The Times They Are A-Changin'

Two events have occured during the past months that will affect all of us.

First, the deaths of Tom Miller and Virgil Forbes: Very few WASCA dancers can remember a time before Virgil. Even fewer a time before Tom. Adding in Mac, Gene and Bruce, we are losing callers rapidly. While there are some new callers, we are still losing callers faster than we can replace them. Let us call that Problem #1.

Second, the Callerlab Proposal to reorganize calls below Advance. Its purpose is to simplify the process for training new dancers. Particularly in the WASCA area we are losing dancers faster than we can train new ones. Let us call that Problem #2.

The Callerlab Proposal is an attempt to address both problems. By limiting “mainstream” to no more than 50 calls we can train dancers more effectively. As a side effect, it also becomes easier to train callers. If you believe “mainstream” is not sufficiently challenging, I would point out that the most popular dance hall at Nationals is the one featuring the Ghost Riders square dance band. A little-known fact is that callers only call SSD in that hall. If you still think “mainstream” is too easy, I suggest you visit the Village Swingers on any 1st or 3rd Saturday evening and see how challenging Kenny makes mainstream.

Gary Felton reports on the Callerlab Convention in his column this month. The proposal passed the convention The vote was almost 10 to 1 in favor. However since there was not a voting quorum at the convention the full membership will be asked to vote electronically. I expect the vote to pass. There will be an update on the proposal at Shreveport. I will report on it.

The result: changes are coming to square dancing. Be ready for them

That’s all for this issue. Until next time

The WASCA President's Corner

Bob Lawn & Martha Thompson
(WASCA Presidents 2023-2024)

I hope everyone had a great time at the 2025 WASCA Festival. We had close to 800 dancers, most of whom seemed to have a great time.

WASCA Board and Delegates Meeting Dates remaining for 2025: Both meetings will start at 3pm.

May 4, Board
May 18, Delegates

The Board of Directors gives a very big THANK YOU to Steve Cunion and Pat Marks as well as all of their committees who worked for over a year to bring us this 64th Festival. The details involved in orchestrating this Festival are enormous. The WASCA Festival is arguably the best festival on the East coast, if not the whole country. This year Steve and Pat can take credit for what was a fabulous festival. Our new location Seemed to work very well and offered many advantages including easier access by road or airplane as Dulles is only a couple miles distant. There is ample free parking with many restaurants available in the vicinity of the hotel.

We have an outstanding selection of callers and cuers being planned for the 2026 WASCA Festival, March 26 to 28, 2026. Lisa Alfred our Festival Director will let us know more about 2026.

There is lots of dancing available this summer including

The Star Spangled Banner Festival, July 17 – 19.
The 74th National Square Dance Convention in Shreveport, LA.

If you are looking for a dance check out the flyer pages that Ed Cragg has put together at the end of the Calls N Cues. Ed does a great job posting dances near and far. But he can only do that if you send him your flyers for your club's upcoming dances.

Above all we would like to thank all of you for attending the WASCA spring festival. We know your time and money are important and we are grateful that you chose the WASCA festival to invest both.

NCASDLA President's Message By Gary Felton

WASCA & CALLERLAB

WASCA

NCASDLA contracts with WASCA to provide sound for the WASCA Spring Festival and to respond to any issues during the festival. One of our members, Bruce Mitchell, does the lions share of the work and a couple of other NCASDLA members also provide a bit of help. He houses much of the equipment during the year. He maintains a sufficient supply of wires, connectors, speakers, speaker stands, etc. Some is loaned by NCASDLA members, and WASCA owns two amplifiers. It is obviously a group effort. A few hours of the festival are filled by NCASDLA callers.

CALLERLAB

CALLERLAB convention was April 14-16. Gary Felton, David Hartman, John Marshall, Doren McBroom, Eva Murray, Tom Rainer, and Jim Wass represented NCASDLA. By my count, there were 35 educational sessions and 16 committee meetings. Wednesday morning was the annual business meeting and voting on any items that have been brought forth through the appropriate channels.

CALLERLAB's mission is to foster the art of square dance calling, and improve caller skills. We fulfill this mission by providing guidance and education, certifying caller coaches, maintaining standardized lists of calls and definitions, and generally promoting the square dance activity. Please thank your caller for investing their time and money in the future of square dancing by participating in the annual meeting.

"THE PROPOSAL" UPDATE

In December, I wrote about "The Proposal" that would be voted on at CALLERLAB. Briefly, the proposal is to rearrange the calls that constitute Mainstream and Plus. The goal is to make it possible for dancers to dance at a club after approximately 30 hours of classes. This means 15-20 classes. The important ramifications of this are 1) two classes can be fit into a year, resulting in twice as many new dancers entering square dance clubs and 2) the entry level will be easier, reducing the number of dropouts.

The following resolution is submitted by the Board of Governors for consideration by the CALLERLAB Membership:

Whereas: It is CALLERLAB's objective to establish and maintain modern western square dance programs, and

Whereas: Current entry level programs overly fracture the dancing population, and

Whereas: A standardized worldwide entry program is both beneficial for the entire activity, and future caller training, and

Whereas: From a call count perspective, CALLERLAB acknowledges that call families have existed since the inception of the first lists; and

Whereas: The program following the entry level should be of equal or larger size.

Therefore: The Board of Governors approves moving the following resolution forward for consideration by the CALLERLAB membership:

Be it resolved that the Program Policy Statement be revised as presented to the membership in Draft E

The heart of the proposal appears in item 6 of Draft E and is this:

6. Dance program size is determined by the committees, with the following exceptions:

a. Mainstream - Must be less than or equal to 50 calls

b. Plus - Must be 50 calls or greater

The vote was 153 in favor, 14 against, and 3 abstained. Because there was not quite a quorum at the business meeting, the vote will go out electronically to all eligible members.

It is the intent to have the revised lists complete by September 2026 in order to make the changes available for the start of classes in 2026.

It appears that this will pass. It will have effects on both mainstream and plus clubs. I urge you to talk to your caller(s) and make your thoughts heard.

Greetings, WASCA and MDSDF dancers

RDTA President's Message

by

Ken & Berni Ryder

It's hard to believe it's already May, with summer heat fast approaching. Many local clubs will be shutting down for the summer, but, the summer offers a number of opportunities to round dance at special events -- and we hope to see and dance with many of you at several of them. June will start off with a special Spring Fling featuring Barbara and Wayne Blackford -- June 12-14 at "the Barn" and its beautiful floating wooden floor in Columbia SC [see flyer in this issue for details]. While we won't be attending since Ken is heading for a big college reunion in Massachusetts, we know several WASCA couples will be attending and we urge others to consider joining them for this outstanding dance opportunity.

Later in June we have the Roundalab Convention with evening dancing June 21-24 in Little Rock, AR. In addition, there will be extensive round dancing at the National Square Dance Convention in Shreveport, LA -- June 25-28. [See the flyer in this issue]. July will offer additional round dancing special events with the annual ICBDA Convention in Springdale, AR -- July 9-12, and the 60th Annual Star Spangled Banner Festival at the same locale as last year -- the Double Tree Hotel in Pikesville MD-- July 17-19. You won't want to miss this special Celebration of 60 Years of Dancing & Friendship -- featuring not only Barbara & Wayne Blackford and Curt & Tammy Worlock, but our own Amy & Ken Shotting cueing and teaching for you. [Flyers for all of these events are included later in this issue.].

Finally, RDTA will hold its annual Butterfly Ball at the Lincolnia Senior Center on a Saturday evening in late July or August -- exact date still TBD. Ken will be programming this phase II-IV round dance which will feature many dances newer round dancers, especially students, will enjoy. Once a final date is set, we'll distribute a flyer on the WASCA and MDSDF e-mail systems and include it in the next Calls 'N Cues issue.

For those who are ready to get out, get down, and explore some exciting dancing, why not join us in enjoying our favorite “social contact sport” and consider taking some lessons to learn to round dance or “brush up” on some rhythms you’re still not fully comfortable dancing. See the information available on current Round Dance classes in the section on Dance Classes later in this Calls ‘N Cues Issue and then check with one of the leaders holding a class convenient for you to see when they will be starting to teach a new rhythm. All you need are your dancing shoes and a willing partner.

We look forward to seeing and dancing with you all on local and national dance floors this summer. Stay cool, but keep on dancin'!!

64th WASCA Spring Festival

Duck & Dive in '25 Report

by Directors Steve Cunnion, Pat Marks, Fayette & Andy Stewart

SOLD OUT!! SOLD OUT!! SOLD OUT!! SOLD OUT!!

The WASCA 2025 festival held 20-22 March was a quacking success. So much so that the 2026 festival will have a registration limit to avoid overcrowding. Better register NOW for WASCA 2026 "Staying Alive" or you will be sitting home and missing the Disco Party of the Square Dance World.

Fabulous duck-o-rations! If you agree, thank Dale Barnhard, Soloni Gouveia, Laura Vykol, Margie Barber and Elaine and David Hartman.

In addition to the hours and hours of square and round dancing at all levels, people spread joy and supported WASCA through the quilt raffle, 50/50 raffles, the basket raffle and bidding on duck themed items. The best themed basket prize went to DC Lambda Squares and the most sought after basket was from Four Counties.

We hope you found that perfect dress and shirt at our Amazing Second Hand Rose. It will be back next year if you didn't. You can't beat the prices!

For a slight diversion, Ginny Fromel lead 44 dancers on a tour of the near-by Steven F. Udvar-Hazy Center of the National Air and Space Museum.

The downer at the festival was we missed some of our favorite callers. We lost two of our headline callers, Tom Miller and Joe Saltel . Joe had an accident and Tom was taken sick before the festival and died during it. Our large get well card for Tom was converted into a condolence card for his family. We also lost three of our local callers during the past year: Bruce Simpers, Mac McCall and Gene Chamberlain.

The Dancer Appreciation award went to Paula and Pete Ropshaw. Leadership awards were presented to Mark Horner and Duke Stone and June and Harry Baum. We thank all of them for all their work in promoting square dancing.

Please remember to provide your feedback about Duck & Dive '25 and suggestions for the upcoming Staying Alive Festival.

The best feedback we received during Duck & Dive '25 was the more than 200 registrations for the 2026 Staying Alive Festival.

I would like to thank the decorating volunteers for Duck & Dive '25, WASCA festival ballrooms as follows:

Margie from Frederick Promenaders for funny riddle posters in the DBD ballroom.

Lisa from DCLS for the FABULOUS Balloon arch and Duckie decor in the Plus Hall.

Laura with Friendship Squares with the Mona Lisa style poster art in the Advance level Piedmont ballroom.

Soloni for his AMAZINGLY imaginative Ducking and Diving DUCKS in the Chal lenge level Colvin Run hall and for the Photo op areas!

Dale did dancing duckies distributed throughout the Potomac Round Dance ballrooms.

Youth Ballroom creativity designed by the youth themselves!

AND our INVALUABLE busy-bee helpers, Don and Jane from Belair Square Cats, Maggie from numerous dance clubs, and Soloni ALL covered the set-up, take-down with super sonic energy and speed.

Love you all!!!
Dale Ingrid Barnhard

Thank you so much

What a shock, but what an honor to be given the Dancer Appreciation Award during the 2025 WASCA festival. I am sure there are much more deserving dancers out there. But it did make us look back on our years of square dancing. We were married only a few years when Pete went on a hunting trip for a week to Canada. My coworker talked me into going to a square dance open house with the Arks and Doves square dance club. It only took once. I was hooked!! I wanted to learn the Tea Cup Chain. When Pete returned from Canada we were signed up for square dance lessons. Boy was he surprised. That was 1989.

It amazed me then and amazes me still, the amount of time and work people will do to further 'friendship set to music'. Pete and I are grateful for all the friends we have made through square dancing. The kind of friends you can call when your car breaks down or you need a ride to the doctor, or you can trust their reference for a good plumber or you can give your house keys to feed your cat when you are on vacation.

And I hope we are that kind of friend to others. With much love and appreciation

Pete and Paula Ropshaw

Directors Report by Lisa Alfred

You remember that sound – that beat. And of course, John Travolta. What really carried Stayin Alive and Saturday Night Fever was the infectious tunes and dance moves. For WASCA's 2026 Festival, "65 and Stayin Alive", the Festival Committee is working diligently to make our second year at the new hotel memorable. We plan to recreate the disco era, right down to the disco balls and polyester suits.

Our featured callers are:

Ken Burke, Tennessee
Bill Harrison, Maryland
Steve Kopman, Tennessee
Ken Ritucci, Massachusetts
Mike Seastrom, California
Mike Sikorsky, Arizona
Buddy Weaver, California

Our featured cuers are:

The 2026 Festival Committee wants to say THANK YOU to Steve Cunnion and Pat Marks for setting the bar high at Duck and Dive in '25. They've provided us with lots of inspiration.

As you know, a survey was conducted after the 2025 Festival. We heard the concerns expressed in the survey and will work to respond to them where we can. The biggest complaint was about the size of the rooms. Unfortunately, we can't make the ballrooms any bigger.

However, based on the other requests, the 2026 Committee has already outlined some of the changes we can make:

- We can use all the large, medium and small ballrooms and meetings rooms so that there are dance floors throughout the hotel.
- We can make sure there are lots of fun tips.
- We can add more seating outside of the main ballrooms.
- We can work with the hotel to add more staff during the lunch and dinner hours for faster food service.

In order to see all these changes and more to come, you'll have to get your dancing shoes ready and register early. WASCA 2025 was sold out – you don't want to be leftout of WASCA 2026.

Brush up on your disco moves and meet us at the Dulles Hilton in 2026 - See you at WASCA's "65 and Stayin' Alive"!

P.S. On a sad note, let's take a moment to give thanks for the gift that our WASCA family experienced for 34 years – Tom Miller. As most of us witnessed, Tom was an extraordinary caller. He had the gifts of a great voice, a joyful spirit, and a creative mind that could move us around the dance floor beautifully and seemingly effortlessly.

THANK YOU Tom Miller

•Matt Barnes, a caller from Texas, will be talking about **"Starting and Maintaining a Home-School Club."** Matt started a club for teens, the "H-Town Squares," and now also has a young adult group, "Market Street Squares," whose dancers aged out but still wanted to have their own club.

Check out future issues of *National Squares* e-Magazine for the schedule of all Education Classes, including the classes above. To get the most out of the Convention, read over all the dances, workshops, exhibitions, and educational classes and prioritize what you want to do. It is possible to dance, attend dance workshops, watch exhibitions, and take classes to increase your calling skills and/or your skills as a club leader all in three full days. You CAN do it all!

They say April Showers bring May flowers, and if that holds true we are certainly expecting a fruitful spring here in Virginia Beach! February brought us some interesting weather but the "Virginia Blizzard" did not put a damper on our 2025 Virginia State Convention! We had a great time filled with fun, fellowship and dancing! With one convention over we dive head first into the planning for our next convention.

In 2026 we will "Backtrack to a Throwback" celebrating the decades past and all things retro. Many of our hardworking callers, cuers and prompters are slated to return to the 2026 Convention and continue to facilitate the fun! We will be returning to the Holiday Inn Virginia Beach/Norfolk which is conveniently located right off of the interstate and boasts beautifully updated guest rooms and ballrooms for lots of dancing. In the last few years we have been excited to expand our programming to include SSD and Clogging and look forward to continuing these programs along with Squares, Rounds and Contra. As you attend different festivals and conventions be sure to spot our retro themed displays and sign up for the convention or take some flyers back to your home club! If your club would like to host a booster dance, we would love to visit! Please reach out to us!

We hope you all will consider coming down to the beach, hopefully with no snow, February 19-21, 2026 and Backtrack to a Throwback at the Virginia State Convention! Have a wonderful spring!

The United Square Dancers of America's *Zoom* Series

Beyond the Dance Floor

Dancing! — While we are so excited to be back dancing after the Covid epidemic, we lost many of our dancers, clubs, callers, and cuers during that time. The great news that came from the pandemic is how well the square dance community all over the World has adapted to and benefitted from the challenges we've were facing and continue to face. How have we benefitted? Remote networking platforms such as Microsoft Teams and Zoom have introduced us to new friends and dance experiences we might never have enjoyed before — from Zoom dance sessions with international participation to opportunities to participate in State, National and International dance events, conventions and workshops.

In October of 2020 the **United Square Dancers of America — USDA** — your National dancers' organization, introduced a monthly series of web-based programs via *Zoom* to support clubs on the business and marketing end of our activity. The programs were used to introduce more dancers across the country to who/what USDA is, the programs and services we provide, and a way to keep square and round dancing in the forefront of people's thoughts even if they weren't able to get together on the dance floor. Since the introduction of the initial workshops, topics have evolved to include Marketing & Promotions, the SSD dance program, square dance resources, promotional information about our National Square Dance Conventions, Social Connections and the recruitment and retention of callers. We've been lucky enough to partner with CALLERLAB, ROUNDALAB and ARTS on several of these programs and look forward to partnering with other national organizations for future program offerings. We've had participation from dancers, callers cuers from all over the world, sharing ideas, program guidelines and coping strategies.

Beyond The Dance Floor – It takes a lot of effort and organizational skills to keep our favorite activity alive and USDA is here to help. From bylaws to event planning, club officer duties, promotion, communications, newsletters, youth and handicapable programs – this series is designed to help groups across the country and across the World build and grow your clubs.

Obituaries

Thomas C. Miller

September 6, 1958 – March 22, 2025

We are saddened by the passing of caller Tom Miller, who died on Saturday, March 22, 2025, in Huntsville AL, following a lengthy illness. Tom was born in Spangler, PA to Albert & Virginia (Smithbower) Miller

Tom started square dancing at the age of 14 and made his hobby into his career of 52 years of calling. Besides his local clubs in Pennsylvania and Alabama, he traveled the U.S., Canada and Europe extensively, averaging 50,000 miles per year visiting 43 states, 7 countries and numerous square dance cruises. He was highly sought after as a caller for the WASCA Spring Festival (37 times), other major dance events, and National Conventions, Tom was also well-known for his crooning voice as a recording artist for Lou Mac Records, Kalox Records, Eureka Records, Hi Hat Records, and ESP Records.

His passion for square dance was not limited to dancing and calling. He also developed a love for teaching, and this is where his light shone extra bright. An Accredited Caller Coach, he had been teaching others to call since the mid-1980s Tom served on the CALLERLAB Board of Governors for many years. He touched the lives of many fellow callers and dancers over the course of his career, and his antics and pranks were legendary. He will be deeply missed.

Tom was scheduled to present the Keynote Address for the 74th NSDC in Shreveport, LA, on June 26. He was excited to discuss his proposed topic: “Leadership – Being Someone Who Makes Our Hobby Better.” Leadership was a subject that was dear to Tom’s heart. He firmly believed leadership is for everyone and led by example

In addition to square dancing, Tom loved spending time with his family, going fishing, and going for car rides to lookat wild life while eating ice cream.

Virgil Forbes

March 2 1949 — April 13,2025

From Ceder.net:

I've been calling since 1979. My home program clubs (all in Maryland) are: Swinging Squares, Fort Meade (1989); Harbour Squares, Annapolis (1993); Aqua Squares, Lusby (1998); Happy Squares, Essex (2009). I'm a member and past-President of the Square Dance Leaders of Baltimore, and a member and past-Chairman of the Board of Directors of the National Capital Area Square Dance Leaders (Washington DC metro area). I've belonged to Callerlab since 1985, with General Caller Accreditation since 1990 and Certified Square Dance Teacher since 2000.

Served in the U.S. Navy from 1967 through 1993. My first overseas club (as a dancer) was the Midnight Sundowners of Keflavik, Iceland. I have called dances in Spain, England, Phillippines, Singapore, and Australia, as well as more than thirty states in the U.S.

From Laura Vykol

13 April: Earlier today Virgil passed away. Matt and I had been with him in the morning, Jackie Hall, Darlene Kress and Frank Switzer were by his side, Frank sang Amazing Grace for him. I do not believe there will be a family gathering locally but you can be sure his square dance family will be holding a celebration of life for him. Arrangements will be announced soon.

21 April: Hello everyone, Virgil's Niece and one of his sisters were in town this week. I spoke to them about upcoming ceremonies for him. They're planning on having something with the Navy in this area, but don't know when yet. He will have some of his relatives and navy buddies coming for that. I am hoping to have a dance, dedicated to him at that time as well.They came to take his belongings and his ashes back to Arizona for burial in the family lot. Sympathy cards can be sent to his niece.

Loree Schader. 7620 East 42nd st, Tucson AZ 85730

When a formal obituary becomes available, I will send it to everyone. Virgil had a very interesting life. As many of you know he served many years in the Navy was stationed all around the world. He pursued his dance calling while he was in the Navy. He was married before and had two daughters, however, by the time they were 11, he was encouraged not to contact them. He has been estranged from them most of their lives. He was recently being reunited with his daughters and four grandchildren, thanks to the encouragement from his niece, Loree. That is why he wanted to go to Arizona when he was finished rehab to be reunited with them. They did talk on the phone, but we're never able to meet face-to-face before he passed.

Many of you are aware of his long-term relationship (39 years) with Peggy Lee, who passed away this past October. Virgil was an attentive caregiver to Peggy Lee in her final years. When we have our service ceremony for Virgil, we will make sure to include Peggy Lee, she was also very important person in the MDSDF history and organization.

Charlie served in the U.S. Navy during World War 2 in the Pacific and Korea with the Seabees and was honorably discharged at the rating of Carpenters Mate First Class. Many of our more experienced dancers may remember dancing with Chuck Ruby. He was a member of Friendship Squares. He was an active member and helped in prior Star Spangled Banner festivals.

Charlie is reunited in his passing with his dear wife, the late Cora F. (ne'e Patterson, 2012). He is survived by his devoted daughter Christine E. Formation Recognition & Caller Helper Words

It seems impossible. How could I have been writing this column for 10 years? Truly, I have no idea how many, if anyone, reads this column. But it is introspective for me and hopefully helpful – or at least entertaining for someone.

Coming up with topics is the hardest part. Fortunately for inspiration, I have my Taw, Trish, otherwise known as Commander-In-Chief, House (CINC House), and my Caller Coach, Bill Harrison, to keep me out of too much trouble.

My topic this issue is Formation Recognition and Caller helper words. Trish notes that my helper words are sometimes helpful, and other times not so helpful.

In general, helper words are designed to help the square succeed. Sometimes they are helping one (or more dancers) correct an error and get back in the right position. Sometimes they are not necessary at all. In particular, I don't like helper words like "boys run around a girl"; "girls run around a boy"; "centers run around the ends". Sometimes this is necessary in a singing call for timing. But in patter calling, dancers should know they are running around their partner.

When dancers make an error, some get very upset if they are singled out by name; they find it embarrassing. To avoid this problem, I try to comment on the formation and/or arrangement I'm expecting. This presumes of course, that the dancers know the formation I'm calling out.

Arrangements are fairly easy to understand as in "you are normal couple" e.g. a boy and a girl with the boy on the left, or the reverse "you are 1/2 sashayed"; "boys are together and girls are together"; "you are looking at the same sex"; "girls are holding left hands".

A bit harder for some dancers are formations. Some are easy "lines looking out"; "right-handed column"; "right hand waves with boys on the end"; "I'm looking for a diamond".

Then there are formations the dancers might have to think about some, examples are: "Double Pass Thru formation"; "Completed Double Pass Thru formation"; "Point to Point Diamonds".

Other helper words you may hear include "Boys facing in, Girls facing out"; or adjacent dancers like "boys are with boys, or girls are with girls".

As dancers, I encourage you to know the basic formations. I also encourage you to give your caller feedback on whether you find helper words, well helpful – which ones are helpful and which ones are not. (Hint: do this one on one NOT during the tip).

For more than you ever wanted to know about formations and arrangements download the Callerlab document:

The next WASCA Delegates meeting is May 18, 2025. Fifty clubs are currently members of WASCA. Many of our clubs will go dark for the summer while other clubs will still be dancing perhaps on a modified schedule. Check this issue out to see what clubs are dancing and be sure to call or email to make sure the Club is dancing.

We hope that you plan to dance this summer. You could attend the National Square Dance Convention in Shreveport LA to have the opportunity to take tours of LA and to dance to National callers. You might enjoy dancing to a caller who would be good to invite to the WASCA Festival. Please note that the caller must call from SSD to Challenge to be able to be invited to the WASCA Festival. Or you could attend the 60th Star Spangled Banner Festival with the theme "Celebrating 60 Years of Dancing and Friendship" The dates are July 17-20, 2025 at the DoubleTree Hotel by Hilton in Pikesville, Maryland,

Another fantastic Convention is the Tennessee Square & Round Dance Convention which will be held July 31, Aug. 1 & 2 2025 in Gatlinburg, TN. The website is https://www.tnsquaredance.org. The Pride Resort is a great way to get some dancing in. There are several weeks offered this summer at various dance levels. See Tony Oxendine's website at https://tonyoxendine.com/pride/

The 2024/2025 WASCA fiscal year is fast approaching its end. The 2025/26 club membership renewals are due by the end of May. If you need a membership form go to www.wascaclubs.org and fill out the fillable PDF membership form, save it to your computer with a new name and then print it out and mail it with a $25 check made out to WASCA and include a copy of your scheduled dances.. The information from the membership form will be used to enter the times the club dances; the location where the club dances; the caller and the cuer, and the clubs info contact in the WASCA Club Directory found in Calls 'n' Cues and on the Web. We also use the current information to get a contact email and phone number so we know how to contact someone if we or someone else needs information. The membership information and annual dues are needed to keep your insurance coverage current.

Is your club dancing this summer? If so, please let us know ASAP so that we can get the information in the Calls n Cues Directory and on the Web page. Please send us any email address, phone number, or postal address changes for your President (manager), Delegate, Alternate Delegate, or Information Contact. You can email them to membership@wascaclubs.com or call us at 703-217-1670 with your changes.

Please send WASCA Club Directory changes to

AQUA SQUARES

Paula Ropshaw

Hello from beautiful southern Maryland. OH MY… .what a wonderful festival. I'm sure a good time was had by all. I know our club had a spectacular time. Thank you to all the festival committee members that worked so hard to give us a good time. We took our usual club picture at the festival. Our class is flying through the calls every Friday night. It is so amazing to see families dancing together. Gary Felton and Bill Harrison are creating some wonderful dancers. We have 2 or 3 squares dancing during class and 2 squares during our plus dance time. We welcomed the Village Swingers at our club for a banner steal on Friday, April 11th. They came with 10 dancers and we had 4 squares on the floor almost all night. Now we have to get back our banner.

Aqua Squares
Village Swingers Steal the Aqua Squares Banner

Aqua Squares dances every Friday night at the Southern Community Center in Lusby, MD from 7:00pm-8:30pm for class and 8:30pm – 9:30pm for plus dancing. We dance all summer long on Friday nights – except July 4th – in the Southern Maryland Community center in Lusby, MD. Check our website for address and directions, or call us to make sure we are dancing. Come on down, we love company.

Below is a 'review' of the WASCA festival from a new dancer. This was their second festival.

We arrived Thursday early afternoon. Rikki had to leave Saturday, but I was able to stay until Sunday morning. Rikki volunteered at the Second Hand Rose on Friday. We both stopped at the Second Hand Rose two or three times over the weekend and came home with several items (some will need some repairs or rework, but well worth the savings). I actually was able to wear a couple of mine that weekend. We both enjoyed the dancing very much. I bumped into people that I had met at other dances which was fun. I met, and danced with the new President of Bee Sharps a club that meets in Bridgewater, NJ (about 45 minutes from where I grew up). I had never heard of them, but it looks like they were formed in 1974. He was asking about information on our club so I pointed out our president. The food situation worked out pretty good.

Can't wait until next year.

Experience the FUN, joy and camaraderie of square dancing without having to complete formal square dancing classes. The emphasis will be on "dancing" rather than "learning." A few calls will be taught and then danced in a simple pattern. New calls and choreography will be added as the dancers progress.

Need a valid health-related reason to try square dancing?

Here (paraphrased in part) is what *AARP research has found.

"…**you** can make a difference in your **brain's health**. …**MOVE** (exercise), **RELAX** (sleep enough and avoid stress), **NOURISH** (eat well), **DISCOVER** (think), and **CONNECT** (socialize)."

"What works best? …**DANCE**… It's FUN, it involves other people, it's exercise, it challenges you to learn patterns and movements."

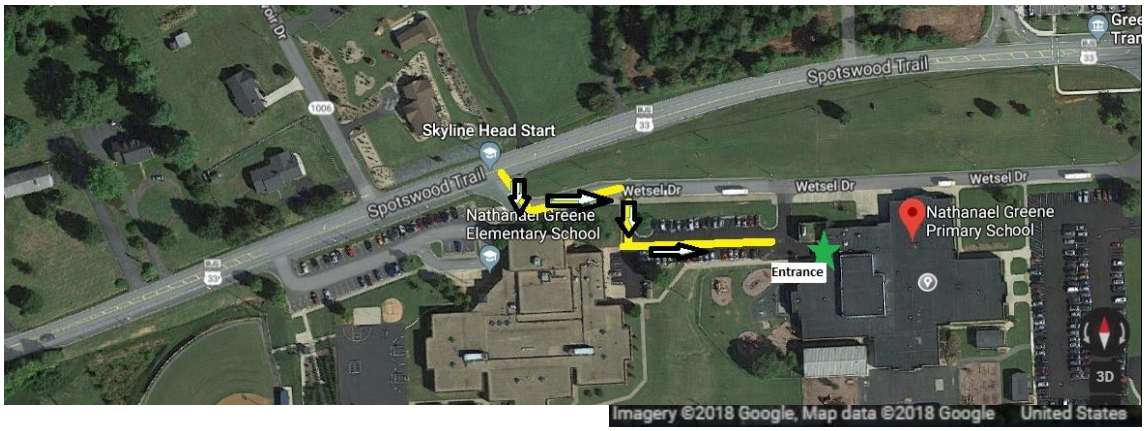
Directions and map



Note: Both 33 and Business 33 are called Spotswood Trail.

Coming from east of Stanardsville:

From 29, take 33 heading west toward Stanardsville. As you get to Stanardsville, continue straight onto the 33 Bypass. Turn right at the light at Celt Rd. Turn left onto Main St. (Business 33/Spotswood Trail).
From Business 33, turn left onto Wetsel Drive. There is a long left-turn lane. Look for the Cloverleafs sign. There is also a sign that says "Bus and Staff Entrance Only". Ignore that sign. Go past the Nathanael Greene Elementary School and take the first right into the parking lot. Look for the entrance to the cafeteria at the far end of the parking lot. It is behind the dumpster.

Coming from west of Stanardsville:

Take 33 heading east toward Stanardsville .
Turn left onto Business 33/Spotswood Trail. This turn is a little tricky because it comes just after a place where you can turn left into a country store, but it is well-signed.

KEYNOTE SPEAKER TONY OXENDINE

DATE:
Thursday, June 26, 2025

TIME:
10-11 am

LOCATION:
Level 1, Hall 2 (Auditorium), Shreveport Convention Center

The 74th NSDC thanks Tony for bringing Tom Miller's message to Shreveport!

Topic: Leadership - Being Someone Who Makes Our Hobby Better

What is leadership & what does it really mean?

What are the benefits of being a leader, both to you & those that you lead?
Leadership IS for everyone & being a leader doesn't have to consume your life.

Tony was introduced to square dancing in 1972 through a teenage square dance program sponsored by the local Parks and Recreation Department. In 1974 Tony attended Promenade Hall Callers College in Indiana where he first met Dick Jones. Tony was so impressed with Dick that he "borrowed" much of his style and started using this new style in his own calling. In 1980 Tony made calling his full-time career and he now travels almost 300 days annually doing festivals and dances all over the world. He routinely calls in over 30 states each year, and has called in all 50 states. Tony has also called in Canada, Saudi Arabia, England, Sweden, Germany, Japan, Holland, Denmark, Belgium, Czech Republic, Taiwan, Australia, Norway, and Austria. In 1985 Tony and Jerry Story founded Royal Records. Tony is an Accredited Caller Coach and an accredited member of CALLERLAB. He has served on CALLERLAB's Board, its Executive Board of Governors, and two terms as Chairman of the Board. In 2000, Tony received CALLERLAB's highest award - The Milestone.

Mike is frequently asked what is the dancing level for his cruises.

Here's the answer:

A survey will be sent to all signed up for the cruise (about 60 days prior to the cruise departure date) asking what levels you want to dance from SSD through C1 while on the cruise. NOTE: You will be asked to mark all levels you want to dance, not just one. The dance sessions will be scheduled accordingly.
