The Editor's Desk

The Times They Are A-changing – Continued

As I have been talking about for the last several issues the Square Dance world is changing. Until now the changes have been affecting Callers through the Callerlab proposal. However on 29 September a significant event occured. Callerlab has released the "New" Mainstream list into the wild. The news release and associated alphabetical new mainstream calls can be found in the Callerlab section of this issue (see page 29) and Dick Otis discusses this new list in his Choreo Corner column (see page 36)

While most of the discussion to date has been on the loss of dancers, Callerlab is also concerned about the loss of Callers. This last year we have lost several notable callers. The New Mainstream with its teaching materials (which are under development) are also meant to help develop new callers.

The new list will have a minimal impact on Plus dancers and clubs. At most they will have to pickup 5-10 additional calls, many of which they may already know. For current Mainstream clubs (and dancers) it will be a different story. With 15+ calls going from Mainstream to Plus, unless they do something, all Mainstream clubs will by, definition, become Plus clubs.

This leads to the next issue. With the "New" Plus being at least 50 calls, (rather than 30) it will not be as easy to move new Mainstream Dancers to Plus has it has been in the past. The folk guidance "dance a year at Mainstream before starting a Plus Class" will also become more important.

If we do not provide new Mainstream dances (and clubs) for new dancers we will continue to lose dancers. We need to provide at least one Mainstream ONLY dance a week. Yes I know a number of clubs offer alternating Mainstream and Plus tips, but I submit that this leads to the "second class citizen" feelings that many new dancers get (and then give up)

Currently there are two SSD clubs which will have no problem going to New Mainstream; three Mainstream clubs will need to decide whether they will stay (New) Mainstream or default to Plus; and two afternoon clubs which I discount as their target is retired dancers. We need at least one 1st,3rd&5th Mainstream weekend club. Any volunteers?

President's Patter

Steve Cunnion
(WASCA President 2025-2026)

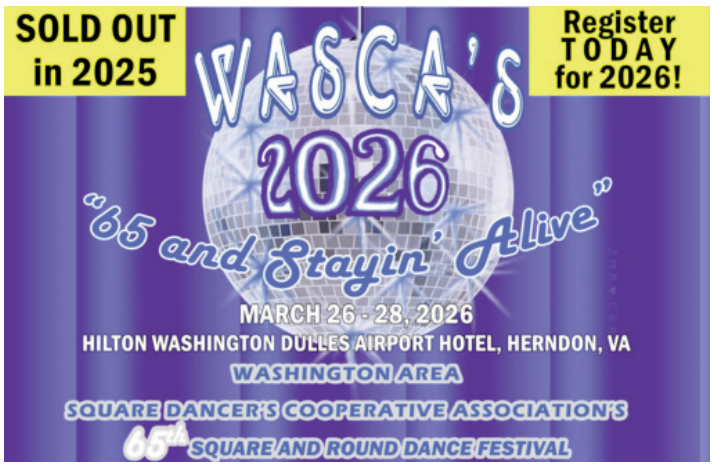
Do you angel? Why? Most angels say it is payback for the angels who helped them. That's how square dancing works. It's what makes square dancing a caring social happening. They are willing to help their fellow dancers. That help can also be extended to occasionally volunteering to help the larger square dance community.

This can come in two forms. The first is to help at a festival. If you are artistic join the decorating committee. If you work in the hospitality industry, your talent can be used solving venue problems and negotiating year.y hotel and floor rental contracts. If you love be an organizer, being festival director is an ideal spot for you. If you like to meet new people, join the theme dance committee and visit other clubs. If you like to work with spreadsheets, join the registration committee.

The second form is helping govern WASCA that makes the festival possible. A festival can't occur without a stable nonprofit that is recognized by hotels, outside contractors and banks. WASCA is governed by a ten person board consisting of an executive committee (president, vice-president, secretary and treasurer) and six members geographically distributed between Maryland and Virginia. The actual power at WASCA IS really the clubs that belong to WASCA. Any change of its articles of incorporation or change in its bylaws must be voted on by the clubs. This is done by each club appointing a delegate who represents that club during voting at the delegate meetings held three times a year.

This coming February, WASCA Board elections will be held at the delegates meeting with delegates voting for president, vice-president, secretary, treasurer, one Maryland member and one Virginia member.

We are currently looking for members of the nominating committee that will met only twice and then present to the board the persons who seek the above positions. If you are interested, please email me at president@wascaclubs.org.



Greetings, WASCA dancers

RDTA President's Message

by

Ken & Berni Ryder

It's hard to believe that autumn is upon us, but we will have celebrated Halloween once you read this message. The good news is that we are enjoying a full dance schedule with our local round dance clubs and your RDTA cuers. On Mondays you can dance with the Ryders in person in the afternoons at Greenspring and virtually in the evenings. On Tuesdays, the Springers dance in the Richmond area while the Hoppers dance in the Charlottesville area. Wednesday evenings you can dance with the Buchanans at the Lincolnia Senior Center in Alexandria VA. Thursdays provide a number of dancing venues, with the Croffords in Newport News VA, the Buchanans in Millersville MD, the Shottings in Eldersberg MD and the Ryders in Annandale VA. On Fridays, you can dance with the Girls and Christina Eum at Freedom Hill Elementary School in Vienna VA [usually the first Friday] and with the Kincaids on alternating Fridays in Millersville MD at Christ Lutheran Church. On specific Saturday afternoons, you can dance with the Shottings in Catonsville and enjoy an occasional ZOOM tea dance. Sundays, you can join the Ryders for their class level dance at ST Barnabas Episcopal Church in Annandale VA. We're confident you can enjoy our favorite "social contact sport" any day of the week at one of these RDTA round dance clubs.

Now, in addition to dancing many favorite seasonal dances at one of these RDTA round dance clubs as we look forward to a wonderful upcoming Holiday Season, you can also enjoy a very special event in the WASCA area -- the Annual Toys for Tots Square and Round Dance, sponsored by NCASDLA and the USMC Reserve. This year's 50th annual 2x2 dance will be on Sunday, December 7, from 2-5PM and will feature a number of local callers and cuers calling exciting mainstream and plus squares and phase II-IV round dances. Come on down, bring a toy to support the USMC drive to support local kids, and enjoy some fun "seasonal" round and square dancing all afternoon. Check the flyer later in this issue for more details.

Finally, don't overlook the opportunities for dancers to take some round dance lessons to learn a new rhythm, a different activity, or “brush up” on some rhythms you’re still not fully comfortable dancing. The Shottings are offering classes in Maryland on Mondays in Catonsville and Thursdays in Eldersburg. The Hoppers are offering classes in the Charlottesville area on Tuesdays and Thursdays. The Ryders are offering an intermediate workshop and a basic class on Sundays in Annandale VA. Christina Eum is currently teaching phase III foxtrot figures on Mondays at the Herndon Senior Center. The Croffords have a basic class on Tuesdays in Norfolk VA. See the information available on current Round Dance classes in the section on Dance Classes later in this Calls ‘N Cues Issue and then check with one of the leaders holding a class convenient for you to see when they will be starting to teach a new rhythm.

We wish everyone a happy Holiday Season and hope to help celebrate this season by seeing and dancing with all our WASCA round dancer friends at the various local clubs and their special Holiday dances. What a wonderful way to enjoy this urgently needed glorious Holiday season..

Stay safe and well and we'll see you all on the dance floor.

Be A Booster

Hello fellow square dancers. This is Paula & Pete Ropshaw from Aqua Squares in Lusby, Maryland (beautiful southern Maryland). We are thrilled that we can once again chair the Booster Club. I know – it's November and I am already talking about the WASCA festival. I love the festive and the theme this year. I know the festival will be a BLAST!

So to get down to it…the festival being one of the premier dance festivals – doesn't run on air and best wishes. There a lot of bills to be paid to make it the wonderful event that it is. To help with those bills, we have the Booster Club. The Booster Club gives every dance club the opportunity to contribute to this wonderful event. How we do it is we tell our club we have a booster dance coming, everyone brings a dollar and all proceeds go to the festival committee. Then you send that money and a list of your dancers to me. I will collect all monies and send it to the festival committee. And I send your contributing members list to the festival program creator – usually Dick Otis – and your club and list of members is printed in the festival program. We do have a deadline, so don't wait tooooo long. And I have fun thinking up ways to encourage you to do a Booster Dance.

Right now I am trying to find or create a 'logo' I can use with each article I write. One year I used a big needle, one year I used a train car. I need help finding a logo for this years' Booster club. If you have an idea, send it to me. Don't hesitate to email or call me with any ideas. Below is all my info.

See you at the festival

Stayin' Alive (and Retired) after 65

To most Americans, 'retirement age' means 65. Why and how did 65 become the magic number to stop working and earn a pension?

The first retirement pension was instituted by Augustus, Roman Emperor, in 13 BC. It was reserved for military veterans with at least 16 years of active service and four years in the reserves. Later, the requirements were increased to 20 and five. There was no age requirement attached to retiring until 1881 in Germany when Otto von Bismarck established the retirement age of 70 (it was reduced to 65 in 1916). Great Britain passed the Old Age Pension Act in 1908, also setting 70. Later, the 1946 National Insurance Act reset the ages as 65 for men and 60 for women. In the US, the Social Security Act of 1935 set the retirement age as 65, for men and women. In 2014, in the 34 countries of the Organisation for Economic Co-operation and Development (OECD), the average age for retirement for men was 65 and women, 63.5 years old. Japan set the retirement age of 60 until 2013; in 2025 it will increase to 65 for men, and in 2030, to 65 for women.

There are outliers, however. Most EU member states will increase the retirement age to 67 by 2030. France has established the maximum working age of 70, with three legal ages: minimum (64 years), maximum (70 years), and the full retirement age (variable, maximum 67 years). Some countries also use date of birth to determine retirement benefits. For instance, in the US, a person born before 1955 can collect Social Security benefits at 66; those born after 1959 collect at 67.There are strong arguments for increasing the retirement age, given current life expectancy projections. Other factors to consider are health, nature of work, labor supply, fiscal cost of aging, family conditions, etc.

Although mandatory retirement is regarded as ageist, only three EU members and four OECD members have laws prohibiting mandatory retirement ages. Mandatory retirement is rationalized by arguments that certain jobs are too hazardous (e.g., military personnel) or require high levels of mental and physical skill (e.g., air traffic controllers, pilots). These arguments are derided as discriminatory because they are arbitrary and not based on actual physical evaluations. Mandatory requirements vary widely around the world:

United States	Mandatory retirement is generally unlawful, except in occupations regulated by law (often government related), such as the FBI, military service and federal police.
Canada	Although labor laws do not specify a retirement age, all judges must retire at 70 or 75 depending on the court.
Australia	Compulsory retirement is prohibited except for permanent members of the Australian Defence Force (must retire at 60 if active, reservists at 65) and judges on federal courts who must retire at 70.

Brazil	All public servants must retire by the age of 75; this includes all branches of government and Supreme Federal Court justices.
Philippines	Government employees can retire as early as 60; mandatory retirement is 65. Judges must retire by 70. In the private sector, only underground miners (60) and professional racehorse jockeys (55) are forced to retire.
Russia	Russian federal law applies retirement age requirements only to judges and is based on years of service: After 20 years, they earn full retirement benefits. With less than 20 years, men can retire at 55, women at 50, with benefits based on years of service.
Ethiopia	Ethiopians over 60 must retire; those in hazardous jobs must retire earlier. As a result, many retirees live in poverty, having been unable to save enough for their later years.
United Kingdom	In 2006, the UK established the Default Retirement Age of 65; the legislation was abolished in 2011. The only required retirement is that judges must retire at 75.
South Korea	Compulsory retirement is 60 for private companies, 65 for public sectors.

We need your assistance!

How do you get friends to help you move or paint your house without paying them? You feed them! Well, our wonderful dance leaders at the Virginia State Convention volunteer their time and talent to our convention. Our dance leaders are **unpaid**! So similar to those friends helping you out, we feed them!

Staff Hospitality provides breakfast and lunch to our dance leaders and their partners so that they are energized and ready to lead our convention! Why am I telling you all this? Well, we need your assistance! We are looking for individuals, clubs, etc. to support our caller hospitality. There are a few ways you can support! Perhaps you reckon yourself a chef and want to prepare some food to be provided, maybe you want to take up collections to donate so the convention can purchase meals, or maybe you want to order pizza for the staff. The convention would greatly appreciate any of these!

If you, your club or your area are interested in supporting the staff hospitality at the Virginia State Convention, please contact Jamie Butler to coordinate your support. **Again, this is the only "compensation" our fabulous staff receive and without our staff we have no convention!!** We appreciate your consideration and appreciation for our staff!

Discover the Legacy of Daytona Beach
Host of the 2028 National Square Dance Convention®

As we look ahead to the 77th National Square Dance Convention® in 2028, we invite you to explore the rich tapestry of history and excitement that defines our host city—Daytona Beach, Florida. From legendary explorers to trailblazing educators, speed pioneers to civil rights icons, this coastal gem has long been a magnet for visionaries and adventurers.

It all began in 1513, when Spanish explorer Ponce de Leon set foot in Florida in search of the mythical Fountain of Youth. Just west of Daytona Beach, DeLeon Springs still flows—inviting us to imagine that, in 2028, we might rediscover that youthful spirit as we dance across the convention floor, united by the activity we all love.

Over the centuries, the Greater Daytona Beach area has welcomed influential figures who shaped its identity:

- **Dr. Andrew Turnbull** founded the New Smyrna colony on 101,000 acres just south of Daytona.
- **Matthias Day**, captivated by the region's charm, built Daytona's first hotel in 1874 and became its founding father.
- **Henry DeLand** established nearby DeLand and founded Stetson University in 1883.
- **John D. Rockefeller** made Ormond Beach his winter retreat, drawn by its pristine golf courses.
- **Dr. Mary McLeod Bethune**, a towering figure in education and civil rights, founded Bethune-Cookman University in 1904 and left a legacy that continues to inspire.
- **Bill France**, founder of NASCAR, built the iconic Daytona International Speedway in 1959, cementing the city's place in motorsports history.

Daytona Beach has also played a pivotal role in social progress. On March 17, 1946, Jackie Robinson broke barriers by playing in the first integrated spring training game here. Today, his legacy is honored at the **Jackie Robinson Ballpark**, which is just 2 miles away from where we will be dancing, where a life size statue welcomes visitors.

The city's entrepreneurial spirit continued with Commodore Charles Burgoyne, who promoted community events and concerts along the scenic riverfront in the early 1900s. And of course, the hard-packed sands of **Ormond Beach**, which is just 5 miles from our convention center, earned the title "Birthplace of Speed," hosting land speed record attempts that thrilled spectators and set the stage for modern racing.

Today, Daytona Beach welcomes over 10 million visitors annually, drawn by its blend of history, hospitality, and family-friendly beaches. From museums like the **Halifax Historical Museum**, which is just 2 miles away from where we will be hosting the convention, to the vibrant streets of downtown, the area offers countless treasures for guests to explore.

Mark your calendars: The 2028 Convention will take place **June 28–July 1**, one week later than usual. We encourage you to make your reservations early and prepare to experience the magic of Daytona Beach—where tradition meets innovation, and every step on the dance floor echoes with history.

One hundred years ago, three stories high on a dancing platform in the branches of South Daytona's "Big Tree," young ladies swayed in festive dresses, dancing with their beaus to fiddle music atop the 800-year-old tree that gave Big Tree Road its name. At the time, the rural community was known as Blake, and for many years locals and tourists would trek to this ancient tree that merited hand-colored postcards. Clark Jewelers of Daytona even arranged for commemorative plates of blue and white design to be made in Britain (Graham, "Dances").

Estimates marked this live oak to be 1,000 years old–some said 2,000; and towering more than ten stories, Big Tree sported a girth of 36 feet with its monstrous limbs spreading at least 157 feet, covering a full acre of ground beneath it. Apparently, no live oak tree in Florida today matches South Daytona's historic Big Tree because as of 1987 the largest live oak was not Ormond Beach's Fairchild Oak, but instead, Jacksonville's Timucuan Treaty Oak with a circumference of only 27 1/2 feet at the height of 4 1/2 feet from the ground, and it had a height of 90 feet with a limb spread of 151 feet (Atwell 21; "Big Tree"; Graham, "Hunt's").

Square Dancing 30 Feet Up in the Big Tree

Square dancing was especially popular in the Big Tree after 1904 when William Williamson built a 14-foot by 16-foot dancing platform (referred to in those days as a "casino") at the top of extended flights of wooden stairs with railings. Williamson, a native of Ohio, lived in Blake for ten years, growing citrus; and years later Williamson Boulevard was named for him (McLaughlin). Local fiddler Joseph Shipes kept the toes tapping for the six couples who could dance on the elevated rustic "ballroom," and according to his descendant Irvin Shipes, even after the tree was destroyed, leaving only the base of the tree, people gathered to dance on the giant, level stump of Big Tree (Graham, "Dances").

The United Square Dancers of America's *Zoom* Series

Beyond the Dance Floor

Dancing! — While we are so excited to be back dancing after the Covid epidemic, we lost many of our dancers, clubs, callers, and cuers during that time. The great news that came from the pandemic is how well the square dance community all over the World has adapted to and benefitted from the challenges we've were facing and continue to face. How have we benefitted? Remote networking platforms such as Microsoft Teams and Zoom have introduced us to new friends and dance experiences we might never have enjoyed before — from Zoom dance sessions with international participation to opportunities to participate in State, National and International dance events, conventions and workshops.

In October of 2020 the **United Square Dancers of America — USDA** — your National dancers' organization, introduced a monthly series of web-based programs via *Zoom* to support clubs on the business and marketing end of our activity. The programs were used to introduce more dancers across the country to who/what USDA is, the programs and services we provide, and a way to keep square and round dancing in the forefront of people's thoughts even if they weren't able to get together on the dance floor. Since the introduction of the initial workshops, topics have evolved to include Marketing & Promotions, the SSD dance program, square dance resources, promotional information about our National Square Dance Conventions, Social Connections and the recruitment and retention of callers. We've been lucky enough to partner with CALLERLAB, ROUNDALAB and ARTS on several of these programs and look forward to partnering with other national organizations for future program offerings. We've had participation from dancers, callers cuers from all over the world, sharing ideas, program guidelines and coping strategies.

Beyond The Dance Floor – It takes a lot of effort and organizational skills to keep our favorite activity alive and USDA is here to help. From bylaws to event planning, club officer duties, promotion, communications, newsletters, youth and handicapable programs – this series is designed to help groups across the country and across the World build and grow your clubs.

Joined Beta Sigma Phi Sorority as president and honored as woman of the year. She was very close to her late brother Jerry and deeply affected when he left to serve in WW2.

Bubbie Shirl was blessed to have been married to our beloved father Morty for 56 years. They met on a blind date, then after marrying on June 23,1957, moved to Baltimore. She and Morty were dancers at Calico Squares for years.

Her heart was always linked to Annapolis; her new Jewish home became Beth El Synagogue. She could never believe that a small-town girl could make so may friends. She thrived on being involved, active in Jewish culture, community, and family events. Her history included volunteering with elementary and middle school PTA, 20 years Covenant Guild, Hadassah, Beth El services, and the Pikesville Senior Center. She was honored with the Henrietta Szold Award "What Hadassah means to me." Her hobbies were square dancing, bowling, the Orioles, traveling (loved Israel and cruises), mahjong and reading. Never forgot a special holiday or birthday with a card or phone call. She was also blessed to have a bonus companion, Jerry Brickman for nearly 10 years. We wanted to thank the terrific homecare and inpatient care given by Gilcrest Center.

We would also like to thank Robert Slatkin, who started out as Bubbies' personal driver, but became her 3rd special friend in her life, she loved beyond words.

Tom Miller Memorial Dance

Sponsored by Bill Harrison and Swinging Aces
The dance raised $5,940 for the American Heart Association

Remarks by Bill Harrison

Where do I begin? Tom and I first met in 1983. Our first big event was the Student Square Up in Virginia, we were so young and had so much fun, the floor was full of new and experienced dancers. Over a short period of time we became true brothers. The word brothers is commonly used to describe close friends but Tom and I were brothers in every since of the meaning. We were family.

Tom and I started getting booked for weekends together frequently, as every organizer could see the camaraderie, friendship and true fun we had working together. We used to put on concerts after Saturday night dances and put on many skits. Both of us jelled like jelly and any thought one had the other had the same. Our voices blended so well together. We traveled and called roughly 15 weekends a year for many years. We called overseas in England and Germany, conducted 3 or 4 very successful cruises and worked together on staff at caller's schools and seminars across the country. It felt like everything we did as a duo drew in folks that wanted to have fun with what we could offer them on the dance floor, but more than that the entertainment we provided.

Tom was the epitome of what a square dance caller should be. He had the beautiful voice, quick wit and the ability to read people. He was a good teacher with new dancers and newer callers. One of his passions was coaching. With encouragement from me, and mostly from our good friend Tim, he became an accredited caller coach. Both he and Tim pushed me to become an accredited caller coach but it was Tom who pushed even harder after Tim passed in 2016.

Tom always thought of me in every endeavor as I did of him. We both ran for the CALLERLAB Board of Governors in 1994 with a field of 28 callers running for 6 spots. We looked at each other and thought we had no chance but, we were elected and served 27 consecutive years and retired off the board together, just as we had hoped we would do.

Throughout the years both Tom and I pushed and supported each other. His influence was strong in my life. Our families are not strangers, Tom is my oldest daughter, Cindy's Godfather and my youngest daughter, Elizabeth has been a part of his life with his daughter's Candace and Lindsay.

A memory I recalled recently was a time Tom said to me, Billy I am not sure I ever mentioned this to you before but when I was little I had an imaginary friend. One day my mom asked out of curiosity, who are you playing with, knowing it was only me playing by myself, and I said I am playing with Billy.

When we would travel together I would put dances on in the area with the clubs I had. On one occasion, a Thursday night here at Swinging Aces the dancers were coming in the door. At that time an 8 square dance was a normal evening. Just before we started Tom said- Billy, look we have 8 squares, do you normally have 8 squares? Without a pause I said, No we normally have 10 squares, you should have seen his face? This is the relationship we had while calling. We would joke and go at each other and start laughing to a point sometimes we could not call.

There is not a day that goes by that I do not think of him and think about all the good times we had together. I miss him very much and always will.

Dad

We want to thank everyone for coming to celebrate our dad today.

Six months ago we lost not only our dad but our best friend. Dad was the life of any event he attended and he was sure to put a smile on your face instantly just by saying hello. But it didn't just stop at hello. He was also full of jokes. You may have heard them more than once but he always thought they were the funniest even if they weren't.

Most of Candace and my memories with dad are from traveling with him to square dances. The car rides were full of singing and laughing as we played our routine car rides games. But even when we didn't travel with him, we made sure he thought of us by pranking him. One night before a square dance weekend Candace and I painted dad's toes. Dad was unaware until uncle Bill pointed out that his nailed were blue and green. Needless to say, when he got home we had to immediately remove the nail polish

You all knew him as Tom. The square dance caller, friend, and acquaintance. To us he was just dad. The hand to help us up when we fell, the shoulder to cry on, the laughter when we were sad and so much more. Dad was our cheerleader. He believed in us when we didn't believe in ourselves. Somehow no matter what the situation we were in he always knew the right thing to say.

My favorite thing about dad to remember is how great of a paw-paw he was. That man loved Brantley so much. The bond they formed in 3 years was the best thing I witnessed. And even when dad was away, he was always just 1 video call away for bub.

There is so much more I can say about dad but truthfully, I can't find the words to put it on paper. So until then..

Dad we will miss the phone calls, lunch dates, ice cream stops, cars rides and everything else we shared together.

Give them hell up there in heaven with pap and gram as you watch over us. While you're raising hell we will keep following our dreams.

We love you daddy

*The **NEW** Mainstream Program*

2025 is coming to an end soon. The big news (which I'm sure most callers are aware of, but perhaps not very many dancers) is Callerlab has publish a "new" Mainstream program. This has encouraged some callers and frustrated other callers. So what's the deal?

First, if you are a Plus Dancer, there is nothing new to learn in the Mainstream program. If you are a Mainstream Dancer, there are a few less calls to worry about. If you are a Social Square Dancer (SSD) there are a few more calls to learn. More comments on Plus later.

Notes: all comments and speculation in this article are solely my viewpoint. The press release accompanying the new Mainstream list explicitly says: "All original Mainstream, Basic, and SSD calls not included in the new Mainstream list will automatically transfer to the Plus Program"

Like many other callers (probably all of them) I'm comparing the new Mainstream list to older programs.

First of all, why a new Mainstream list? In recent years many callers viewed the Basic (48 calls) and Mainstream (19 calls) programs (67 calls total) as being a barrier to new dancers. As a result, several new shorter "programs" were developed, including the "Club 50", the "50 call Condensed Teaching Method (CTM)", and the Callerlab Social Square Dance (SSD) program. These lists all have 50 calls (mostly the same ones) in common.

As a result, Callerlab members voted to do away with these many programs and to create one, 50 call program called new Mainstream. I will note that ALL these programs have, with a few differences, essentially the same calls. Most callers and dancers will easily adapt.

One caller explained to me that old "Mainstream only" clubs will have to make the significant changes. This assumes these clubs have new classes learning the new Mainstream. Those new students will have to learn the previous Mainstream calls that were eliminated. Or their club will have to stop using those calls (the significant change). Will this make them a "Mainstream+ Club?

Some people don't like change; most callers have favorite calls they like, so agreeing on getting rid of 17 calls is hard.

What is the difference between the old Mainstream (67 calls) and the new Mainstreet (50 calls) list? (I know 17 calls, sort of…)

Basic Calls: Here are the 7 Basic calls which are no longer on the new Mainstream list, or have been combined under a family grouping and therefore don't count as one the 50 calls.

(1) Forward & Back, (2) Allemande Left/Arm Turns are combined, (3) Do Paso, (4) Walk Around Your Corner, (5) See Saw, (6) Circle to a Line and (7) Alamo Style – is moved to Ocean Wave Family,

So yes Callerlab "cheated" a little bit by combining two calls and moving a stand-alone call under an existing "family" of calls to make their 50 list.

Old Mainstream: Here are the 9 old Mainstream calls which are no longer on the new Mainstream list:

(1) Cloverleaf, (2) Eight Chain Thru, (3) Pass to the Center (4) the Allemande Thar Family which include 5-6 (5) Slip the Clutch, (6) Shoot the Star, (7) Walk & Dodge, (8) Dixie Style to a Wave and (9) Spin-Chain-Thru

The following 10 old Mainstream calls are still on the new Mainstream list:

(1) Turn Thru, (2) Hinge, (3) Put Centers In, (4) Cast Off 34, (5) Spin the Top, (6) Slide Thru, (7) Fold/Cross Fold, (8) Tag the Line Family, (9) Scoot Back, (10) Recycle (from waves only).

My view on the 8 deleted Basic calls:

(1) Forward & Back – Deleted as a call, but

added to the preface - so not really gone. Just a little sleight of hand.

(2) Allemande Left/Arm Turns combined – this is like, cheating to shorten the list

(3) Do Paso – ha, you want to put just about any dance floor down from a squared set? Just start with this call. Not to worry, it is almost always called directionally anyway. Usually following Walk Around Your Corner – wait, that's gone.

(4) Walk Around Your Corner – can be called directionally as "face your corner and right shoulder walk around them". Wait, what? This is a traditional call of our dance.

(5) See Saw – can be called directionally as a left shoulder example of above. This is also traditional call of our dance.

(6) Circle to a Line – I'm not going to miss this call at all, there are other ways to achieve the same result (a Partner Line). Again, may be a problem with some singing call timing. But sides lead right and circle four ¾ gets to the same foot prints. Dancers have been "cheating" on this call for years anyway.

(7) Alamo Style – moved to Ocean Wave Family, so not really gone

My view on the 9 deleted Mainstream calls:

(1) Cloverleaf? I'm going to miss this call. I like the symmetry of the call going from a completed double pass-through formation to the double pass to formation. It instills the concepts of dancers moving independently in a leader-follower formation. And I get to talk about making a cloverleaf move is like getting off the expressway.

(2) Eight Chain Thru - probably not going to be missed much, but a bummer for some singing calls.

(3) Pass to the Center - a staple call for moving from an Eight Chain Thru formation to a Double Pass Thru formation. Redundant to Dive Thru, which they should have deleted instead for safety reasons.

(4) Allemande Thar Family - not liked by a lot of callers, but liked by a lot of dancers. And not hard to dance.

(5) Slip the Clutch - not needed if you don't have an Allemande Thar

(6) Shoot the Star - not needed if you don't have an Allemande Thar

(7) Walk & Dodge - used a lot but the calls after the action are limited due to body flow. Except of course Cloverleaf, if Cloverleaf was still a new Mainstream call.

(8) Dixie Style to a Wave - Can be called directionally, sort of, "1/2 Sashay 1/2 (or ladies lead) right pull by and Left Touch 1/4.

(9) Spin-Chain-Thru – I understand dancers don't like this call, and some callers don't use it much, BUT it's the foundational call for Spin Chain the Gears, and Spin Chain & Exchange the Gears. Now all three calls will be on the Plus list.

Note: Single Circle to a Wave was moved from Plus to the new Mainstream, but it doesn't count as one of the 50 calls because it was added under the Ocean Wave Family (along with Alamo Style).

Conclusion: In my view this new Mainstream Program is much to do about nothing. Callerlab is just solidifying numerous 50 call lists into the new Mainstream program; although they punted by combining calls under a "family". With a couple of exceptions (Thar, Cloverleaf) nobody is going to miss anything. Except maybe in non-English speaking countries where helper words in English don't really help.

Historical note; In the year 2000, the T2000 was another shorter basic/mainstream combination almost exactly like what just took place this year. The organization was split and the convention chairman had the tie vote against the program. This time, the new Mainstream program vote went to the entire Callerlab membership, which voted 75% for and 25% against, hence the new program was accepted. The work is not done however, because the new Plus program will have more than 50 calls, some of which will be pulled from the Advance program.

The Old Plus program has 28 calls. Even if 17 calls were moving up to the Plus list (they aren't as discussed above) you would still only have 45 calls. Callerlab states that the new Plus list – not yet developed, most have at least 50 calls. As a result, Plus clubs (most of them around here) will need to learn some new calls.

I don't think it's a bad thing to have Plus dancers learn some new calls. Some easy calls to chose from the Advance list might be: Pair Off, Triple Trade, Grand Follow Your Neighbor, Quarter Thru, Three Quarter Thru, Pass In, Pass Out, Quarter In, Quarter Out and Brace Thru. I believe most Plus dancers could learn these calls in one or two workshops.

We will have to see where Callerlab goes next, but remember we are all square dancers looking for the fellowship, exercise (body and brain) and just plain fun. None of that is changing.

The Square Dancing History Channel

The Aqua Squares

In late 1971, the Benedict Pier in Benedict, MD, contracted Ron Tourney to call square dances on Monday evenings. Ron, and his wife Nina, started lessons for beginners in January, 1972. Initially, members of the Pax Hoedowners, from Saint Mary's County, and the Square Dealers, of Deale in Anne Arundel County, helped organize the club. The group decided that the club would be known as Aqua Squares. Richard Smith of Lusby, MD, donated his skill to produce the design and colors for the club badge and banner. In 1972, when the objective of a substantial increase in business was not realized by the Benedict Pier, the club was asked to leave. The Huntington Methodist church became the club's temporary home; one of many in the years that followed.

On August 12, 1973, Aqua Squares became a member of WASCA (Washington Area Square Dancers Co-operative Association) and was assigned WASCA club number 249. In September 1977, the club adopted by-laws and elected officers.

Several club callers have been associated with the Navy/Air Station at Patuxent River, located in Saint Mary's County, MD. In January 1974, through Calvert County Parks and Recreation, Ron Tourney moved the club dance location to the Calvert High School Field House. In 1975, the Tourney's gave up the club management, but brought in George and Nancy Whitten as club caller and his wife. After the 1977-1978 square dancing season, George Whitten was transferred out of the area. Gary Cogan was taking calling lessons and was asked to be the new caller. The club moved further south and danced in a multi-purpose room at Appeal Elementary School in Lusby. Gary Cogan's first class graduated in 1979. He called for the club from 1979 to 1980. Gary Cogan and his family moved to Florida where he worked with the Space Shuttle. Fred House of San Diego became the new caller with his wife, DeLoy. In 1983, Ben Williams began calling for the club. Ron and Nita Thompson came to the club that year, and Ron Thompson later became the club caller from 1985 to 1997. He was followed by Nick Cline and Bob Bash. The late Virgil Forbes was the club caller from 1999 to 2011. In the fall of 2011, Aqua Squares welcomed two new callers, Bill Harrison and Gary Felton, who are currently sharing the job of club caller. During the 2020-2021 pandemic year, Aqua Squares continued to dance virtually. Aqua Squares has danced at its current location at the Calvert County Southern Community Center in Lusby, MD, for many years, still under the auspices of Calvert County Parks and Recreation.

When Aqua Squares celebrated its 8th Anniversary in 1979, there were 10 squares dancing! In 2024, Aqua Squares welcomed in 10 new dancers and celebrated its 52nd year of dancing. The club sponsors beginning square dance lessons about every other year, which continues to bring new dancers into the club. Aqua Squares actively participates in open houses and demonstrations. Every year, the club celebrates the club anniversary, a costumed Halloween Party, a WASCA Theme Dance, an Ice Cream Social, a summer potluck picnic and other events. Aqua Squares is known for its Southern Maryland Hospitality and actively welcomes visitors, including single dancers.

Robert Abdinoor

Senior Center of Leesburg 2-week Fall 2025 program started Wednesday, September 3rd (3:00 – 4:00P) and will end November 19th. That's 12 weeks of square dancing FUN and there is (again) "no charge" for SCL members.

For your planning (mark your calendar), the 12 dance-dates for the Fall program are...

September: 3, 10, 17, & 24 <> October: 1, 8, 15, 22, & 29 <> November: 5, 12, & 19.

For your consideration and use, see the Fall 2025 flyer/handout, later in this issue with all the details, that can be used to help spread-the-word about the upcoming Fall activity and to recruit new dancers (you can't beat the $0 fee for this exciting 12-week program).

Please address any square dancing questions to me and any administrative questions to Kammi (Cc: line above or call: 703-737-8943 [wk] or 703-599-7039 [cl]).

Thank you! to all supporting this program. If you know of anyone else who may be interested in this square dancing activity, please have them contact me or Kammi and feel free to forward this email and/or attached flyer to anyone you feel might be interested.

SHENANDOAH VALLEY SQUARE AND ROUND DANCE ASSOCIATION

Amy L Clements

The annual SVSARDA dance was held on Saturday September 27, 2025. We had a great time dancing to Ed and Carol Pabst, evening session and Ben Brown for the afternoon DBD.

We had 7 clubs represented at the afternoon DBD, 8 clubs, 2 WASCA reps and an independent at the evening session. we also had 4 visiting callers, Mike McIntyre, Charles (Chuck) Chesteen, Gwenda Brookman. Warren Painter. We appreciate their support. \

Thanks goes out to Steve Cunnion and Maggie Ciotti for coming and telling us about WASCA and being on hand for questions and registration info. It was good to have them visit with us and we enjoyed dancing with them as well.

The 50/50 was won by Marti Michels.

Special thanks to Waynesboro Circle 8 for hosting the dance and providing us with a fun evening.

We hope next years dance will have more attendance, I know the rainy weather hampered a lot of folks from traveling and we will cross our fingers for better weather next year.

I hope to see you all at some point soon on the dance floor,

"What works best? …**DANCE**… It's FUN, it involves other people, it's exercise, it challenges you to learn patterns and movements."

Mike is frequently asked what is the dancing level for his cruises.

Here's the answer:

A survey will be sent to all signed up for the cruise (about 60 days prior to the cruise departure date) asking what levels you want to dance from SSD through C1 while on the cruise. NOTE: You will be asked to mark all levels you want to dance, not just one. The dance sessions will be scheduled accordingly.

Delegate Meeting Minutes

September 28, 2025

A delegate meeting was held on 2025-09-28 with everyone attending via Zoom.

Tom Stafford indicated there was a quorum of 24 and the meeting was called to order.

PRESIDENT'S OPENING REMARKS

We've had an interesting time since, we last had a meeting. We have two new officers. I'm Steve Cunyon, now the president. I want to thank, Bob Lawn for being a president the last two years.

We have a new secretary, Bill Houston, and Jan has moved to a corresponding secretary, or she does all the well, get well cards and, happy birthday type of stuff. So, if you have anything, in that order, just get ahold of Jan.

We've found out some interesting things in the last few months. When we tried to add a new club we found out that our corporation is not in good standing with the DC government. John Davis will address that a little bit later on. We're going to have several motions to vote on to rectify these problems and we have and to induct a new club.

APPROVAL OF MINUTES

Amy Clements made a motion and Lisa Alfred seconded to approve the minutes of the May meeting. They were approved as submitted without objection.

TREASURER'S REPORT

After some discussion it was determined that detailed financial information was not included in the material sent out before the meeting. The President, Treasurer and Secretary committed to sending out more detailed information shortly. (Secretary's note: The financial information was sent out on the Wednesday following this meeting and is included in the attachments.)

2026 FESTIVAL UPDATE

We have had a really active summer, the 2026 Festival Committee, been doing a lot of traveling, and the bulk of my report was in calls and queues in terms of the traveling that we're doing where WASCA has been represented, and by represented, I mean that we've had a table with a display, and we've been able to speak at a festival. So you'll see that information in calls and queues. We have just started our visitations for, the WASCA theme dances. And those have been going well. If your club has not signed up for Theme Dance, if you've not confirmed that, if you could reach out to Maggie, and Maggie has certainly been

reaching out to club presidents, to confirm theme dances. So, so far, that's on schedule, and I think that's been going well.

We've got all of our callers, set up, and including our emergency and alternate callers, and cuers, so we've got all of that set up. The festival is ready to go. The only things that we're working on right now are what I would consider to be the additions to the festival. So, you will be getting correspondence from our basket coordinator to, see if your club and or somebody in your club wants to send a basket in, as WASCA has traditionally, we've had baskets. We're going to be asking that people do baskets again, and you do a basket that actually represents your club and/or someone in your club. You will also be getting correspondence from, our booster coordinator, so you'll be hearing from them. Does anybody have any questions, concerns? Because everybody knows what to do, you know how to register; you know how to get your hotel room.

As you all know, many people have asked that we have some sort of badge service. At the festival, as we've had in previous years, but it has been extremely difficult to find an engraver who will come to our festival, and it's not just really about our festival, it's about really all of the square dance festivals, and probably the round dance festivals. It's just been extremely difficult to find a vendor that is willing to come and sell badges, which is why we are all dealing with the same badge makers. None of those badge makers are actually in our region of the country. So we have been trying to focus on getting additional badge makers, and Amy has come up with a suggestion, and so we're going to be working on, potentially working on that.

There will be clogging at the festival. We haven't gone to see the room yet. I've been talking to Jeff Hill about doing a clogging demo during the opening ceremonies that'll be centered around a piece of the music from the Stayin' Alive album.

In order to get more flooring in the round dance rooms Steve Cunnion has arranged with a hotel to not to put up the large stage and put down an extra row of flooring in both round dance rooms. The goal is to try to give the round dancers as much flooring as we can. The round dancers don't need all of the staging that we use in the other halls therefore we can use that space. We will also be moving the table to the end rather than having it face-on when you walk in the doors.

The registration price increase will be going up at the end of October. Everybody who's registered for the festival in the last couple of years will be getting an email to remind you that if you have not registered, you should go ahead and register before the price increases at the end of October. In addition to that, we're urging people to hurry up and register for their hotel because we are potentially looking at overflow space in other hotels, and so we're really urging people to do both of their registrations for the festival and the hotel as quickly as possible. Right now, we're looking at about 350 registrations. It's probably maybe 20 or so more than that, because I'm going to be sending in a report soon for the online registrations, and I know that Linda and Steve probably have more. But so far, we are really on track compared to, the 2025 festival in terms of registrations. We are hoping that we will not have to announce any kind of registration cut-offs and that we will be able to accommodate everyone those of you who attended the 2025 festival, you saw the numbers, and you saw the rooms. We will have a little bit of overflow room in the hotel this year, but again the large ballrooms are the size that they are. There is nothing we can do to make those ballrooms bigger. So that's my festival report.

The issue of a day rate for Saturday was raised by a delegate. Lisa reported that this has come up many, many times, particularly for individuals in the region who do work and want to attend the festival. So that has been kind of one of those outstanding issues that people have constantly asks me about. The answer is we do not do day rates.

CORPORATE STATUS AND REINCORPORATION

Under new business Steve Cunnion asked John Davis to tell the meeting about the legal status of our corporation.

John Davis stated you have the legal advisor report in what was distributed but for those that didn't get it or haven't read it in researching the process of amending the articles it was discovered that actually the last annual report filed was in 1994. And they were required annually. They have changed to biennial now. Once every other year, but that didn't happen till recently. So, a corporation that doesn't file its report is not in good standing and its status can be revoked. As is WASCA. We can revive it but you have to file every single report that wasn't filed. And you have to pay not only the fee that was due, But also, A penalty. The fee is $80, the penalty could be $50. Obviously, it's more than 30 years of reports.

To revive it is a tremendous cost. The board was presented with the alternatives. One would be to revive it and go through all that process, or attempt to revive it. The second would be to incorporate it someplace else. DC has always been a problem because you have to have a resident agent. You can have a corporation as a resident agent, but they charge, and it can be around $300 a year to do that, or it can be an individual within, the state. For that reason, I recommended that if we're going to reincorporate we look to reincorporating in either Maryland or Virginia. It makes more sense. There are more dancers in Maryland or Virginia, and the laws are equivalent as far as non-profits. If we reincorporate, we could consider reincorporating as a 501c3. We're not presently a 501c3. We are a non-profit, but people who contribute or donate to the organization, cannot claim an exemption under the tax laws, because it's not a 501c3. If we did incorporate it as a 501c3, it would be as an educational institution just as USDA (United Square Dancers of America) has incorporated as a 501c3. John was not sure whether Baltimore (MDSDF Mason-Dixon Square Dancers Federation, Inc.) is a 501c3 or not. Bill Houston indicated he had heard that they just achieved that goal. John recommended it either be in Maryland or Virginia. If it was Maryland, John advised the board that he could serve as the resident agent using his home address or office address, both of which are in Maryland. The board did come up with a motion.

Discussion ensued and the following points were made:

> Both 501c3 and 501c4 corporations are non-profits and do not have to pay taxes. The benefit of a 501c3 is that a person donating money is allowed to take a tax deduction. This is the same in all three jurisdictions.
>
> Another reason for being a 5013C, and that is our lovely Fairfax County Senior centers insist on us having it as well as some locations in Maryland.
>
> The current EIN will continue to be used until the assets and bank accounts are transferred to the new entity. Both entities will have partial tax years. Due to slow processing at the IRS our reincorporation process may take up to a year. Even though there's going to be some lag time we will still be able to operate as the old entity.
>
> WASCA was incorporated in DC as a 510c4.

A motion was made and passed to proceed but John immediately clarified that the motion should match what the board approved. The board approved a motion to “Authorize the Executive Committee and legal advisor to incorporate WASCA in Maryland as a 501c3 corporation and apply to the IRS for an EIN. The Articles of Incorporation should contain the absolute minimum required bylaws for the new corporation

containing the remainder of the required operational procedures should be drafted by a committee composed of current WASCA dancers."

Discussion ensued about the order of events and when the entity would actually qualify for 501c3 status since that is provided by the IRS. The corporation has to be created in Maryland before it can apply to the IRS for the 501c3 non-profit status. There are two steps.

Steve Cunnion made a motion that the delegates vote on whether we reincorporate under what John had read in Maryland, as a C3. Amy Clements seconded the motion. The motion passed with what appeared to be one opposed and everyone else in favor.

AND TIMES

The 2027 festival dates are the 1 th to the 20th of March.

The 202 festival dates are the 16th to the 1 th of March.

The hotel fees for 2027 and 202 will go up $6. So instead of $13 a night, they'll be $145 a night. It was noted that $20 of the room fee will still be returned to WASCA. The registration fees will be the same.

The cuer contracts have been sent out for 2027. The caller contracts for 2027 have yet to be sent out because we're still deciding who the callers are going to be.

CHANGES TO ARTICLES OF INCORPORATION AND BY LAWS

There are three proposed motions to change the Articles of Incorporation and the By-Laws that were sent out with original meeting notice and they will be attached to these minutes.

The first changes the definition of square dancing to include clogging in the definition of square dancing in the Articles of Incorporation and it removes the requirement that there be couples in a club in two locations.

The second one clarifies that Office holders shall be from the among the dancers of the active of membership rather than some other wording which was confusing as to whether a club was an officer or an individual was an officer.

The third motion under consideration removes conflicting prohibitions against mail. Recently passed clauses allow all business of the WASCA to be transpired by multiple means, including email and postal mail. This motion removes conflicting prohibitions against postal mail voting in couple of other locations.

There was a desire move each motion individually.

Bill Houston moved approve Motion 1 and Steve Cunnion seconded. The motion was passed without opposition.

Bill Houston moved approve Motion 2 and Steve Cunnion seconded. The motion was passed without opposition.

Bill Houston moved approve Motion 3. The motion was passed without opposition.

NE CLUB

At the September 21st board meeting the board passed a motion that said Cardinal Cloggers would be admitted if the previous three motions were passed. Since the motions were passed Cardinal Cloggers will become a member. They will be admitted after the meeting and they will become a voting member because they have been dancing for some time. They are an active club and they will be participating in the WASCA clogging. They dance at the Herndon Senior Center most Friday nights.

COMMITTEES

Four committees were discussed at the board meeting. The first is a standing committee, the nominating committee. Every year we have elections, and we need to have a chairman of the nominating committee and members to find out who will be up for the officers in that coming year. The President will accept any names that are put forth to join the nominating committee.

The first new committee that was formed was to write the new By-Laws for the new corporation. John Davis and Bill Houston have both volunteered to be on the By-Law Committee. The board is looking for additional committee members.

We'll also be starting a recruitment committee, and we're looking for members also.

And one more committee is the Red Book. The Red Book hasn't been updated since 2001, and we need a committee to rewrite the Red Book, which is the guideline to do the festivals.

So please, anybody who would like to volunteer their time, please get in touch with the President and we'll start forming up these committees. Anyone who is a dancer, not just delegates, can server on the committees.

DELAGATES REPORTS

Both the written and verbal reports from officers and delegates are attached to these minutes.

ADJOURN

Steve Cunnion moved to adjourn the meeting and Amy Clements seconded.

The meeting was adjourned without objection.

Respectfully submitted;

Bill Houston

WASCA Delegates Meeting – September 28, 2025

Proposed Motion #1

The current Articles of Incorporation and By-Laws require member clubs to have eight couples and do not allow clogging or line dancing. A number of current member clubs and an applicant club do not meet one or both of these requirements. To correct these issues the following motion will be proposed to allow a new member club to apply and several existing member clubs to continue in good standing.

Move to make the following changes to the Articles of Incorporation and By-Laws:

Articles of Incorporation Article II Section b

Add clogging and line dancing to the definition of the term "square dancing" in the broad sense.

Articles of Incorporation Article VI

Remove the phrase "consisting of not less than eight (8) couples, ".

By-Laws Article I Membership - Section 1, Criteria

Remove the phrase "consisting of at least eight (8) couples, ".

Proposed Motion #2

In order to make the qualifications for office consistent throughout Sections IV and V of the By-Laws and make it clear that office holders are individual dancers and not the member clubs the following motion will be proposed. .

Move to make the following changes to the By-Laws:

By-Laws Article IV Board of Directors - Section 1, Directors

Change "from the membership" to "from among the dancers of the active membership".

By-Laws Article V Committees - Section 1, Nominating Committee

Change "from among the active membership" to "from among the dancers of the active membership".

Proposed Motion #3

Article II Section 7 of the By-Laws permits the business of the Association done by its members, acting by and through their duly elected Delegates to be conducted via multiple means of communication including mail. Both of the sections that would be modified by this motion currently state "Voting by proxy or by mail shall not be permitted". In order to make the permitted methods of conducting business consistent throughout the Articles of Incorporation and By-Laws the following motion will be proposed.

Move to make the following changes to the Articles of Incorporation and By-Laws:

Articles of Incorporation Article VII

Remove the words "or by mail" from the last sentence.

By-Laws Article II Association Meetings - Section 4, Voting

Remove the words "or by mail" from the last sentence.

OPENING REMARKS

Things have changed considerably, since our last meeting. We need to do a lot of things and if you've been seeing the emails, you've been voting on a lot of motions that we have to do to correct the situation.

APPROVAL OF MINUTES AND NEW MINUTES FORMAT

Starting with this meeting the minutes will no longer be a dialogue like they have been before.
They will be in a bullet point format and no individual's opinions will be quoted. Hopefully that'll make them easy to convert to a summary that can be published, which we should be doing anyways. The entire Zoom transcript of the board meeting will be kept on file and will be provided to board members on request.

TREASURER'S REPORT

"We're doing well, we're very, very healthy."

2026 FESTIVAL STATUS

All the 2025 vendors from 2025 will be returning. Hopefully the Good Feet Store, a foot ware vendor will come to the 2026 Festival for at least one day. They do inserts. We can advertise the time that they would be there and hopefully they will be able to provide our dancers with some shoe inserts that will be helpful for various foot, knee conditions.

The other thing that is being focused on is the badge issue. We're now looking at possibly using a Cricut machine.

Our festival registrations are at about 350. We'll be sending out a notice in October about the increase in the registration fee. We are about 40 ahead of last year. As we get closer to the festival we will have to talk about the issue of capping the numbers if we get anything close to what we got in 2025.

CHANGES TO ARTICLES OF INCORPORATION AND BY-LAWS

Three motions that modify the Articles of Incorporation and the By-Laws were approved by the board via Email in August conceptually. The Secretary and Legal Advisor have since refined their wording. The first motion removes the requirement for a member club to have 16 dancers and allows clogging. The second motion clarifies language that states that dancers who are club members hold offices, not the member clubs. The third motion eliminates restrictions on voting by mail since other recently added provisions explicitly permit all business by multiple forms of communication including mail. The board approved the revised wording of these motions and they will be voted on at the delegates meeting.

,

EMAIL VOTING SUMMARY

Six additional Email motions pertaining to festivals were proposed and passed in September. These motions made Lisa Alfred the director of 2026, Maggie Ciotti the assistant director of 2026, Maggie Ciotti the director of 2027, allowed local cuers and callers to be paid by the hour and approved the lists of 2026 and 2027 cuers.

CARDINAL CLOGGERS ADMISSION

Cardinal Cloggers to WASCA membership will be effective as soon as the By-Laws and Articles of Incorporation are modified to allow clogging and eliminate the minimum dancer requirements.

REINCORPORATION

When the Legal Advisor was working to modify the Articles of Incorporation to remove the sixteen member requirement and allow clogging he found out that our corporation is not in good standing in the District of Columbia due to the lack of filing annual reports since 1 4. To correct this issue either 30 years of repts would have to be filed at significant effort and expense or WASCA can reincorporate in Maryland or Virginia. The Legal Advisor indicated his home address in Maryland could be used as the official corporate address. Discussion indicated the board preferred the Maryland option and the following motion was made and passed.

> To authorize the Executive Committee and Legal Advisor to incorporate WASCA in Maryland as a 501(c)3 corporation and apply to the IRS for EIN. The Articles of Incorporation should contain the absolute minimum required. By-Laws for the new corporation containing the remainder of the required operational procedures should be drafted by a committee composed of current WASCA dancers.

BY-LAWS COMMITTEE

The President proposed forming a committee to rewrite the bylaws. The secretary had previously volunteered to head this committee. The Legal Advisor volunteered to join the committee. A motion was made and the board approved the formation of the committee and the two initial members. Additional volunteers for this committee will be solicited at the delegates meeting.

RECRUITMENT COMMITTEE

The President proposed a committee for recruiting new dancers. Since several clubs are having classes it would be desirable to have them come together to have a dance at the level of the training at that point. The committee would be in charge of these dances and other appropriate recruiting activities. A motion to establish the committee was proposed and passed. A chairperson and volunteers for this committee will be solicited at the delegates meeting.

RED BOOK COMMITTEE

The President would like to have one more committee form, and that's to update the Red Book, which hasn't been updated since 2001. The Red Book details all the steps and activities required to hold the annual WASCA Spring Festival. A motion to establish the committee was proposed and passed. A chairperson and volunteers for this committee will be solicited at the delegates meeting.

CALLERS

The President stated that the caller contracts for 2027 needed to be finalized by the end of October. Both Nick Capozio and Maggie Ciotti had provided lists of possible callers for 2027. Other board members had additional suggestions. Initially a motion was made and passed to approve three callers who were clearly acceptable to all. Further discussion indicated there was not agreement on who the remaining five callers should be. The President stated that the board would have to vote on each individual caller. The board will be provided the list of possible callers and each board member will vote and the eight callers who receive the most votes will be selected. In addition to callers that have already been proposed additional recommendations from board members and delegates of callers that they have recently heard they will be added to the list of candidates. One week will be allowed for suggestions before the list of candidates is provided to the board for their vote.

HOTEL CONTRACTS

Another hotel has contacted the President asking to be the overflow Hotel. It is the Holiday Inn which is next to the Expo Center. Their contract will be reviewed and their availability will be announced once the required number of room nights have been reached at the Dulles Hilton.

DANCE LEADER CONTRACTS

Contracts for the 2027 cuers will go out shortly. Clogging instructors will be issued contracts and paid at the same hourly rate as the local cuers being used for the 2X2 dances.

BADGE SERVICE

The badge service was discontinued some time ago. A question was raised about using the equipment to make badges for member clubs. The equipment will be retrieved at an appropriate time after the former badge service couple has dealt with a family illness.

Respectfully submitted;

Bill Houston
WASCA Secretary

Legal Advisor

The following legal report was originally submitted to the Board.

In researching what would be required to amend the Articles of Incorporation for WASCA, I discovered that WASCA's status with the District of Columbia has been revoked. According to the DC Corporations Division, the last Annual or Biennial Report filed was for **1994**. We could revive it if we filed every Report that was required from 1995 to 2025, but each filing would require a filing fee (currently $80.00 per report) and potentially a past due fee (currently $50 per past due report). That is 30 years of reports, although the requirement has changed to biennial reports in 2022. That would be a massive undertaking, at a considerable expense. I would recommend instead that we either 1) reincorporate in the District of Columbia or 2) incorporate as a Maryland or Virginia corporation using the same name. If we reincorporate in DC, we have to list a principal address in DC and provide the name and address of a resident agent that lives in DC or is a corporation or limited liability company organized in DC specifically to provide such services. Such companies can charge an annual fee of up to $300.00 to serve as a DC registered agent. We could use an individual who actually resides in DC to serve as registered agent and use their address as the principal office of WASCA in DC but I do not personally know any dancers living in DC. We have many dancers that live in Maryland and Virginia and my office or home address could be used if we chose Maryland.

If we reincorporate, we could use the language of the current Articles of Incorporation, but it would make more sense to change the language to what we want it to be.

Unless we revived WASCA in DC, we would need to reapply to the IRS for nonprofit status, and in doing so we would need to decide whether to reapply under the current association exemption or to seek qualification as a 501(c)(3) entity, which would allow donors to claim a deduction but also might require WASCA to include educational offerings at its Festival or otherwise and might require additional registration with DC or the state of registration to solicit funds in the jurisdiction of corporate registration.

.Membership and Information Services

WASCA currently has 46 clubs. We have removed Marshall's Deputies; Plains Promenaders; Spinning Windmills and Swinging Squares as all four clubs had let us know they were inactive.

The WASCA Club Membership database has been updated. All the email addresses for the managers and delegates have been forwarded to the Secretary. The Directory in Calls 'n' Cues was updated for the September Calls 'n' Cues. The database was shared with the Publicity Chair for her Web updates. It's always a good idea to check with the club if you have not attended the club before as start times and locations can vary.

ROUND DANCE LIASONS' REPORT TO THE WASCA DELEGATES

SEPTEMBER 28, 2025

We have traveled to multiple dance locations over the summer, making sure the 2026 WASCA festival flyers have been distributed, as well as often displaying our WASCA trifold poster board. These locations included the Purdue University Round-a-Rama in West Lafayette, Indiana; "Super Sunday" at the Hayloft in Sturbridge, MA; the Dixie Round Dance Council meeting and dance in East Ridge, TN; and Accent on Rounds in Fontana Dam, NC. We have also made sure our local cuers have an ample supply of 2026 WASCA flyers to distribute to their dancers. In early October we will again attend and display our trifold and flyers at the (final) Autumn Round A Rama in Dundalk, MD.

We continue to work on staff and programming for both the 2026 and 2027 festivals.

I must report that there is real enthusiasm for the WASCA Festival in the Round Dance world, partly due to our use of nationally known Round Dance leaders, but also because the festival is well-organized and well-run and the dancers feel good about the teaching as well as available dance levels. I hope that tradition continues so the experience continues to be stellar.

WASCA Delegate Meeting Report from MDSDF/SSBF

The 61st Star Spangled Banner Fes-val will be held on July 16-18, 2026 at the DoubleTree Hilton in Pikesville Maryland. We will feature Mainstream-C1 and Rounds levels II- VI. Our theme this year is *"Getting Our Kicks in 2026."*

Our callers and cuers are:

Ken Burke, Bill Harrison, Eric Henerlau, Dayle Hodge, Tony Oxendine.
Rey & Sherry Garza, Amy & Ken Shotting, Curt & Tammy Worlock.

Registration is coming along nicely. We are in the second phase of our pricing at $135 for full festival registration until April 1, 2026. We have daily rates for Thursday evening, Friday only and Saturday only.

MDSDF did a survey in April 2025 to determine if raising prices to include the wood flooring would deter dancers, giving them the opportunity to vote for a one day event. Over 80% voted to keep the festival and raise the prices so that they include the wood flooring, thereby eliminating the need to fundraise for the flooring separately.

We are scheduling promotional dances now and encourage everyone to register early. The 60th Festival had 359 attendees, our largest since COVID and we are shooting for more this year.

We have voted not to start a new class this September, but to get our newest dancers ready for the festival in 2026. We are collecting cash donations for our local Women's and Children's Safe house. We have holiday dances coming up: Halloween and Christmas. You are always invited to beautiful southern Maryland. Come on down, we love company.

January 11th - Caller Jim Wass

Village Swingers' Report

The Village Swingers' first dance for this school year was held last Saturday with David Hartman subbing for Kenny Farris for our "Yakety Yak" Dance (All 50's songs) from 7:30 - 9:30 p.m. We have changed our location, and we will be dancing in the Glenmont United Methodist Church at 12901 Georgia Avenue, Silver Spring, MD 20906. We participated in four banner steals last year and are looking forward to doing that again. So, if your club dances Mainstream and you are interested in banner stealing, please contact me at 301-552-1576 which is my home phone or 301-793-5590 which is my mobile. We will be continuing to dance every first and third Saturday, and we hope to see all your smiling faces at some of our dances this year. Here are this year's dances:

October 4th - Our Usual Good Time
October 18th - "Working Man Blues"
November 1 - Our Usual Good Time
November 15 - "Staying Alive!" (WASCA Theme Dance)
December 6 - Our Usual Good Time
December 20 - "All I Want for Christmas is You Here"

Remember: Life isn't about waiting for the Storm to Pass. It's about learning how to dance in the Rain.

Ginny Fromel, Village Swingers' Delegate

Frederick County Promenader's

The Frederick County Promenader's Square Dance Club started off our new season with 45 members. We had two club dances in September, and also started our Wednesday evening lessons in early September. To date, we have 8 new students.

On Saturday, September 20th, 17 Promenader's performed a demo at The Great Frederick Fair. Along with performing, for several of the tips, we engaged onlookers into the dancing. Robert Abdinoor was our caller.

Please check out our website: www.frederickcountypromenaders.com for our dance schedule. We typically dance the first Sunday and the third Friday of every month, however due to festivals and other reasons, sometimes our schedule changes.

Reports for the WASCA Delegates Meeting September 28. 2025

Calls ‘N’ Cues

Good Evening All

As I tell anyone who will listen, Square Dancing is my SECOND passion, with Theatre being my FIRST passion. Since 1960 Sunday night has been my theatre night. So while you are participating in this Delegates I am sitting in the Shakespeare Theatre's Harmon Hall enjoying Merry Wives, Jocelyn Bioh's transposition of Shakespeare's Merry Wives of Windsor from late 16th century Windsor to modern Harlem

However, returning to Square Dancing, Calls'N'Cues is being published every two months throughout the year with the September/October issue being published the first of September. Calls'N'Cues is only as good as the submissions from Square Dancers. I encourage each club to send me news and pictures of their activities and their club's flyers, both for the dancing season and for individual dances. Clubs submitting fewer than 4 pictures will see them published as part of their club news paragraphs. Four or more pictures will be published on separate pages in the "Picture Time" section. These can include general club pictures, or pictures from special events (such as Christmas or New Year's Eve dances) . When you send me pictures, please include captions.

The next issue will be November/December and January/February. The deadline for submissions will be 15 October (for Nov/Dec) and 15 December (for Jan/Feb). Please send them to me at editor@wascaclubs.com or ecragg@alumni.rice.edu.

TOM THUMB

Andy Braid: We did have our 60th anniversary dance on September 12th, which was very successful. We had 8 squares. And, our classes began on September 8th, and we have 4 students with Ed Trevor, instructing, and a full calendar for 25-26 year.

SVSARDA

Amy Clemnets: We have currently, 9 dancing clubs. Last night was our annual SVSARDA dance. We had a really good turnout. It was my first kind of official thing by myself, and I think it went well. I'd like to thank June Baum, she's got the patience of Job, for answering all my questions and helping me out with that. We have, some of our clubs have already started classes, and they are going very well.

DC LAMBDA SQUARES

Susan Mays: Hi, can I chime in? Sure. She's amazed DC Lambda Squares, first time here, haven't really been involved much with WASCA since I was, I don't know, 17? Didn't know about submitting a report in advance, but just to let y'all know what we've been up to, we're in the middle of a class of new mainstream dancers. I think we have, 7 people in the class, very enthusiastic, having a great time, learning a lot, learning fast, we're very excited, and we're hoping to start, planning our next class, very shortly. We also have our annual Harvest Festival… Harvest Festival Hoedown fly-in coming up November 7th through 9th at the beautiful Hilton Harrisburg. Currently the registration for the full weekend is $120. The rate does go up on October 22nd. We do have a new dancer rate of $80 for the full weekend. We also have a day rate, $40 per session, or $80 for all-day Saturday. You can get more information and there are links for registration and also hotel reservations at DCLambdaSquares.org. We'd love to see y'all there.

MDSDF

Jackie’s Boggs: Hi, I'm Jackie Boggs for MDSDF and Star Spangled Banner Festival. I did submit a report, but I just want you to know that Star Spangled Banner is, live and kicking. We're getting our kicks in 26. We have a lot of registrations already. We're really looking forward to it. We've been putting information and calls in queues. Our initial price was $125. We're at $135 now until April 1st. Wait till after WASCA to raise it, and hopefully we'll get some more people then.

We have, 5 callers, 3 cuers and we're shooting for a really good time and hopefully we topped really well last year. 2025 gave us, 359 dancers, and that's the most we've hit since after COVID, and we're looking to have even more this next year. If you have any questions, just let, you know, anyone can email me or anything else. We have a really cute t-shirt on sale on the website. If people want to order them, they're from a private vendor so you can deal directly with the vendor. You don't have to see any of us to do it.

MACA

Kathy Zottman: And since I'm off mute, Kathy Zottman, MACA Mid-Atlantic Challenge Association, also my first time at a WASCA meeting, so hello, everyone. Couple things, we have our next dance coming up is Saturday, November 1st. It's our annual membership dance with Kent Forrester and Doran McBroom Dancing Challenge, and then our spring weekend is, April 25th and 26th with Don Mosier from Canada. Also, we had our meeting yesterday and talked up the WASCA Festival and reminded everybody that last year sold out and to get the registrations in and if it's okay with Steve, I can also, for Dale's answer say that on the Sunday of WASCA we're going to do our challenge Sunday again. That went really well last year, and we're excited about that, so…

FRIENDSHIP SQUARES

Maggie Ciotti: I… I didn't get a report, really, for friendship either, because I'm doing it as an alternate. We did start our new classes, we have about 11 students, my understanding, and it started on the 24th of September and we've got Dave Hartman as our teacher and caller so we're looking forward to having good students that stick by us and come back.

I also wanted to talk about the Christmas dance. We've got Dean Singleton and Peg Kincaid: It's on December 6th. It's a buffet dinner, and dancing till 10.

TOYS FOR TOTS

Bill Houston: And while we're talking about Christmas, don't forget the Toys for Tots, which is on December 7th. Toys for Tots is going to be the same place Sunday Dancers and Village Swingers are which is the Glenmont United Methodist Church on Georgia Avenue, about a half mile north of Randolph Road.

VIRGINIA STATE SQUARE DANCE CONVENTION

Tom Stafford: Virginia State Square Dance Convention is February 19th through 21st, 2026, at the beautiful Holiday Inn, Virginia Beach, Norfolk. We'd like to invite all of you to come and enjoy our fun. We have callers from all over the area, Ohio, and Tennessee and Virginia and Maryland, too, so… as well as Virginia, so we'd be happy to have you come and dance with us.

MERRY NOTES

Tom Stafford: We're doing fantastic. You know, we've been struggling, the Merry Notes out in Herndon, Virginia. It's not that far, guys, if you want to come and dance.

Plus class that started up, and a beginner's class. So that's free on Thursday nights. We have two squares of basic dancers, thanks to Robert Abdenor who sent us a lot. We also have a square of Plus. So we're, we're doing pretty good.
Steve Cunnion: Any more comments? Announcements?

ZIG ZAGGERS

Beth B VA: Well, I can welcome you all to come to Zig Zaggers 1st, 3rd, and fifth Fridays, advanced.
Beth B VA: In Virginia, dance at Kilmer Middle School, and we would love to have you join us.

NCASDLA

Dick Otis: So, on Castle, I had elections here this summer, and our new president is Bruce Mitchell. Gary Felton, who used to be president, is now vice president. I'm the new treasurer. Some people didn't know that, but… and Ed Trevor is our secretary. So, we have a seminar for callers coming up here on October the 25th. And that will be held at Lincolnia on Saturday. So, we will be looking for a few sterling dancers to come join and let the students have people to practice on. If you're interested, let me know.

BUSY BEES

Susan Zuckerman: Busy Bees is dancing the second and fourth Tuesday at Oakton Elementary School, plus level. Chris Stacey is calling.
