## *The New Dancing Season Is Here*

It is September and if you check the Calendar of Events in this issue you will find a lot of "Welcome Back" dances. Years ago (back when I started dancing) Summer dancing was rather slim. A few clubs danced year-round but most closed for the summer assuming people would be going to one of the many festivals. Even though there are still the summer festivals, summer dancing has improved. This past summer several clubs offered a summer dancing series. There was almost as much dancing as during the "Dancing Season Kopman

Now days Fall dancing is notable for national callers visiting the WASCA region. Mike Sikorsky will be calling for several clubs in the area and Steve Kopman will be visiting for an NCASDLA caller education weekend and calling for the Merry Notes.

One club I recently became aware of is Charlie's Angels, a youth club operating in the Cartlett, -Warrenton - Gainesville, area. They will have Mike Sikorsky call on October 3. I am hoping to attend that dance.

WASCA theme and VASARDA booster dances are being front loading these days. There are a couple of dozen scheduled for September and October this year. These are a good opportunity to visit clubs you don't normally dance with and see dancer other than at VASARDA, WASCA or SSBF. Most clubs put out a good spread and there are more dancers than usual, all making for a good dance.

In other news the Callerlab project to redefine the lists below Advanced is proceeding. A committee to define a "New Mainstream" has been established and is scheduled to have the list in the next month or so. After that a group will work on instructional materials to be ready for classes beginning in September 2026.

Whell that is all for this issue. Until next time

## ***President's Patter***

*Steve Cunnion*  
(WASCA President 2025-2026)

**It's Very Quiet here at the Top;  
Please reach out.**

As your president since June, I have heard barely a peek from the delegates or the club presidents/owners. It should not be this way. We should be communicating about square dance classes, special events, and what is happening at your clubs. Unfortunately, what we do hear is mostly about our fellow dancers' deaths and illnesses.

WASCA wants to help in any way we can. The festival made enough money to help promote activities as well as recruitment efforts. We can help you and your clubs but first we need your ideas. Are there ways WASCA can help you and your clubs?

Having gone to many WASCA theme dances last year I met some wonderfully enthusiastic folks. I will visit again at theme dances this year and want to exchange ideas about how WASCA can help you and how you can help WASCA. Don't wait to reach out at a theme dance; email me at [President@wasca.org](mailto:President@wasca.org)

One of the problems I noticed during delegate meetings is there is a real problem getting a spokesperson for each club. Sometimes one person represents 3-5 clubs. Back when the meetings were in person I could see why this occurred. Some clubs are more than an hour's drive to where the meetings used to be held. Now that we meet electronically (ZOOM will be our new format), I would like to see each club represented by one of their own members. I understand some of the clubs are small and some members won't have good internet service, but we have to try. WASCA exists for the clubs, and we need your input. YOU are WASCA. The board is here to work for you.

A promotional poster for WASCA's 2026 festival. The background is purple with a globe graphic. Text includes: 'SOLD OUT in 2025' in a yellow box, 'WASCA'S 2026' in large white letters, '65 and Stayin' Alive' in a cursive font, 'MARCH 26 - 28, 2026', 'HILTON WASHINGTON DULLES AIRPORT HOTEL, HERNDON, VA WASHINGTON AREA', and 'SQUARE DANCER'S COOPERATIVE ASSOCIATION'S 65th SQUARE AND ROUND DANCE FESTIVAL'. A yellow box in the top right says 'Register TODAY for 2026!'.

### Greetings, WASCA & MDSDF round dancers

We enjoyed dancing with many of our WASCA and MDSDF dancing friends at the Star Spangled Banner Festival this past July and hope everyone had a great time at the various other special dancing events available this summer. With Labor Day upon us and September at hand, we can now anticipate returning to outstanding dancing at our local round dance clubs. In Maryland, the Filardos will be dancing on Tuesday evenings, the Shottings on Sunday and Wednesday evenings with special dances on selected Saturdays, the Kincaids on alternative Friday evenings and the Buchanans on Thursday evenings. In Virginia, Christina Eum will dance on first Friday evenings, the Buchanans on Wednesday evenings at the Lincolnia Senior Center, the Hoppers on Tuesdays in the Charlottesville area, the Springers in the Richmond area, the Croffords in the Newport News area on Thursdays and the Ryders on Sunday evenings, Monday afternoons and Thursday evenings in the Springfield and Annandale areas. In addition, the Ryders will continue their Monday night virtual dance.

It was simply stupendous to see and dance with all our WASCA and MDSDF round dance friends who were able to join us at the RDTA annual Butterfly Ball on Saturday, August 23, at the Lincolnia Senior Center. We know the dancers thoroughly enjoyed the phase II-IV dances presented by Barbara Buchanan, Christina Eum, Peg Kincaid, Amy Shotting and Ken Ryder. Special thanks to Berni Ryder for organizing the refresh-

ment table. With all those tasty treats the cuer staff brought for everyone to enjoy, dancers had scrumptious goodies to savor while taking their breaks from the two and one-half hours of outstanding dancing. It was a great party time that everyone enjoyed.

RDTA plans to hold their annual Autumn Leaves Ball on the third Sunday in October -- October 19 -- at the Westowne Elementary School - 401 Harlem Lane, Catonsville MD. This dance will have two halls to accommodate phase II-IV and IV-VI dancers. See the flyer later in this issue. We'll also distribute the flyer electronically through both the MDSDF and WASCA dancers portals,

As we resume dancing with our various clubs this fall, there are also opportunities for dancers to consider taking some round dance lessons to learn a new rhythm, a different activity, or "brush up" on some rhythms you're still not fully comfortable dancing. The Shottings will be holding a beginner class on Monday evenings in MD; the Ryders will be holding a beginner class on Sunday evenings in VA. See the information available on all current Round Dance classes or workshops in the section on Dance Classes later in this Calls 'N Cues Issue and then check with one of the leaders holding a class convenient for you to see when they will be starting to teach or review a new rhythm.

We look forward to seeing and dancing with all our MDSDF and WASCA round dancer friends as they enjoying the return to local round dancing this fall.

## 65 and Stayin' Alive

### Disco Dressing

If other WASCA Festivals are any indication, dancers will go 'all out' when dressing for the 2026 Festival disco party! Below are some suggestions to get creative juices flowing.

#### Dress to impress

Disco clothing is NOT shy; it's loud, glittery, flashy and glam. Women stand out in brightly patterned dresses with lots of dangly jewelry, while hip hugger bell bottoms are de rigeur for men. Animal prints are popular with both genders, along with platform shoes and cowboy hats. Appropriate colors are bright pink, orange and purple; silver and gold lame steal the spotlight. Go wild with fur and leather; adorn your hair, necklines, belts and shoes with rhinestones and sequins. A boa and funky glasses complete the look so no holding back!

### Be a Head Case

Dressing for disco success isn't complete without a matching hairstyle. If you have it, flaunt it: long, lush locks, curls everywhere. Women's styles range from full and frizzy to long and loose; Elvis and Dennis Rodman inspire the male coterie. Again, color is important, the brighter the better.

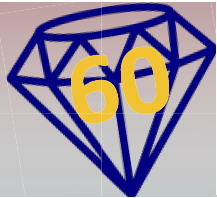

### Accessorize, accessorize, accessorize

Boots, preferably platform (possibly removable for dancing), jewelry and sunglasses add a certain panache to the disco dancers' feet.

*The Star Spangled Banner Festival*  
*Celebrates 60 Years of Dancing & Friendship!*

## Hello Dancers

A shout out to all the dancers that attended the 60th Star Spangled Banner Festival, “Celebrating 60 Years of Dancing and Friendship”, held this past July, in Baltimore, Maryland. It was a roaring success with over 340 dancers!! The special surprise of having Alexis Davila interview us live Friday morning for Channel 13 was a huge kudos for the world of Square Dancing. Alexis held two interviews with staff and the photographer took lots of live dancing video to keep showing throughout their news spots. To view for yourself go to our website [www.marylandsquare dancing.com](http://www.marylandsquare dancing.com). It is at the top of the Home page.

Many thanks to everyone who supported our 50/50 raffle, Second Hand Rose shop, and purchased SSBF T-Shirts and earrings. A special dose of APPRECIATION goes to all the committees and individuals who supported us throughout the festival, and sacrificed their own dance time to do so.

Our heartfelt appreciation goes out to our fabulous callers and cuers who kept the dancers moving and smiling the entire festival!

Bill Harrison, Jet Roberts, Ken Burke, Ken Ritucci, Mike Seastrom  
Barbara & Wayne Blackford, Curt & Tammy Worlock, Amy & Ken Shottng  
Hex: Chris Schlitter, Line: Jen Lins, Clogging: Strosnider & Grassi

“What I loved best about the festival wasn’t about the theme, outfits, decorations, etc. (although they were terrific). It was simply the fact that EVERYONE was dancing and having a great time. You could see on the dancers faces how happy they were and how much fun they were having. That was our goal—having a great time dancing with friends!”

If you attended the festival and haven’t completed the survey yet, please do so now! We want your feedback so we can make the 61st SSBF even better. Go to [www.marylandsquare dancing.com](http://www.marylandsquare dancing.com) and the survey link is on the first page.

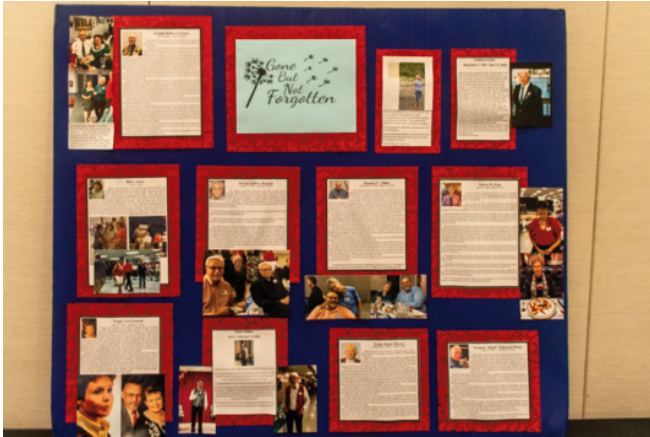

Remember, we cannot have a festival without YOU, our dancers, so thank you all for being such great supporters of the SSBF and we hope to see you next year for our 61st Festival, Getting Our Kicks in 2026! (more later in this section).

presents the  
**36<sup>th</sup> VIRGINIA STATE CONVENTION**

We need your assistance!

How do you get friends to help you move or paint your house without paying them? You feed them! Well, our wonderful dance leaders at the Virginia State Convention volunteer their time and talent to our convention. Our dance leaders are **un-paid!** So similar to those friends helping you out, we feed them!

Staff Hospitality provides breakfast and lunch to our dance leaders and their partners so that they are energized and ready to lead our convention! Why am I telling you all this? Well, we need your assistance! We are looking for individuals, clubs, etc. to support our caller hospitality. There are a few ways you can support! Perhaps you reckon yourself a chef and want to prepare some food to be provided, maybe you want to take up collections to donate so the convention can purchase meals, or maybe you want to order pizza for the staff. The convention would greatly appreciate any of these!

If you, your club or your area are interested in supporting the staff hospitality at the Virginia State Convention, please contact Jamie Butler to coordinate your support. **Again, this is the only “compensation” our fabulous staff receive and without our staff we have no convention!!** We appreciate your consideration and appreciation for our staff!

As a Colorado Creative District, Loveland is known as one of the best art towns in America. Sculpture Gardens, Loveland Museum featuring world-class art exhibitions, galleries and art spaces are all an integral part of Loveland's Unique Culture.

Art is easy to spot in Loveland, from small works like painted electrical transformer boxes to full-scale exhibitions, it's clear that art is a part of Loveland's DNA. Buildings along 4<sup>th</sup> and 5<sup>th</sup> Streets from Jefferson to Railroad Avenues in downtown Loveland are massive canvases for uniquely artistic and creative street murals. There are more than 20 – Can you find them all?

While at the convention, you can take a self-guided scavenger hunt journey to find the individually painted hearts as part of the city with a HeART program. These are scattered throughout the city and a fun way to explore Loveland. Maps will be available at the information desk.

Public art is everywhere in Loveland. The city is home to four free outdoor sculpture parks: Benson Sculpture Garden, Chapungu Sculpture Park, Foote Lagoon, and McWhinney-Hahn Sculpture Park. Benson Sculpture Garden is a 10-acre outdoor park featuring primarily bronze sculpture, but you can also discover works created in a variety of stone, wood, and other media. The park has nearly 180 pieces of art on permanent display, allowing guests to interact with the pieces. Chapungu Sculpture Park features 82 Zimbabwean stone sculptures telling stories of family, children, elders and village life. Chapungu is the only permanent exhibit of its kind in the country.

McWhinney-Hahn Sculpture Park features bronze sculptures along the grounds near the Loveland Visitors Center while Foote Lagoon is located just steps away from the downtown city center in Civic Center Park.

# The United Square Dancers of America's Zoom Series

## *Beyond the Dance Floor*

**Dancing!** — While we are so excited to be back dancing after the Covid epidemic, we lost many of our dancers, clubs, callers, and cuers during that time. The great news that came from the pandemic is how well the square dance community all over the World has adapted to and benefitted from the challenges we've been facing and continue to face. How have we benefitted? Remote networking platforms such as Microsoft Teams and Zoom have introduced us to new friends and dance experiences we might never have enjoyed before — from Zoom dance sessions with international participation to opportunities to participate in State, National and International dance events, conventions and workshops.

In October of 2020 the **United Square Dancers of America — USDA** — your National dancers' organization, introduced a monthly series of web-based programs via *Zoom* to support clubs on the business and marketing end of our activity. The programs were used to introduce more dancers across the country to who/what USDA is, the programs and services we provide, and a way to keep square and round dancing in the forefront of people's thoughts even if they weren't able to get together on the dance floor. Since the introduction of the initial workshops, topics have evolved to include Marketing & Promotions, the SSD dance program, square dance resources, promotional information about our National Square Dance Conventions, Social Connections and the recruitment and retention of callers. We've been lucky enough to partner with CALLERLAB, ROUNDALAB and ARTS on several of these programs and look forward to partnering with other national organizations for future program offerings. We've had participation from dancers, callers cuers from all over the world, sharing ideas, program guidelines and coping strategies.

**Beyond The Dance Floor** – It takes a lot of effort and organizational skills to keep our favorite activity alive and USDA is here to help. From bylaws to event planning, club officer duties, promotion, communications, newsletters, youth and handicapable programs – this series is designed to help groups across the country and across the World build and grow your clubs.

## Kathy Myers

1949 - August 7, 2025

Kathy Myers died peacefully on August 7, 2025. She was born in 1949 in the city of Marquette in the upper peninsula of Michigan.

Kathy had a long career of public service working for the US Park Police. She retired over fifteen years ago. While she hated commuting, she loved the job and maintained friendships with former colleagues throughout her retirement.

She met her late husband Phil thru a shared love of square dancing. Her friendships with folks in the Busy Bee's square dance club have lasted for years. Kathy was a very long time member of the club..

After her husband, Phil, died in December of 2017, she moved to Ingleside at King Farm to be close to her brother and could no longer attend dances.

Kathy and Phil also shared a love of cats, having rescued multiple kitty's over the years.

The two most important pillars in her life were family and faith. Kathy was a member of Saint Mark Presbyterian Church and remained active in Ingleside King Farm's Ladies Bible Study. She lived a life of kindness and charity toward all. Our family has found comfort in the many expressions of friendship and love shown by those who knew her.

A memorial service will be held at 10 a.m. on September 12 at her place of residence: Ingleside at King Farm, 701 King Farm Blvd, Rockville, MD 20850.

August 4, 1935 - June 24, 2025

Word has reached us that Karl Johnson, who was our Bizzy Bee co-president with his wife Penny for almost two decades, passed away on June 24th in Orlando, Florida. Karl survived Penny, who passed away in May, by a little more than a month. Karl had been in declining health from Alzheimer's, which prompted their move to Florida in 2019.

# CHOREO CORNER

*with Dick Otis*

## Square Breathing

It's September which may be the best time of year for starting a new Square Dance Class. The topic for this Choreo Corner is important for new and experienced dancers alike. Most dancers are aware of the concept of square breathing but there is not a lot of written information on the topic.

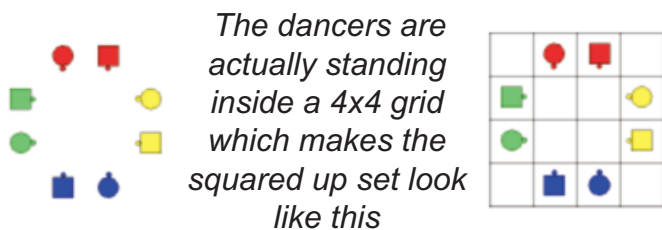

Fortunately, I found an excellent article by Charles Young and received permission to share a summary with you here.

Breathing is the expansion and decrease of the size of the formation as we execute a call. We breathe all the time while dancing but never think about it. It is important to successful dancing to be aware of breathing and to be able to do it well.

Why is breathing so important? Every call has specific formation-oriented starting and ending positions. If calls are not executed properly then the correct ending position will not be achieved. This directly affects the next call because if you don't end a call correctly then you can't start the next call correctly. In order to end correctly, the call must be executed properly which means that all intermediate positions in the call must also be correct. Breathing helps to ensure that the dancers will be at the proper position.

### Let's take a quick look at some basic positioning.

When we stand in a squared set we are really standing inside a positional grid that is four dancers high by four dancers wide. (see below)

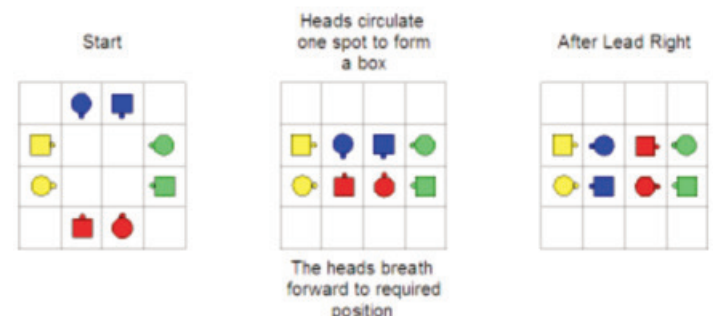

Notice that the 8 dancers are standing in a grid made up of 16 spaces, 4 on a side. This is a 4x4 grid, also called a 4x4 matrix. Also notice that 8 of the spaces are not occupied by dancers. Even when unoccupied, those 8 spaces are still there.

The purpose of the grid is to show the relationship of the dancers to one another and the grid within the current formation setup. All the examples shown will show positioning as it relates to the grid. You must always remember that you are always dancing in some kind of a grid setup. Sometimes it is a 4x4, sometimes 3x4, sometimes 2x4. The grid may change shape during the call.

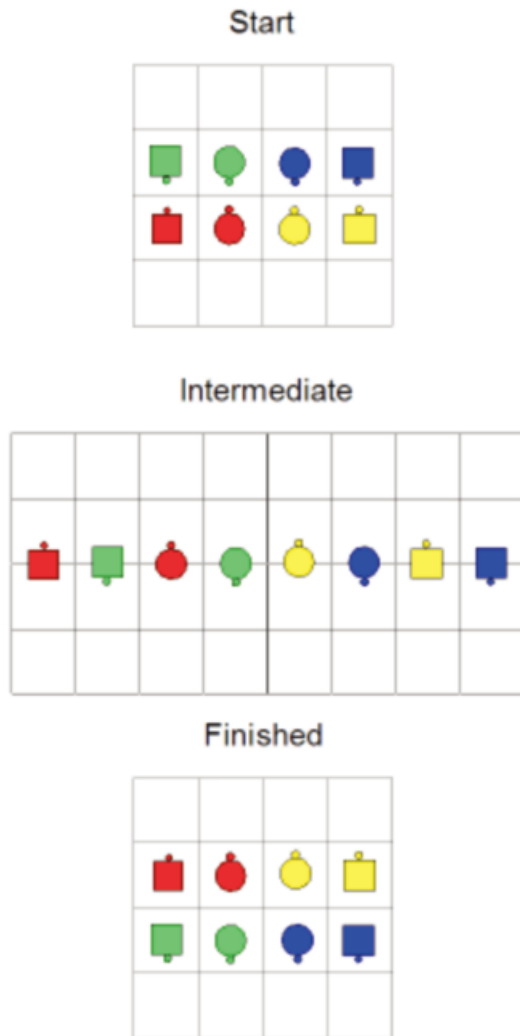

For example, the grid for a two facing dancers Pass Thru is 1 dancer wide and 2 dancers high. Halfway through the call the grid changes to 1 dancer high by 2 dancers wide and at the end it reverts to a 1 dancer wide by 2 dancers high

Likewise, a two couple Pass the Ocean starts is a grid that is 2 dancers high by 2 dancers wide but changes to a grid that is 1 dancer high by 4 dancers wide at the end of the call.

A simple case of breathing that we all do many times is the call - Heads Lead Right. The diagram shows below how this call is normally done. The heads will automatically just move into the required ending position without thinking about breathing. But they still do it.

A very simple case of breathing is the call Pass Thru from facing lines. In order for the dancers in each line to get to the other side of the formation, the formation has to spread, or breathe, temporarily to be 8 dancers wide so that the dancers have room to pass one another. When the Pass Thru is complete, the dancers have to shrink the formation back to being four dancers wide. More breathing. This call looks like this:

Let's look at a simple case of square breathing in a call that we do all the time - Swing Thru, to see how we breathe the formation while doing this call. Notice how the dancers must breathe during the first

half of the initial swing to keep from bumping into one another. Also notice how the dancers are positioned after the initial swing. The dancers are not standing in the same line as when the call was started. The dancers had to breathe twice to provide physical space to do the call. At the end of the call, we must restore the original 2x4 formation.

A few observations of my own square breathing is especially important during singing calls. Singing call choreography is timed to the music and to be successful, dancers need to complete each of the 5 sections (Opening, Figure, Middle, Figure, Closing) in time with the music.

It's important that you keep your formation tight, especially while promenading. If the boys keep their shoulders tight to the center on a promenade, it takes very little time to promenade home. When you do a Swing Thru from facing couples the square needs to breathe, again it's the boys moving to the outside to give the girls room in the center. If a Spin the Top follows, the entire square need to breathe since you will be in a title wave formation. No matter what call follows, the dancers need to tighten up the resulting formation.

Experienced dancer do square breathing without thinking about it much. But remember, if you are in lines and can't reach out and touch each other, you are too far apart for the next call. Callers will help, usually by saying "Go Forward & Back" or some combination of "Touch Hands" but that is hard to do in a timed singing call.

Examination of a great many calls shows that square breathing is an important integral part of square dancing. It is critical to proper execution of the calls from the beginning of a call to the end of a call. Failure to breathe properly results in incorrect positioning and leads to difficulty in properly executing succeeding calls. All dancers must be aware of square breathing and make every effort to exercise proper square breathing.

Happy Dancing!

45 clubs have renewed their club memberships in WASCA. We have one club yet to renew. Three clubs have ceased. These clubs are Marshall's Deputies; Plains Promenaders and Swinging Squares. The Spinning Windmills are inactive.

Cardinal Cloggers have asked to join WASCA. The club has 12 members and dances on Fridays at the Herndon Senior Center.

We have tried to include accurate data for the clubs but if you plan to attend a club, please contact their information number before you go to make sure they are dancing and their location. You can find the information in the Club Directory in this issue or on the website at [www.wascaclubs.org](http://www.wascaclubs.org).

We hope that you have had an enjoyable summer and have found time to dance. We attended the 2025 National Square Dance Convention in Shreveport, Louisiana and had a great time. We recommend attending a National Square Dance Convention. The 2026 Convention will be in Waco TX and we are already looking forward to attending.

There are three Delegates' meetings scheduled for the 2025/2026 membership year. The first Delegate's meeting is on September 28, 2025. This will be a virtual meeting on Zoom starting at 3 pm. There will be information presented on the upcoming "65 and Staying Alive" 65th Spring Festival which will be held March 26-28 2026. This is also a chance for Delegates to present information on their Club's activities, dances and Special Events.

The next two meetings will be February 15, 2026

and May 31, 2026. The February 15, 2026 will be the annual meeting where the Delegates will elect the Executive Committee of the WASCA Board and some Directors. All meetings will be on Zoom.

For a club to remain in good standing, each club must be represented at one or more meetings per fiscal year. The fiscal year is June through May. There are three meetings per fiscal year. A delegate may represent more than one club but can only cast one vote.

If your club's President or Manager, Delegate or Alternate Delegate's name or their contact information changes during the year, please send us the new name with the address, phone number and email address. For insurance to remain valid and to assure delegate meetings' agendas & minutes go to the correct place we need the correct information. We also need any changes in venue and dance schedule.

## The Crossfires

Chip Campbell

July 9, 2025

The Crossfires is a dance-by-definition club which started in 2016. January, actually. If you are an experienced plus dancer, come and try us out! First and third Sundays, 2:30p- 5:00p, at 10001 Rt 108, Columbia, Md.

Once upon a time Hal Barnes, who used to call for Belair Squarecats, didn't have enough dancers to run zero-to-plus lessons. So he offered a course on (plus) DBD that Fall instead, and he had about 2-3 squares. Unfortunately, from our perspective, Hal Barnes decided to move to Colorado to be nearer family, although he does make occasional guest appearances around DC, often with Kenny Farris. He moved to Colorado in March 2015, but he got another caller for us to learn from - Doren McBroom. Doren did a great job keeping us going, but he made a small mistake - at the end of the lessons, he told us that he really enjoyed teaching us and how if we wanted to continue to let him know.

So, I thought about it and contacted him that October (2015) and asked him if he'd like to call for a new club. He said yes, so we set things up for a start in January of 2016. I sent an email out through the WASCA email server and asked if anyone else was interested in coming. I needed about two squares to break even, but only got one and a half squares of replies. So I took the chance and held the dance anyway. We ended up with 5 squares! So we started meeting once a month (the first Sunday).

Well, we also needed a name for the new club and a badge. Crossfire is a plus call, but it can be called from quite a few formations that are decidedly not in the Standards usually taught to Plus dancers. Ask John Marshall if you want some examples! Well, "The Crossfires" is a great idea for a plus DBD club name – until I considered coming up with a badge. There are a number of pitfalls with that name – a bunch of burning crosses? No way. A cross of fires? Again, no way. So, I came up with a solution: our badge is a depiction of two fireworks

rockets which cross paths, with two resulting bursts. Nice 4th of July stuff! I contacted Suzy Q badges, and we now have great-looking badges.

I was asked if The Crossfires could start meeting twice a month. Doren demurred, so I asked Kenny Farris while at WASCA to cover Crossfires on 3rd Sundays, which began in Nov 2018. We've been dancing twice a month since, although we've had to switch halls a couple of times. At first we met at a dance studio in Cherry Hills shopping center, but the owner of the hall got pushed out so we lost that venue. I then contacted Red Hot and Blue in Laurel. It is tough to find new halls to dance in (well, within our limited budget)! RH&B had been made an offer to rent the downstairs rooms where several other restaurants had failed, and our offer helped them out. However, the downstairs rooms also proved to be a bit of an albatross for RH&B, so I had to find another venue – again. This time I got approval from Columbia Presbyterian Church and we began meeting there on June 6, 2021. I don't think we even missed a dance!

Just last year I got around to getting a banner for the club (which you will see at the Star Spangled Festival and at WASCA). Deborah Felton kindly put together our banner which resembles a large Crossfires badge. We only have the one banner; no small banner for banner stealing as it wouldn't be nice of us to steal some plus club's banner and expect them to dance

## AQUA SQUARES

*Paula Ropshaw*

Hello from beautiful southern Maryland. The summer is coming to an end, hopefully the temperature are dropping. Vacations are over. School busses are on the road, (drive carefully) kids are getting back to school. Days are getting shorter. We have had a wonderful dancing summer. We've kept 2 squares on the floor most Friday nights. We are excited that we will be hosting members from our WASCA board this September for our theme dance. We are so lucky that we were able to celebrate the 90th birthday with our caller's (Gary Felton) father-in-law, Gerry Lague. Gerry and his wife Sylvia have been dancing for over fifty years, most recently with our club. We dance every Friday night through the summer. Class from 7:00-8:30 and plus dancing from 8:30 to 9:30. Come on down, we love company

PLEASE NOTE Due to the schools' schedule, we have a change for SEPTEMBER. WE WILL BE DANCING ON THE 2ND AND 4th WEDNESDAY IN SEPT 10 AND 24 at Oakton Elementary School. We will be back to the original 2nd and 4th Tuesday come Oct. Then in November, we will once again dance on WEDNESDAY, NOVEMBER 12TH, instead of the 11th, again, because of the school. ## **SENIOR CENTER OF LEESBURG**

*Robert Abdinoor*

Senior Center of Leesburg Summer 2025 Dancers ~ WOW! What a delightful group of dancers! Thank you!

August 13th, our tenth meeting of the Summer 2025 program, eleven (of seventeen) dancers were there; so with me dancing, we were able to again dance one, 6-couple, rectangular square... a FUNtastic way to continue the Summer program and everyone did GREAT!

Wednesday, August 20th, was the eleventh (of twelve) weekly meetings (3:00 – 4:00P) of the Summer program for the Square Dancing for FUN at the SCL.

We will reviewed whatever we needed; hopefully dancing again with (at least) one, normal, 4-couple square; with the goal of successfully learning and smoothly dancing a few (simple) corner-rotation routines, while adding new calls and choreography each

week to keep the sessions exciting and FUN while making any adjustments as we go along.

Although this program has a (somewhat) non-progressive format (which means, inexperienced/new dancers are always welcome); since (as of this writing) we are now very close to the end of the Summer program, if anyone new comes now (without any prior square dancing experience), they may be encouraged to just observe or to join us on the floor or to plan to register for the upcoming 12-week Fall 2025 program as follows below.

For your planning (mark your calendar), the final dance-date for the Summer program was August 27th.

The 12-week Fall 2025 program will start the following week, Wednesday, September 3rd (3:00 – 4:00P) and will end November 19th. That's 12 weeks of square dancing FUN and there is (again) "no charge" for SCL members.

For your planning (mark your calendar), the 12 dance-dates for the Fall program are...

September: 3, 10, 17, & 24 <> October: 1, 8, 15, 22, & 29 <> November: 5, 12, & 19.

For your consideration and use, see the Fall 2025 flyer/handout, later in this issue with all the details, that can be used to help spread-the-word about the upcoming Fall activity and to recruit new dancers (you can't beat the \$0 fee for this exciting 12-week program).

Please address any square dancing questions to me and any administrative questions to Kammi (Cc: line above or call: 703-737-8943 [wk] or 703-599-7039 [cl]).

Thank you! to all supporting this program. If you know of anyone else who may be interested in this square dancing activity, please have them contact me or Kammi and feel free to forward this email and/or attached flyer to anyone you feel might be interested.

## ZIG ZAGGERS

Steve Johnson

This has been a time of transition and revitalization for ZigZaggers Advanced Square Dance club. Several long-time stalwarts of our club had to retire from square dancing due to health issues. In the wake of their departure, other members have stepped forward to fill leadership roles in running the club. We have transitioned our mailing list to Google Groups, to streamline the event invitation process. But the most exciting news has been growth in attendance at our dances; we even had a group of recent Advanced class graduates from the Hampton Roads area join us for several dances! We dance the 1st, 3rd and 5th Fridays monthly from 8:00-10:00 pm, usually at Joyce Kilmer Middle School, 8100 Wolftrap Road, Vienna VA 22182. (One block off Gallows Road, near Tysons Corner in northern Virginia.) ZigZaggers uses computer squares so everyone dances. All are welcome, singles and couples. Casual dress. For more information, please contact Steve Johnson at [mustchz@gmail.com](mailto:mustchz@gmail.com) or 703.489.6841, or Beth Brackett at [topbrackett@cox.net](mailto:topbrackett@cox.net). To be added to our mailing list to receive notifications of upcoming dances, please contact Steve Johnson. 2025-26 dance season calendar has just been announced. (See our flyer elsewhere in this newsletter.) Our first dances will be on September 19, plus October 3, 17 & 31. Our December 19 holiday dance will celebrate WASCA's March 2026 festival.

Experience the FUN, joy and camaraderie of square dancing without having to complete formal square dancing classes. The emphasis will be on "dancing" rather than "learning." A few calls will be taught and then danced in a simple pattern. New calls and choreography will be added as the dancers progress.

### **Need a valid health-related reason to try square dancing?**

Here (paraphrased in part) is what \*AARP research has found.

“...**you** can make a difference in your **brain’s health**.  
...**MOVE** (exercise), **RELAX** (sleep enough and avoid stress),  
**NOURISH** (eat well), **DISCOVER** (think), and **CONNECT**  
(socialize).”

“What works best? ...**DANCE**... It’s FUN, it involves other people, it’s exercise, it challenges you to learn patterns and movements.”

**Mike is frequently asked what is the dancing level for his cruises.**

**Here's the answer:**

A survey will be sent to all signed up for the cruise (about 60 days prior to the cruise departure date) asking what levels you want to dance from SSD through C1 while on the cruise. NOTE: You will be asked to mark all levels you want to dance, not just one. The dance sessions will be scheduled accordingly.
