic: Leadership - Being Someone Who Makes Our Hobby Better

↓

What is leadership & what does it really mean?

↓

What are the benefits of being a leader, both to you & those that you lead?

↓

Leadership IS for everyone & being a leader doesn't have to consume your life.

Tom Miller began his square dance calling career approximately 50 years ago, turning his favorite hobby into a full-time operation. He has traveled the U.S., Canada and Europe extensively, averaging 50,000 miles per year. Besides his local clubs in Pennsylvania and Alabama, he is featured regularly at major dance events from coast to coast, including state/national conventions. Tom has recorded for Lou Mac Records, Kalox Records, Eureka Records, and Hi Hat Records. He currently is a recording artist for ESP Records. Tom also discovered a passion for teaching and is an Accredited Caller Coach. He has served on the CALLERLAB Board of Governors for over 27 years.

Mike is frequently asked what is the dancing level for his cruises.

Here's the answer:

A survey will be sent to all signed up for the cruise (about 60 days prior to the cruise departure date) asking what levels you want to dance from SSD through C1 while on the cruise. NOTE: You will be asked to mark all levels you want to dance, not just one. The dance sessions will be scheduled accordingly.
