## ***The Changes They Have Come***

Yes, I know this issue is late. I returned from the National Convention in Shreveport last Monday and with all the news of and out of the convention it has taken me until now to include it in this issue.

The most significant news is the approval of the Callerlab proposal to eliminate the Basic1, Basic2 and Social Square Dance lists. This just eliminates the lists, it does not eliminate any calls. The "New Mainstream" list will include no more than 50 calls which means it will look a lot like the Social Square Dance list. The removed calls will probably be moved up to the "New Plus:" which will have at least 50 calls. That means about 6 calls will need to be added, probably taken from Advance.

What does that mean for us dancers. NOT MUCH. If you are an Advance or Challenge dancer there is NO CHANGE. Plus dancer you will need to learn a half dozen new calls, many of which you may already know from step cues. If you are a Mainstream dancer, you will no longer dance about 20 calls.

The one interesting scuttlebutt I heard is that there is a desire from some callers to include another "grand" call in Mainstream. The objective would be to have another 32-beat call for Singers, providing some relief from Grand Square.

For us here in WASCA this means we need to develop "New Mainstream" clubs, It will not be as easy for dancers to advance from Mainstream to Plus any more. By design, it will be harder for a dancer to learn Plus than it was to learn Mainstream. While one solution would be to have alternating "New" and "Old" Mainstream tips, a better solution would be to have "New Mainstream" clubs. With "New Mainstream" going into effect September 2026, we have about 18 months to address this problem.

The other bit of news from Shreveport is that the 2028 National Square Dance Convention will be held in Daytona Beach Florida. Give or take fighting I-95 that is closer than any of the current crop of convention sites. Even better is the possibility that 2029 will be in a "midwest state" and 2030 will be in Tennessee.

Whell that is all for this issue. Until next time

## ***President's Patter***

*Steve Cunnion*  
(WASCA President 2025-2026)

### **The Future of WASCA**

June First is when WASCA starts a new year and several board positions have changed. Bob Lawn is now past president replacing the Montgomery's. I am president with Lisa Alford as vice-president. Jan Frick has started as our first corresponding secretary. She will be responsible for WASCA's social greetings, congratulations, and condolences. Bill Houston has replaced Jan as WASCA Secretary. All other board positions remain the same.

My first act as president was the First Annual WASCA President's Picnic held on June 21. Chris Stacey was our caller and we danced mainstream and plus. Chris also provided an introduction tip for the children that attended. Although the day was extremely warm, 7 fans inside the pavilion provided a pleasant venue.

In the very near Future, I will be forming several new committees and invite anyone interested in serving to please contact me at (301) 275-9118 or [cunnion@gmail.com](mailto:cunnion@gmail.com). The areas I would like to see WASCA expand into are: helping clubs recruit new members, better communications among clubs and with WASCA, updating the Festival Red Book

(2001 edition), and updating WASCA by-laws to reflect the current situation.

In order to make WASCA as transparent as possible, all board and delegate minutes will be published on the WASCA website [wascaclubs.org](http://wascaclubs.org) and Call 'N' Cues [callsncues.cragg.info](http://callsncues.cragg.info).

On June 14th, Pat Marks, the new WASCA archivist, and I had the pleasure of dancing with the Paradise Shufflers in Pearl City, Hawaii.

**NCASDLA  
President's  
Message  
By Gary Felton**

It has been my privilege to serve as the president of NCASDLA for the past three years. My time at the helm seemed short sometimes, but sometimes it seemed like an eternity.

What does the NCASDLA president do? As a group, NCASDLA has concluded that callers need occasional face-to-face meetings. It falls to the NCASDLA president to organize both face to face meetings and Zoom meetings. Among other responsibilities, the president must set educational programs up; negotiate with the educational speaker(s), usually a well known, well traveled caller; and work the joint WASCA / NCASDLA Toys for Tots (T4T) dance. The president must make sure the sound equipment is at the T4T dance.

**What has NCASDLA done over the last few years?**

As callers' associations have diminished in number, NCASDLA has increased membership in both number and geographic reach. We are filling a need brought on by the contraction of the overall square dance activity.

Education for callers is tremendously important and NCASDLA provides continuing education opportunities for our members. No caller knows everything there is to know about calling. Every time I attend a callers' workshop, I learn something. More than 50 years of calling has taught me that I have a lot to learn.

NCASDLA has purchased new equipment to keep up with today's technology. The turntables of the recent past are out of date, no longer supported by their manufacturers, and don't provide as good a sound quality as we get from the current amplifiers.

I believe we have worked closer with WASCA than at some other times. We consult with WASCA

both formally and informally. The NCASDLA president and the WASCA leadership communicate frequently by phone and/or email.

NCASDLA callers have filled a few hours at the WASCA festival and one of the NCASDLA callers is often the backup caller for the festival.

Each year since the year before I became president, NCASDLA has put on a weekend educational workshop with callers that are both willing and skilled at teaching other callers. We have had Bill Harrison, Tom Miller, Ken Ritucci, and Tony Oxendine. This year in October, we will have Steve Kopman.

The president is ineffective without the help and support of others. Bill Harrison made the initial contact with most of the callers we hired for the educational programs. Dick Otis has created the flyers for the educational workshops, had them reproduced, and interfaced with the printer to get them distributed. Dick also arranged for the workshop venue. Bill Harrison distributed the flyers to his many electronic contacts. Doren McBroom made sure the various vendors and callers we worked with were paid in a timely manner. Eva Murray faithfully transcribed the NCASDLA meeting and developed minutes for them. I have benefited from the kindness of the Calls'N'Cues editor Ed Cragg. He is the wise owl that has forgiven me my tardiness in submitting my columns every two months.

I leave NCASDLA in the capable hands of the incoming president, Bruce Mitchell. NCASDLA Officers for the coming year (beginning July 1, 2025) are

President	Bruce Mitchell
Vice President	Gary Felton
Secretary	Ed Trevor
Treasurer	Dick Otis.

The new board of directors member elected this year is David Hartman.

The callers association still has room to evolve. The following are some of my thoughts on things that could be in NCASDLA's future. Our members are separated by fairly significant distances. That makes attending a callers' educational program difficult and a bit expensive. NCASDLA might want to consider developing one to two hour educational programs that can be video-cast and/or downloaded. This would provide education for the more remote (with respect to I-495) callers in our association.

Once the new program list is developed and completed in September 2026, there will be a group of new dancers coming on that may need dances at the new mainstream level (50 calls).

NCASDLA might be the organization to provide that dance. In general, NCASDLA should provide some leadership as well as education for the coming changes to square dancing.

Once or twice, it has been mentioned that the NCASDLA showcase that was once a dance event in the area should be resurrected. The organization should look at this and evaluate it. If it looks promising, it should be pursued.

As I leave office, I hope this organization continues to grow and develop and meets the needs of a changing square dance population and a changing square dance activity.

***Greetings, WASCA and MDSDF dancers***

You know it's summertime in the DC area when temperatures in June reach and sometimes exceed 90 degrees in a week long "heat wave". With temperatures and humidity at that level so early in the summer, we're thankful that we have AC in the venues open to dancing this summer. While many clubs go dark during the summer, particularly those that dance in local schools, several round dance clubs are expected to continue dancing in their regular year round facilities. In Maryland, the Filardo's will be dancing on Tuesday evenings, the Buchanan's on Thursday evenings, the Kncaid's on several Friday evenings, and the Shottings on a couple of Monday evenings. In Virginia, Christina Eum will resume dancing on Monday evenings in August, the Hopper's will continue dancing on Tuesdays in the Charlottesville area, the Buchanans on Wednesdays at the Lincolnia Senior Center, and the Ryders on Sunday evenings, Monday afternoons and Thursday evenings.

Summertime 2025 will also provide a number of special dancing opportunities..

July will offer additional round dancing special events with the 49th annual ICBDA Convention in Springdale, AR -- July 9-12. with the Shottings cueing and dancing along with several other RDTA members. In August -- August 2-7 -- several RDTA members and WASCA/MDSDF dancers will attend "the Institute" in Purdue University, W Lafayette IN.

Locally, you will not want to miss the 60th Annual Star Spangled Banner Festival -- July 17 - 19 -- at the same venue as last year -- the Hilton Double Tree in Pikesville MD. Come and enjoy " Cele-

brating 60 Years of Dancing and Friendship" with exciting music and outstanding round dancing with the exceptional national cuer staff -- the Blackfords, and the Worlocks -- and our own Amy and Ken Shotting.

Finally, you won't want to miss the RDTA annual Butterfly Ball on Saturday August 23 from 7-9:30 PM at the Lincolnia Senior Center. This phase II-IV dance, featuring five of your favorite RDTA cuers -- the Buchanans, the Kincaids, Christina Eum, the Shottings, and the Ryders-- will provide "cool" dancing in the air conditioned Mason Hall on its smooth wooden dance floor. A flyer and the dance program are included later in this issue. RDTA asks for a \$10 per couple donation. We look forward to dancing with all who can join us Saturday, August 23.

The end of summer will also provide opportunities to learn some new round dance rhythms or "brush up" on some rhythms you're still not fully comfortable dancing. The Ryders will be starting a new basic dance class in September and continue their Intermediate Workshop on Sundays at St Barnabas Episcopal Church. The Shottings will also be continuing their classes in September.

See the flyers later in this issue and other information available on current Round Dance classes in the section on Dance Classes in this Calls 'N Cues Issue and then check with one of the leaders holding a class convenient for you to see when they will be starting to teach a new rhythm.

Stay "cool" and healthy as we all enjoy our favorite "social contact sport"-- choreographed ball room dancing [aka "round" dancing] curing these "hot and humid" summer months.

## ***65 and Stayin' Alive***

### ***The Song***

The Bee Gees' *Stayin' Alive*, arguably their most recognizable song, was not scheduled for release, but in December 1977, fans of *Saturday Night Fever* trailers inundated radio stations with their requests for the song. The Bee Gees, composed of British brothers Barry, Robin and Maurice Gibb, wrote the song and co-produced it with Albhy Galuten and Karl Richardson. It climbed to number one on the US Billboard Hot 100 in early February 1978, staying on top for the next four weeks. The song was their second of six consecutive number one singles, when they tied the Beatles' record. (Whitney Houston eventually broke the record with seven). In 2004, *Rolling Stone* named it 189 of the 500 Greatest Songs of All Time; later, in 2021, they moved it up to 99. At the 1979 Grammys, "Stayin' Alive" won Best Vocal Arrangements for Two or More Voices, and three other awards, including Album of the Year.

Having decamped to the Château d'Hérouville studio near Paris for tax reasons, the brothers wrote the song in a few days while lounging on the staircase. Their manager Barry Stigwood, executive producer of the *Saturday Night Fever* soundtrack, asked them to record a few songs for the film, based on an article he read about "discomania" in New York. Neither the film nor the song bore the eventual title at first. RSO Records wanted both to be "Saturday Night," but the brothers refused, saying too many songs had "Saturday" in the title; besides, they'd already written a song named "Saturday Night." They dubbed their song "Stayin' Alive," and Stigwood expanded the name of the film by adding "Fever" to the end of his choice.

The track was completed at Criteria Studios, where Maurice laid down a bass line, Barry and Alan Kendall riffed on guitars, Blue Weaver added synthesizers and Boneroo Horns polished the sound. Barry sang falsetto on the entire song except the line "life's going nowhere, somebody help me." The band's drummer, Dennis Byron, left prematurely when his mother suddenly died. Due to the shortage of a qualified drummer, and after a drum machine proved unsatisfactory, Galuten got creative: he took two bars from the already-recorded *Night Fever*, re-recorded them as a continuous loop on a separate tape and continued recording. The band nicknamed the drum sound "Bernard Lupe" (an homage to session drummer Bernard Purdie). Lupe was in high demand until the joke was revealed.

***Galuten, about the drum track:*** "Barry and I listened carefully to find a bar that felt really good. Everyone knows that it's more about feel than accuracy in drum tracks. We chose a bar that felt so good that we ended up using that same loop on 'Stayin' Alive,' and 'More Than a Woman,' and then again on Barbra Streisand's song 'Woman in Love.' To make the loop, we copied the drums onto one-quarter-inch tape. Karl spliced the tape and jerry rigged it so that it was going over a mic stand and around a plastic reel. At first, we were doing it just as a temporary measure. As we started to lay tracks down to it, we found that it felt really great—very insistent but not machinelike. It had a human feel. By the time we had overdubbed all the parts to the songs and Dennis came back, there was no way we could get rid of the loop."

The song, which became a disco anthem and inextricably linked to the movie dance scene, tells about survival in a tough urban environment. The lyrics reflect the struggle against the challenges and pressures of life, particularly in a big city

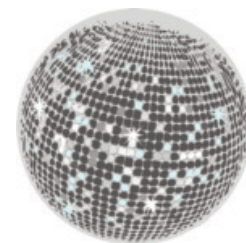

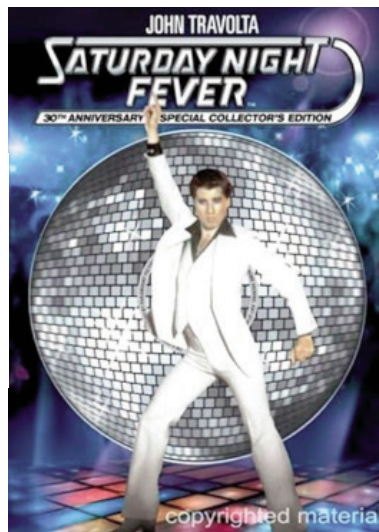

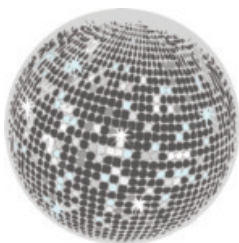

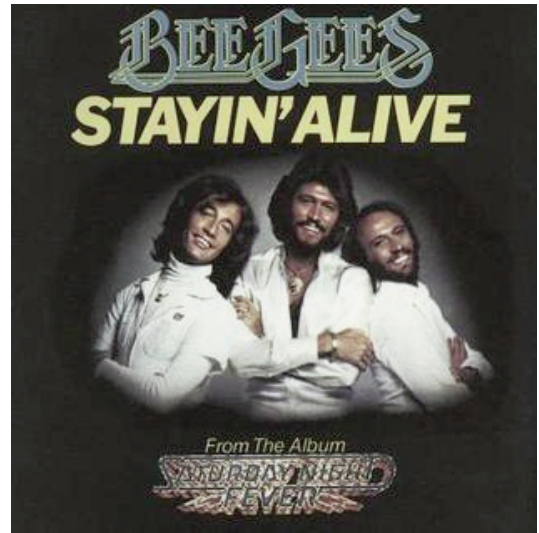

**Robin:** "The subject matter of 'Stayin' Alive' is actually quite a serious one; It's about survival in the streets of New York, and the lyrics actually say that".

**Barry:** "Everybody struggles against the world, fighting all the bullshit and things that can drag you down. And it really is a victory just to survive. But when you climb back on top and win bigger than ever before, well that's something everybody reacts to, everybody."

**George Martin** (*English record producer, arranger, composer, conductor, and musician; referred to as the "fifth Beatle" because of his extensive involvement in each of their original albums*): "The great thing about 'Stayin' Alive' is that it had a great guitar hook to start with which set up the theme, that pulsating beat. It's no coincidence, by the way, that the disco beat of 120 [sic] beats per minute coincides the heartbeat of your heart when you're excited. This was a key thing which underlined the whole tune, and when the vocals came in, the vocals were so designed that they pushed that beat further"

Barry is credited with writing parts of this song and three others, becoming the only person in history to write four successive US number-one singles. Billboard magazine called it "almost irresistible dance tune." Cash Box said it "combines catchy melodies, falsetto harmonies and a dancing beat in a package that will lead to big pop and R&B chart numbers." As an aside, CPR teachers sometime use the song to set the tempo for resuscitation.

Interestingly, the music video that accompanied the song release is not related to the movie at all. It was filmed on MGM's backlot on the Quality Street and Grand Central Station sets. For an authentic touch, the director instructed the band to walk past a railway car with "New York Central" printed on the side.

As we enjoy the warm summer days, excitement is building for the upcoming 2026 Virginia State Square Dance Convention! We will “Backtrack to a Throwback,” celebrating the vibrant decades of the past and all things retro. Mark your calendars for February 19-21, 2026! We will return to the Holiday Inn Virginia Beach/Norfolk, conveniently located off the interstate and not too far from the beach!

Our dedicated VASCA staff are returning, along with some special guest callers and cuers from other states. The convention is a great opportunity to dance with new leaders, experience introductions to new levels, and maybe attend a workshop that finally helps that one pesky call click for you! We also have some fun activities planned that you won’t want to miss. And who can pass up an opportunity to wear that pair of bell bottoms in the back of your closet?

As you attend summer festivals and community events, keep an eye out for our retro-themed displays! We encourage you to sign up for the convention or take flyers back to your home club. If your club is interested in hosting a booster dance, we would love to join you—please reach out!

We hope to see you at the beach, enjoying the sunshine as we celebrate together at the Virginia State Convention! Have a wonderful summer!

# See you in Waco

Visit the historic bridge and cattle sculptures

Waco's Historic Suspension Bridge was the longest single-span suspension bridge west of the Mississippi when it was completed in 1870. The cattle sculptures commemorate the bridge's historic role as a Chisholm Trail crossing over the Brazos River.

The bridge is now pedestrian-only and is the site of many community events and festivals.

The old suspension bridge connects the Waco Convention Center to three new hotels on the other side of the Brazos River. The hotels are the Cambria, the Even and the Holiday Inn Express.

People's bodies can respond to high altitude in different ways. Altitude sickness typically occurs only above 8,000 feet. Loveland Colorado is at an altitude of just under 5,000 feet where the risk is much less. However, at this altitude people who have ascended rapidly may experience some symptoms which include headache, dizziness, feeling chilled, trouble sleeping, loss of appetite, nausea, fatigue, and irritability.

## **Here are 5 tips to prevent the effects associated with activity at Altitude**

### **1. Give Yourself a Grace Period**

Allow your body some time to adjust to the elevation gain. If traveling by car, consider an overnight stay at an intermediate altitude. When booking your travel by air add an extra day or two before the convention to help with the adjustment process.

Loveland is just under 5,000 feet above mean sea level, slightly lower than Denver at 5,280 feet. It can be very helpful to have an extra day or two to allow your body to adjust to the differences between this altitude and sea level.

### **2. Do some light exercise Immediately**

An easy, 30-minute walk as soon as possible once you arrive allows you to get a taste of what you're in for and re-energizes you from the travel.

### **3. Engage Breathing Techniques**

One of the first things you'll notice at high altitude is the need to breathe faster and deeper, as your body needs to take in more air to get the usual amount of oxygen. This can result in a general shortness of breath feeling that can last the first two to three days and is (surprisingly) not amplified with exercise.

If you are gasping for air during initial high-altitude exercise, first relax your jaw because that calms down a lot of other muscles connected to the rest of your body. Then breathe out with an "ssss" or "th" sound, which helps open the vocal chords. This technique is especially effective during high-intensity workouts that generate lactic acid quickly.

### **4. Hydrate—Within Reason**

Your body naturally dehydrates at high altitude, stressing the importance of monitoring hydration levels and adjusting water intake accordingly.

On the flip side, don't drink too much water, which dilutes sodium levels and can increase risk of hyponatremia, a condition that's easily confused with altitude sickness. In reality you only need an additional liter to a liter and a half of water per day at altitude.

## 5. Pace Well

If you try to exercise at the same intensity at high altitude that you do at sea level, you are at a much higher percentage of your maximum effort and will tire much quicker.

Summary: Take the first couple days at altitude especially easy. Understand—and accept—the fact that the altitude decreases your aerobic abilities and dial back your exercise plan and/or dance goals accordingly. Mild symptoms can be treated with Tylenol and Gatorade or other electrolyte replacement. Take advantage of opportunities for educational training, exhibitions and events, or local bus tours to break up all that dancing. Some simple steps will help you have a great time at the 76<sup>th</sup> National Square Dance Convention® in Loveland Colorado, elevation 4,998 feet above mean sea level. Come enjoy the breathtaking scenery and Dance with us in the heart of the Rockies.

### **CALLERLAB Membership Approves New Program Policy Statement**

Effective Immediately • Transition Phase Underway  
Full Implementation by September 1, 2026

In a vote of **336 to 112**, CALLERLAB members have officially approved a revised Program Policy Statement as of **May 29, 2025**. This resolution introduces a simplified Program structure, including a newly defined entry-level program and a streamlined path forward for modern square dancing.

The most significant change in Draft E is:

- 6. Dance Program size is determined by the committees, with the following exceptions:
  - a. Mainstream – Must be less than or equal to 50 calls
  - b. Plus – Must be 50 calls or greater

#### **What This Means for You, Your Club, and the Future of Square Dancing**

This is not a “flip-the-switch” moment. While the policy is now official, we are entering the TIPPP — the “Transitionary Implementation Phase of the Program Policy.” Over the next 14 months, CALLERLAB leadership, committees, and members will collaborate to finalize resources, establish teaching orders, and prepare for a worldwide implementation date of September 1, 2026.

What Happens During TIPPP?

- Finalize a new entry-level 50-call Mainstream list and subsequent 50-call Plus list
- Develop a recommended teaching order and full caller playbook
- Update all existing documents with expiration dates and timelines
- Actively involve clubs, callers, and dancers in the transition

## What's Happening Now?

- A new Mainstream Committee has been formed by merging members from the Basic, Mainstream and Social Square Dance Committees.  
▶ [Join a Committee](#)
- Committees will collaborate to build the new program structure.
- Legacy documents will be marked with expiration dates and updated as new resources become available.

## Stay Connected

- A dedicated webpage will offer updates, draft documents, a roadmap, and FAQs: [callerlab.org/tipp](http://callerlab.org/tipp)
- Sign up for email updates
  - Members will automatically receive any notices first via the e-news blast
  - Non-members may sign up to receive email updates here: [callerlab.org/2025subscriber/](http://callerlab.org/2025subscriber/)

We thank every member who participated in the discussion and vote. Your voice is helping shape the future of square dancing.

# The United Square Dancers of America's Zoom Series

## *Beyond the Dance Floor*

**Dancing!** — While we are so excited to be back dancing after the Covid epidemic, we lost many of our dancers, clubs, callers, and cuers during that time. The great news that came from the pandemic is how well the square dance community all over the World has adapted to and benefitted from the challenges we've been facing and continue to face. How have we benefitted? Remote networking platforms such as Microsoft Teams and Zoom have introduced us to new friends and dance experiences we might never have enjoyed before — from Zoom dance sessions with international participation to opportunities to participate in State, National and International dance events, conventions and workshops.

In October of 2020 the **United Square Dancers of America — USDA** — your National dancers' organization, introduced a monthly series of web-based programs via *Zoom* to support clubs on the business and marketing end of our activity. The programs were used to introduce more dancers across the country to who/what USDA is, the programs and services we provide, and a way to keep square and round dancing in the forefront of people's thoughts even if they weren't able to get together on the dance floor. Since the introduction of the initial workshops, topics have evolved to include Marketing & Promotions, the SSD dance program, square dance resources, promotional information about our National Square Dance Conventions, Social Connections and the recruitment and retention of callers. We've been lucky enough to partner with CALLERLAB, ROUNDALAB and ARTS on several of these programs and look forward to partnering with other national organizations for future program offerings. We've had participation from dancers, callers cuers from all over the world, sharing ideas, program guidelines and coping strategies.

**Beyond The Dance Floor** – It takes a lot of effort and organizational skills to keep our favorite activity alive and USDA is here to help. From bylaws to event planning, club officer duties, promotion, communications, newsletters, youth and handicapable programs – this series is designed to help groups across the country and across the World build and grow your clubs.

## Penelope Johnson

May 16, 1940 - May 20, 2025

It is with great sadness that we pass on the news that Penny Johnson, our past Bizzy Bees co-president and friend, passed away yesterday in Orlando, Florida. Penny and her husband Karl led the Bizzy Bees as co-presidents for close to two decades until health issues led them to retire to Orlando in 2019 to be close to one of their sons. She had been in declining health for some time. Karl survives her. We will pass on details concerning funeral or memorial arrangements when we learn them.

# Joseph Robert Corson

July 25, 1939 — May 15, 2025

Joseph Robert Corson was born in Takoma Park, MD; his parents were Ernest Haines Corson, Jr. and Elinor Alice Goodacre. He had three younger brothers: all are also deceased.

At the tender age of 7, Joe's Mother died, and he and the two older brothers were placed in the Milton Hershey School in Hershey, PA. The baby had to be four years old before he could enter Hershey. The Hershey school, at that time, were all boys, not only did the boys receive an education but also had to work on the farms that were near the homes where the boys lived with two house parents. One set were the farmers and operated the barns with the dairy cows and the others-maintained order in the homes. Joe was small and didn't like the barn work and realized that he could join the band and get away from the cows. So, he learned to play the trumpet and the flute for the school's Spartans Marching Band. He also was involved with many school projects for their Science Fairs. The Spartans commit to Integrity and Perseverance, getting up when you get knocked down. Those are life values, not just Milton Hershey School sacred values.

During the summer after high school graduation and before starting his studies at Johns Hopkins, Joe pushed a broom at a New Jersey Bell office where many switchboard workers labored. He also had a job riding a bicycle in the Ocean City, NJ area delivering telegrams. But gave that up when the driver opened his door before he looked and Joe went over the handle bars.

After Joe left Hopkins, he worked for C&P of Maryland where he met his wife, Stephanie. They were introduced to each other by friends at work and dated on weekends for over two years before they were married. They have two sons, Robert Joseph and Stephen Ernest. Joe was involved with the CYO program when his sons were younger. He wanted them to be well rounded and enjoy life. Both boys enjoy reading. Joe always had several mystery books from the PG Library on a table in their home. Although his method of teaching them some of life's difficulties could have been better, he only wanted for them grow and be honorable men. When one of them wanted an allowance, he was told to earn it. Thus, Lanham got a teenage boy with a lawn mower and money was earned.

Getting involved was always part of their lives. After being reassigned to another job location, they became members of St. Matthias parish. Joe joined the Knights of Columbus and later the Fourth Degree; he was very active as the Knights' Treasurer for many years.

Joe worked 38 years as a System Analyst for what became know as Verizon. After he retired, they began new adventures. They volunteered in Baltimore at Baltimore Centre Stage and started Square Dance Classes. Square Dancing enriched their lives. They made many new and dear friends who became an extended family. As usual they didn't just join. They became angels for the new students and over the years worked on many committees and held offices with the Belair Square Cats and the WASCA organization. Over the years they have taken Round Dance classes as well. What wonderful times they had. In 2006 Joe and Stephanie received the WASCA Dancer Appreciation Award and in 2010 they were elected President of the WASCA Board of Directors.

Joe had a very dry sense of humor. One time when he was dancing ARKY, he was going in the wrong direction and his partner was correcting him. His answer was that's OK, I'm not used to going in two different directions at one time.

Stephanie requested in lieu of flowers, donations can be made to the Academy of St. Matthias the Apostle school in Lanham in honor of Joe.

# Norva H. Pope

June 30, 1928 - May 26, 2025

Beloved matriarch, dedicated community member, and spirited square dancer, Norva H. Pope, passed away peacefully in her home at Brightview Assisted Living in Severna Park, Maryland, on May 26, 2025, at the age of 96.

Born on June 30, 1928, in Thurmont, Maryland, Norva was the cherished daughter of Charles Spencer Harrison and Emma Fredericka Harrison. She grew up surrounded by the love and values instilled by her parents building the foundations of a life rich in community involvement and family devotion.

Norva graduated from Glen Burnie High School in the mid-1940s. Later she began a career as a Production Planner at Baltimore Aircoil Company. Her dedication and expertise spanned over four decades, leading to her retirement in the 1990s. Alongside her professional career, she was the proud owner of Money Matters, providing tax and bookkeeping services to her community until 2022.

Norva's life was not only defined by her career but also by her vibrant involvement in various social and philanthropic communities. A faithful member of Eastern Star Highland Chapter #33, she proudly served as Worthy Matron. Her passion for square dancing was legendary; she was actively involved with the Friendship Squares and Four Counties Square Dancing Clubs, among many others. Norva's love for the dance took her to leadership heights when she co-chaired the 49th National Square Dance Convention in Baltimore City in 2000. She was also a lifelong and dedicated member of Jenkins Memorial, a Church her father had founded and where she served for many years with passion.

Family was Norva's greatest joy and priority. She is survived by her devoted children: son Charles Clow and his wife Paula, daughter Judy Willey and her husband Don, and son Robert Pope. Her legacy includes numerous grandchildren and great-grandchildren who will continue to honor her memory.

Preceding her in death were her first husband Charles Henry Clow, her second husband Joseph Thomas Pope, her beloved sister Caroline Grabill, her son Joseph Pope, and her grandson Jeremy Pope.

Norva will be remembered for her zest for life, her love of bowling, square dancing, RV camping adventures, and the countless lives she touched with her kindness and generosity.

In lieu of flowers, the family graciously requests donations be made to Mercy Health Foundation by clicking [HERE](#) a charity of your choice, in keeping with Norva's lifelong dedication to community and the welfare of others.

Norva H. Pope leaves behind a legacy of love, commitment, and service that will be cherished and remembered by all who were blessed to know her.

# Edith Marie Myers

September 5, 1936 - June 4, 2025

Edith Marie Myers, 88, of Hanover, PA passed away on June 4, 2025. She was the daughter of the late Clifford and Helen (Shoemaker) Gray.

Edith was born in the first farm house owned by her father, Clifford T. Gray Sr., on Burntwoods Rd. in Howard County MD. Then grew up on the second farm on Pfefferkorn Rd. in West Friendship, MD. Where she met her late husband, George Vernon Myers, they remained happily married for 67 years. Marrying three months after graduating from high school.

Edith was a very active homemaker with lots of talents. She had quite the green thumb - working with George landscaping their home properties and having a huge vegetable garden every year. She got great joy from canning and freezing the produce from their gardens. Having learned these preservation skills from her mother on the farm, she was proud to share that knowledge with one of her daughters and two granddaughters. As they downsized their homes, she downsized her vegetable gardening as small as pots on the patio. Her love of houseplants was even bigger than her love for growing vegetables. Violets, gardenias, orchids, Hoyas, holiday cacti, and so many others adorned the biggest windows of her homes.

Edith and George were avid square dancers, traveling all over Maryland and Pennsylvania. They served as officers of both the Prettyboy Swingers Square Dance Club and the Mason Dixon Square & Round Dance Association (MDSDF). They also served as Directors of the Maryland State Convention Festival for four years.

Edith was a woman who loved the Lord. Through the years, she led Women's Bible Studies in her home, sang in the church choir, and taught Missionettes (a program for young girls in the Assemblies of God.) Most of all, her family was most precious! She loved hearing what each one was doing and went to their activities and functions as much as she was able. They were her legacy and the joy of her life.

Surviving are her two daughters, Sandra Lynch and Donna Hendrix; son, Timothy R. Myers and wife, Cynthia Myers; three granddaughters, Heather Conrad, Jessica Hendrix, and Rebekah Myers; three grandsons, Kenneth Lynch (III), Jacob Myers, and Jeshua Myers; seven great-grandsons, Trenton, Aidan, Landon, Jackson, Tatum, Garrett, and Callen; and three great-granddaughters, Heidi, Holly, and Gemma. She was predeceased by a son, George Vernon, Jr. as well as a son-in-law, Kenneth Leo Lynch, Jr.

## *Formation Recognition & Caller Helper Words*

Welcome to the dog days of summer. What Are the Dog Days of Summer anyway? This period of sweltering weather coincides with the year's heliacal (meaning "at sunrise") rising of Sirius, the Dog Star. Sirius is part of the constellation Canis Majoris—the "Greater Dog"—which is where Sirius gets its canine nickname, as well as its official name, Alpha Canis Majoris. Sirius is the brightest star in the sky, not including our own Sun.

What does this have to do with Square Dancing? OK not much. But most clubs go dark in the summer. School is out, days are hot, people tend to go on vacation and square dancing tends to slow down as a result.

But we can take this time to learn and practice. There are still some clubs that dance and of course there is the annual Star-Spangled Banner Festival this month, July 17-19th in Pikesville, Maryland (<http://tinyurl.com/2025SSBF>).

Choreo Corners topic this month is parsing calls for the term "chain" - which occurs in many square dance calls in several programs. Chain basically means two or more people are trading places in the center of formation on their way to someplace else.

(1) In your very first Basic lesson you will experience the call "Ladies Chain". It could be the Head Ladies Chain, or All Four Ladies chain. For this call 2 (or 4) ladies come into the middle with a right-hand star and trade (1/2 unless otherwise directed) to the opposite man who, in this case, courtesy turns the girls.

(2) Your next call is Chain Down the Line. For this call, the Centers Turn 1/2 (by the right), or "chain" while ends adjust as necessary. Then the ends Courtesy Turn the centers to finish in Facing Couples.

(3) In addition to being part of a Mainstream call, "chain" is also used to describe a formation. In this case, it's part of the "Eight Chain Thru" formation. Note: you can do the call Eight Chain #, where # is any number but typically 4 or 8. The definition of Eight Chain is kind of strange, but basically each move has two parts, either a Pull By (which is the chain) or a Courtesy Turn when the couple is not facing anyone.

All Right Pull By (Eight Chain 1 has been completed)

Centers Left Pull By while the ends Courtesy Turn (Eight Chain 2 completed)

All Right Pull By (Eight Chain 3 has been completed)

Centers Left Pull By while the ends Courtesy Turn (Eight Chain 4 completed)

(4) Your next chain call is Spin-Chain-Thru. This call has three components which are in the name of the call. The "Spin" part, eg the center and ends trade and the new centers cast off  $\frac{3}{4}$ . The "Chain" part, e.g. the very centers trade, and the Thru part where the 4 in the center Cast Off  $\frac{3}{4}$ .

(5) Moving to the Plus list, the next call is Tea Cup Chain. It's a long definition which I'm not going to repeat here. But in general, the Head ladies are chaining in the middle, either  $\frac{3}{4}$  chain if a right-hand star, or  $\frac{5}{4}$  chain if a left-hand star, while the side ladies go to the head man where they become the head ladies going into the center. This is quite bit like the Basic "Head Ladies chain", except it alternates hands for the chain, and the Side Ladies are also involved

(6) There are two more “Chain” calls at the Plus level, Spin Chain the Gears and Spin Chain & Exchange the Gears. The Spin-Chain is the same as previous calls, but now we get to create and turn “The Gears”.

For Spin Chain the Gears, after the Spin-Chain part (centers and ends trade, centers Cast Off 34 and the very centers chain – just like the mainstream call), the End dancers flip into the center of each box to form the “gears”. The 4 person gear turns 3/4, there is another very center trade and the centers cast off 3/4 again, while the end dancers flip out of the gears.

Spin Chain & Exchange the Gears is similar except for after the very center chain, the gears turn 3/4 and then unwind to the other side.

I’m not going to go into more detail but at the Advance and Challenge level, there are more calls that include the “chain” concept. To conclude, “Chain” is one of the core moves that you will encounter in our Square Dance programs.

*Enjoy your summer and be sure to keep dancing as much as you can until the fall season begins.*

Fifteen clubs have not submitted their club dues for 2025/2026 as of this article (6/15/2025). The membership fee helps with WASCA expenses and insurance coverage. According to the Bylaws, Article III Fiscal Matters Section 4 Payment of Dues – “Annual dues for each fiscal year shall be paid by the first day of June. Until dues are paid, a member is not in good standing and is not eligible to receive Association benefits.” If your club has not yet submitted its membership renewal form please do so at once. You can mail them to us. Our address is listed on the membership form.

If you need a membership form go to [www.wascaclubs.org](http://www.wascaclubs.org) and fill out the fillable PDF membership form, save it to your computer with a new name and then print it out and mail it with a \$25 check made out to WASCA. The information from the membership form will be used to enter the times the club dances; the location where the club dances; the caller and the cuer, and the clubs info contact in the WASCA Club Directory found in Calls ‘n’ Cues and on the Web. We also use the current information to get a contact email and phone number so we know how to contact someone if we or someone else needs information.

If your Club has any changes over the summer, please send them to us by July 10 or as soon as you have them. If you have any comments about membership, the Club Directory, or the web site please email them to [membership@wascaclubs.com](mailto:membership@wascaclubs.com) or call us at 703-217-1670.

There will be three Delegates’ meetings in fiscal 2025/2026. Please mark your calendars now so that you have the dates available. The first is September 28, 2025. The Second meeting will be February 15 2026 and the third will be May 31, 2026. All meetings will be on Zoom. Delegates should receive the meeting agenda and past minutes from the WASCA Secretary a week or so before the meetings.

This is the summer issue of Calls ‘n’ Cues. Its hard to believe that the year is passing so quickly. We are looking forward to the National Square Dance Convention which will be held in Shreveport, LA from June 25 thru June 28 2025. The National Square Dance Convention is always a lot of fun with many tours offered and a lot of dancing. WASCA will have a display in the Showcase of Ideas so plan to stop by to see it, and consider volunteering an hour to talk to others interested in the WASCA organization and invite dancers to the 2026 WASCA Spring Festival.

## AQUA SQUARES

*Paula Ropshaw*

Hello from beautiful southern Maryland. School is getting out and the summer is in full display. Pools are open and parents are wondering what they are going to do with their kids for the next 2 months. We are so lucky that our community center is open all summer and we get to dance every Friday night all summer long. We had our annual ice cream social on Friday the 6th. We have to thank the Mary and Bernie Ridgell for making sure LOTS of ice cream made it to the dance still frozen. We headed north and took back our banner from the Vil-

long drive but well worth it. We had our annual club picnic on Saturday the 14th. It was hosted, once again, by Rita Reeves in her gigantic garage. There was a food offering worthy of a five-star restaurant. Good times and good food was had by all. Some sad news for our club. The Whistler family - Jonathan and Mollie Whistler, Ashley, Nathan, and Andrew - are moving to Texas. They will be missed. We wish them well and we hope they find a square dance club in Texas. We dance every Friday night through the summer. Class from 7:30-8:34 and plus dancing from 8:45 to 9:30. Come on down, we love company.

The Star Spangled Banner Festival is celebrating its 60th year with a Diamond Jubilee theme. Experience the FUN, joy and camaraderie of square dancing without having to complete formal square dancing classes. The emphasis will be on "dancing" rather than "learning." A few calls will be taught and then danced in a simple pattern. New calls and choreography will be added as the dancers progress.

### **Need a valid health-related reason to try square dancing?**

Here (paraphrased in part) is what \*AARP research has found.

“...**you** can make a difference in your **brain’s health**.

...**MOVE** (exercise), **RELAX** (sleep enough and avoid stress),  
**NOURISH** (eat well), **DISCOVER** (think), and **CONNECT**  
(socialize).”

“What works best? ...**DANCE**... It’s FUN, it involves other people, it’s exercise, it challenges you to learn patterns and movements.”

**Mike is frequently asked what is the dancing level for his cruises.**

**Here's the answer:**

A survey will be sent to all signed up for the cruise (about 60 days prior to the cruise departure date) asking what levels you want to dance from SSD through C1 while on the cruise. NOTE: You will be asked to mark all levels you want to dance, not just one. The dance sessions will be scheduled accordingly.
