# The Editor's Desk

It is WASCA Festival Time. I want to address this column to you relatively new dancers. As I am sure you are finding out, the Square Dance Community is very welcoming to dancers. If you have taken the opportunity to visit other clubs, you have found that they are very welcoming and, depending on how far away you are from your home club, you may find dancers you already know there. To encourage this dancing camaraderie, new dancers are invited to regular student dances. While these dances provide an opportunity to practice your new skills, they also provide you with a chance to meet other dancers. In addition to other students these dances also will have a number of angels attending so you can get to meet experienced dancers. Please go and introduce yourself to others – if you don't you will be missing half the benefit of going to the dance.

Now for experienced dancers the equivalent of the new dancer dances are festivals and conventions. The spring festival is WASCA's raison d'être. Back in the 1950's there were Atlantic Conventions. In 1960 local dancers formed the Washington Area Squaredance Cooperative Association (WASCA) to carry on the annual festival. Now 64 festivals later we are having our "65 and Staying Alive" Festival. If you have never attended a festival, you are missing a major benefit of dancing – the socialization. Later in this issue is an article on the medical benefits of dancing. The socialization benefits are just as important. Those of us on Medicare are used to the regular loneliness and depression questionnaire. With the dancing community at my back, I have to laugh at the questions – I am neither lonely or depressed – nor do I know any dancers who are. Attendance at regional festivals and conventions provide a circle of friends from all over the region. Attendance at National Conventions extends that circle worldwide.

Come to the Festival, if not as an attendee, at least as an angel for the student dance on Saturday. While there enjoy the non-dancing parts of the festival – the vendors, displays, and Second-hand Rose sale. Also meet and socialize with other attendees, especially those from further away – you will see them again at other festivals.

And that is it for this issue. Until next month

#### **It's WASCA Time!**

Yes, it that time of the year when you get to do your thing. Square dance. Round dance, Line dance, and now Clogging. Plus you will get to square dance by black light, do hex Squares, progressive squares, and dance in your polyester Disco clothes from the 70s. Yo, John Travolta!

One of the ways WASCA honors outstanding dancers for their passion to square dancing is to present the WASCA Dancer Appreciation Award at each festival. Anyone in WASCA may nominate a person they feel has done outstanding service to our dance community. This year we received a remarkable 13 nominations. The last five winners

were: 2025, Pete & Paula Ropshaw; 2024, Virginia Fromel; 2023, Laura Vykol; 2022, Betty & Lou Mastrobattista; 2019, Jan & Alex Dommerich. (Covid nixed any awards in 2020 and 2021.)

The Delegates voted for 6 WASCA board positions in February: President, Vice-president, Treasurer, Secretary, and two regional board members. The delegates voted to extend the terms of the first four positions and elect two new persons, Joyce Duffy and Amy Clements, as regional board members. We would like to thank the outgoing members, Fran Hernandez and Mike & Carol McNamee, for their time, energy and devotion as members of the board. The new board will commence June 1.

# RDTA President's Message

by  
Ken & Berni Ryder

## Dear WASCA dancer friends:

Now that we have survived three plus weeks of ice and "snowcrete" challenges that forced numerous dance cancellations, we suspect you all, like Berni and me, are ready for the end of winter and accompanying snowfalls. It's time to get to spring-time and renewed dancing. A great start was the VA State Convention February 19-21 at the Holiday Inn VA Beach/Norfolk Hotel and Convention Center. We were joined by four other RDTA cuers -- Calvin and Barbara Crofford, Christina Eum, Eileen and Chip Hopper, and Jim and Kathie Kline in the round dance hall with Mike McIntyre and Carol Pabst cueing in the 2x2 hall. With 7 teaches and several figure clinics, we had a full schedule of dancing. We all thoroughly enjoyed seeing and dancing with so many of our WASCA, MDSDF and VA area dancers. The dancing was energetic and entertaining as everyone enjoyed Christina Eum's historical round dance program that "backtracked to a throwback".

As we roll into March, we're all looking forward to the 65th WASCA Festival. Some of us may look 65 in the rear view, but we're sure "stayin' alive" and expect the exceptional cuer couples on staff -- the Garzas, Lewis & Baumhardt, and the Worlocks will provide everyone an outstanding dancing event. Amy and Ken Shotting are the program coordinators for the Round Dance Student Invitational at this 2026 WASCA Festival. They are working with the Garzas and Lewis & Baumhardt to assure WASCA round dance students will have a stupendous dancing experience during the Student Invitational on Saturday, March 28 from noon to 2PM in the Potomac 2/3 Ballroom. We also

want to remind round dancers to consider joining two of their favorite local RDTA cuers -- Christina Eum and Eileen and Chip Hopper --who will provide phase II-IV dancing during the RDTA hour on Saturday, March 28 from noon to 1PM in the Potomac 1 Ballroom. Why not take a late lunch and join them for an hour dancing some of your favorite dances that are not already on the current WASCA round dance program.

In addition to these special dances, your local RDTA cuers continue to dance at their Maryland and Virginia round dance and 2x2 clubs. Check the schedules later in this issues for specific times, days and locales. Finally, why not shake off your lethargy and join all those WASCA round dancers having fun dancing with their special partners to great music. Check with your local cuers or the information in this Calls 'n Cues issue for a basic round dance class convenient for you. Make 2026 your time to get down and rumba, cha ,waltz, two step, and jive!!

Stay safe and healthy. We'll look forward to seeing everyone on the dance floor during the rest of 2026.

The day has arrived to finalize all things WASCA Festival, and you want to know what we have planned. Dancers from across the region and the country will gather to celebrate all things DISCO!

Some of the most memorable disco moments were seared into our memory from these events:

- Studio 54, the iconic New York City discotheque, officially opened on April 26, 1977.
- Saturday Night Fever was released on December 16, 1977
- Staying Alive was released on July 15, 1983. Both films starred John Travolta as Tony Manero.
- And in March 2026, we will add WASCA to this list.

Disco music and fashion remain popular at parties. Something happens in your soul when you hear "Night Fever" and "Stayin Alive", not to mention "You Should Be Dancing" by the Bee Gees. What about "I Will Survive" by Gloria Gaynor. Disco music will last forever!

The callers/cuers have been asked to incorporate disco music where they can. Here's just a few experiences we've got lined up for you:

1. Lunar Eclipse Party – wear your fluorescent glow sticks to stand out in a dark crowd at this Black Light party celebrating the two lunar eclipses in 2026 that will be visible in the Americas.
2. Semi-Quincentennial (Patriotic Music)- celebrating the 250th anniversary of the Declaration of Independence - see you in your Red, White & Blue.
3. Polyester Tip – polyester dress is REQUIRED for this tip. Stop by the Second Hand Rose shop to pick up a stretchy pair of polyester pants. But I know many of you still have your polyester suits in the attic. John Travolta would be proud of you! Ladies, your suits are also still in the attic.

4. Progressive Squares
5. Hex and Kaleidoscope Squares
6. Beach Boys Tip – Brian Wilson died in June 2025 during planning for WASCA2026, so even though this is off-Theme, we thought we'd take a moment to appreciate more great music.
7. Workshops on the new CallerLab Mainstream and Plus calls.

## *Solo Dancers at WASCA 2026*

*The Festival Committee has asked all the callers to remind dancers about square dance etiquette, especially as it pertains to Solos. You do not need to have a partner to attend WASCA. And when you attend as a solo dancer, we want to remind you of a few simple steps that will keep you dancing all night long:*

- *Get in a square quickly and raise your hand. If you get in a square close to the caller, they will help to find you a partner.*
- *Start your own square quickly.*
- *Ask someone to dance, many dancers can dance both male and female or lead and follow.*
- *Once your square forms, let everyone know if you have any limitations, for instance, if you can't twirl/swing.*

*Lastly, reach out to Ginny Frommel, Solo Dancer Program Coordinator, FestivalSoloProgram@wascaclubs.com. She has a program planned for all solo dancers.*

**See You at WASCA's "65 and Stayin' Alive!"**

## **COMPUTER SQUARES @ WASCA 2026**

The WASCA 2026 Festival will continue the tradition of computer squares in the Advance, Challenge and DBD halls. We want to thank Chip Campbell for donating his Swirls program which allows everyone the opportunity to dance. As you know, we've worked hard to respond to the suggestions everyone submitted in the post-Festival survey from 2025. One of the issues brought up included a reminder that some dancers do not know how to dance using computer squares. Remember, the WASCA Festival draws dancers from all across the country.

To assist new computer squares dancers, you will see lots of signage to provide direction to anyone who comes into the halls. The sign below will be posted prominently. Please make sure if you're dancing in those halls, quickly get your computer card, sign in/out every time you leave the hall, even briefly, and Square-Up Quickly when your number is displayed. One more thing – HAVE FUN! That's what square dancing is all about.

See You at WASCA's "65 and Stayin' Alive!"

## THIS ROOM IS USING COMPUTER SQUARES

1. GO TO THE "START HERE" TABLE AND SELECT A CARD:

**GREEN** - COUPLE

**RED** - FEMALE POSITION

**BLUE** - MALE POSITION

**YELLOW** - ABLE TO DANCE BOTH POSITIONS

2. REMEMBER YOUR CARD NUMBER.

3. TAP YOUR CARD ON THE SCANNER TO DANCE.

4. WATCH THE COMPUTER SCREEN TO FIND YOUR CARD NUMBER

AND WHICH NUMBERED SQUARE YOU ARE ASSIGNED OR IF

YOU ARE OUT FOR A TIP.

5. **TO LEAVE** TAP OUT AND RETURN THE CARD TO THE SAME BOX.

**IF GOING TO ANOTHER COMPUTER SQUARES HALL AT WASCA**

**YOU WILL NEED A DIFFERENT CARD.**

## ***Baskets, Baskets, Everywhere***

It's time to think about your Club's basket assembly. Baskets are another way that WASCA earns funds to keep the Festival affordable.

We're asking that your Club, or an individual in your Club, prepare a basket and bring it to the WASCA Registration area on Thursday or Friday, March 26<sup>th</sup> or 27<sup>th</sup> where we will number the basket. Additionally, we will need the following information about your basket:

- Club or Individual Name who is sponsoring the basket.
- Basket Name - add a catchy name to your basket! Maybe something related to the Festival Theme or to the items in your basket.
- List of the Items in your Basket - This will help to entice ticket buyers.

When creating your basket—the contents should be valuable items that will draw people to purchase tickets. Please add brand new or very gently used items - this is not the time to clean out your basement.

If your Club wants to involve local businesses, reach out to me for an "ask letter" that your Club could use to request items.

Please contact me by **March 9<sup>th</sup> 2026** if you or your Club will bring a basket.

Thanks so much for your Club's participation and support. Your contributions will go a long way to making the festival financially successful. Good luck and have fun!!

## *WASCA needs Volunteers like YOU*

I know it seems that the Festival just runs itself, but we need volunteers to make it a success.

### **We need volunteers for:**

- Decorations – including setup/take down  
Baskets – setup and ticket sales
- Second Hand Rose - setup/take down
  - General support

We are asking for volunteers to donate at least 1 hour of their time to assist us throughout the Festival. If you have some time, please send an email to: [2026FestivalDirectors@wascaclubs.com](mailto:2026FestivalDirectors@wascaclubs.com) and we will get you set up.

Remember, there are lots of things that contribute to WASCA being successful. A major part of that success is people who give of their time.

# Youth Dancers Gather, Stitch, and Swing into WASCA

By: Sarah Moser & Anna Moser

With the 2026 WASCA Festival on the horizon, an artistic group of local homeschool girls decided they weren't content to simply attend. Driven by a creative spark and a love for shared projects, they wanted to step onto the floor in style by crafting their own square dance skirts. To turn this vision into reality, they enlisted the expertise of Shanna Dodd, an accomplished seamstress, dedicated square dancer, and seasoned homeschool mom, to lead them through the sewing adventure.

What followed was an intensive three-day sewing "boot camp" hosted at Shanna's home during winter break. Armed with enough cotton calico yardage to circle a city block, the girls transformed the house into a hive of activity, complete with the steady hum of the rhythmic machines. The sewing rooms would soon feel like a humid greenhouse on a summer afternoon, warmed by the constant pressing of seams and filled with the lively chatter of girls catching up on the latest "tea."

Shanna structured the project as a professional workshop tailored to varying skill levels. The participants ranged from beginners learning machine basics to more confident seamstresses refining their technique. Regardless of their starting point, every girl committed to the challenge of constructing a full square dance skirt from start to finish.

To keep the design both practical and achievable, the group selected a timeless yet lively pattern. They opted for a sixteen-gore, full-circle skirt

for maximum swing, an elastic waistband to accommodate growing dancers, and a single, glorious ruffle for traditional flair. The finished look promised classic style with just enough individual personality to stand out under the festival lights.

Day one arrived in a burst of color as the girls gathered with their hand-picked fabrics. The tables were covered in a dazzling mix of bold red poppies, zesty orange florals, soft peachy pinks, traditional blue and white florals, and playful purple butterflies. Shanna had prepared each station in advance with pre-cut pieces, clear instructions, and a video tutorial on the tedious art of gathering ruffles. The days were broken up by a thoughtful daily schedule, giving the seamstresses brief reprises from cutting, sewing, and ruffling. Shared breakfasts, brown-bag lunches, and mandatory walks around the block all helped to reset attitudes, attention spans, and gave the girls a chance to resume conversations that had paused in the moments of sewing focus that required dead silence.

While the emphasis remained on fashion, Shanna soon found herself moonlighting as a lead technician and repair-woman for a diverse fleet of sewing equipment. The lineup included vintage Singers, Kenmores, and Berninas humming alongside modern Brothers and EverSewn models. Because these machines spanned decades of technology and temperament, they were distributed across multiple rooms, some with extension cords, to prevent power overloads. One too many irons and the room is plunged into darkness.

Shanna stepped in with steady regularity to service the equipment and make fine adjustments. She even occasionally retired a machine from rotation when every repair option had been exhausted. Through her patience, every skirt continued to move forward while the girls' unique personalities emerged at their

stations. Some embraced a "hot hash" pedal-to-the-metal speed, while others guided their fabric with the calm, hypnotic precision of a relaxed square. While the girls had differences in their sewing styles, one commonality was the lightning-fast speed at which they wound bobbins. Some of the older machines even had the delightful feature of sending the whirring bobbins flying across the room once Mach 10 had been reached. The girls grew familiar enough with the sounds of each machine that they could hear when their peers ran out of bobbin thread. Whenever this travesty occurred, at least one girl was heard quoting Mrs. Dodd's tee-shirt slogan, "It's all fun and games until the bobbin runs out."

Although the original plan spanned two days, the project gradually stretched into three. Constructing the gored panels and attaching waistbands proved straightforward, but by late afternoon on day two, several girls were approaching the final hurdle: the ruffle. Gathering a fabric strip measuring 1.7 times the circumference of a sixteen-gore skirt demanded intense patience and a generous supply of straight pins. As some girls stitched their final panels, others sat cross-legged on the floor carefully pinning yards of gathered fabric. A few good-natured groans and a lot of sighs drifted across the rooms as respect for the ruffle grew, turning the final step into a lasting lesson in both garment construction and perseverance.

By the time the final threads were trimmed, every girl had completed a skirt perfectly ready for its debut at the 2026 WASCA Festival. Fueled by a new wave of excitement, the girls are currently dreaming up an eight-gore design with diagonal ruffles, a style that promises more flair with less gathering.

**Above:** Gentle guidance, careful gathers, growing skills. **Middle:** The ultimate pivot: Troubleshooting one hem while translating pattern instructions for another. Just a typical day in the sewing trenches. **Bottom Left:** Just a girl and her garden of fabric. (And several hundred pins.) **Bottom Right:** In the zone—ruffle pinned, eyes on the edge, hands on the fabric, and every stitch a step closer to dance-floor flair.

This spirit of creativity soon extended beyond the youth dancers to include their families. Shanna shared her quiet leadership by sewing square dance skirts for several of the moms as well, ensuring the entire group would arrive in a unified style. By outfitting girls and mothers, she helped weave a beautiful multi-generational thread through the community that will be visible both on and off the dance floor.

When the music starts and the callers begin, keep an eye out for this coordinated crew of youth dancers gliding confidently across the floor. Their work serves as a vibrant reminder that square dancing thrives as a living tradition. It is sustained by families who invest their time, skill, and heart into the next generation, one carefully gathered ruffle at a time. □

**Above:** Every great skirt has a mentor behind the seams. A little help from Mrs. Dodd makes fluttering fabric a festival-ready fit. **Above Right:** New hobby unlocked as a young dancer learns that making the skirt is just as much fun as dancing in it. **Bottom Right:** The best lessons aren't in the manual—they're in the quiet moments of troubleshooting together.

## ***A Whirlwind of Motion: Recapping the 36th Virginia Square Dance Convention***

The floors were humming and the energy was electric at the Holiday Inn Virginia Beach from February 19–21. The 36th Virginia Square Dance Convention officially wrapped up this past weekend, bringing together a vibrant community of 250 dancers for three days of rhythm, fellowship, and tradition.

Whether you were there for the first tip or the final spasm, the weekend was a testament to the enduring spirit of the dance community in the Commonwealth.

### **A Feast for the Senses (and the Feet)**

The schedule was packed tighter than a promenade, offering something for every style of mover. Dancers enjoyed an incredible variety of disciplines, including:

Squares & Rounds: The heart and soul of the weekend.

Lines & Contra: Keeping the energy high and the patterns flowing.

Clogging: Adding that rhythmic percussion that always gets the heart racing.

Beyond the dance floor, the Craft Panel showcased the hidden talents of our members, while the "Second Hand Rose" sale allowed dancers to find new homes for beloved outfits. The Basket Raffles were a massive hit, with lucky winners taking home beautifully curated treasures. And of course, no convention is complete without the After Party, where the formal calling stopped, but the laughter certainly didn't.

### **Honoring Excellence: The Cardinal Awards**

One of the most moving parts of the convention is the presentation of the Cardinal Award, recognizing those who have gone above and beyond in their service to the dance community.

2025 Recipient: A huge congratulations to Ken Jordan for his well-deserved recognition.

2026 Recipients: We were thrilled to announce Jim and Kathie Kline as this year's honorees.

Their dedication keeps our clubs thriving, and it was an honor to celebrate them surrounded by friends and family.

### **Save the Date: Join us next year as we "Swing Thru Caribbean Style!"**

Expect vibrant colors, island vibes, and the same wonderful community you know and love.

Thank you to the committee members, dance leaders and—most importantly—the dancers who made this weekend a resounding success.

# 75<sup>th</sup> NSDC plans being finalized for Diamond Jubilee

The 75<sup>th</sup> National Square Dance Convention® team under the leadership of General Chairman Gary and Claudia Lester is working diligently to bring you the best National Convention to be held June 24-27, 2026 in Waco, Texas. This year marks a celebration of 75 years of conventions with the NSDC's Diamond Jubilee, which will be recognized and celebrated throughout major convention events. The year 2026 also marks the 250<sup>th</sup> birthday of the United States of America to be distinguished with a special event Friday night during the convention, so make sure to wear your red, white and blue. While some details, times and locations are still being finalized, there's plenty of general information about the 75<sup>th</sup> NSDC and its venue, the Waco Convention Center, available on the official convention website, *National Squares* E-Magazine, and Facebook.

All dance events will be held in the Waco Convention Center, located at 100 Washington Ave. in Waco, Texas. Due to the growing size of the convention, the education classes, Sew & Save clinics will be held in the attached Hilton Waco Hotel. Earlier that week Roundalab will be conducting their 45<sup>th</sup> Annual Convention in the Hilton Waco Hotel. The NCOS training will be conducted in the adjacent Courtyard by Marriott, and the USDA Board meeting will be held in McLennan Hall #3 on Wednesday from 11 a.m. to 2 p.m. If you've not yet registered for the 75<sup>th</sup> NSDC's Diamond Jubilee, go to <https://75nsdctx.com/long-form-registration/>. Take time to explore the convention website at <https://75nsdctx.com> where you can find information on guided and self-guided tours of the Waco area, vendor information, campground and hotel details, points of interest and more. Please be aware Arlington/Dallas and Houston are hosting matches for the FIFA Soccer World Cup in June, so book your airline tickets and car rental for the 75<sup>th</sup> NSDC as early as possible for the best prices.

Grand Square International with the National Square Dance Convention® will conduct the annual GSI/NSDC Callers School at the Hilton Waco Hotel on Sunday then switch to the lower level of the Waco Convention Center for sessions on Monday-Wednesday. The Courtyard by Marriott is the official dance leader hotel for the 75<sup>th</sup> NSDC. The GSI/NSDC Callers School is free to registered guests at the Waco convention. To register for the school, go to [www.gscallerschool.com](http://www.gscallerschool.com) or email Tony Oxendine at [Tonyv@TonyOxendine.com](mailto:Tonyv@TonyOxendine.com), space is limited and is almost full.

If you are looking to expand your knowledge and/or dancing skills, the 75<sup>th</sup> NSDC promises plenty of dance workshops and education workshops, including several never-before-offered classes and topics. Make sure to attend the Keynote Address featuring Ted Lizotte, Chairman of the Board for CALLERLAB, as he discusses implementation of the simplified Transitionary Implementation Phase of the Program Policy (TIPPP) that develops a streamlined path forward for modern square dancing. He details what it means for both dancers and dance leaders. The Roundtable Discussion, immediately following the Keynote Address, will be led by both Ted Lizotte and Teresa Berger, Executive Director of CALLERLAB, and brings together callers and leaders who are putting the TIPPP Framework into action. Panelists include Jeremy Butler, Mike Seastrom, and Shawn Brown.

Featured opening entertainment at the 75<sup>th</sup> NSDC includes the traditional country music duo The Malpass Brothers on Wednesday afternoon from 4:30-6:30 p.m. General tickets are \$45 and include dinner, which will be served starting at 4 p.m. Dinner options are barbeque beef or grilled chicken. As of early February, The Malpass Brothers show is now sold out. Other exciting events include an explosive opening ceremony, colorful Parade of States and the Sights and Sounds of Texas fashion show, which is billed as a "not your momma's" fashion event you don't want to miss.

Immediately following are a few key event dates that might help you with planning until the final schedule and Convention Mobile App are released. Please note there are additional activities for solo and youth dancers but information has not yet been revealed. Event times are subject to change. Consult the Mobile App, once

available, for the latest information. The Mobile App will be the most up-to-date source of information and will be provided free to all registered dancers at Waco. A free class will be held early during the convention to show dancers who need assistance on how to use the App. A general information booth will also be available during convention hours.

In this workshop, participants will be given all the supplies and instructions to complete a set of two Boot Noodles. These wonderful creations will keep your boots standing tall for years to come.

## TURTLE CHARMS

In this class you will create a little turtle charm that actually moves. You will put a pin through a donut bead and turtle bead, then attach them to jump rings, so that the turtle glides off and on the donut bead – as if it is resting on a life preserver and then moving off for a swim.

## LAST CHANCE MAKE & TAKES

If you missed one of the Make and Takes, or if you want to make another item you already made, come to this class and use the remaining supplies to make whatever you want, and you will receive a different dangle and a charm bracelet on which you can put your dangle and other charms.

## MEET ROMEO and JULIET!

### **OFFICIAL MASCOTS OF THE 76<sup>TH</sup> NSDC CONVENTION IN LOVELAND, COLORADO**

Team Loveland chose the majestic and rugged Big Horn Sheep to represent our convention in 2027. We named our mascots Romeo and Juliet because they found True Love in Loveland, Colorado -----

**AMERICA'S SWEETHEART CAPITAL!**

The Rocky Mountain Bighorn Sheep is Colorado's official animal and Colorado is home to the largest population of the species anywhere.

Bighorns prefer steep, high mountainous terrain and are quick footed and agile like us **Square Dancers** !

Big Horn Sheep are a popular attraction for wildlife enthusiasts and tourists. They are frequently spotted in Rocky Mountain National Park which is a short drive from Loveland. There is also a tour of the Park offered during the convention that you will not want to miss. You can sign up for this exhilarating tour on your convention registration form.

At the convention, our Ways and Means committee will have adorable plush Big Horn Sheep stuffed animals for sale. They make wonderful gifts to take home and remind you of a wonderful square dance convention in the Colorado Rockies.

## Steve Lucius Addendum

Steve went down to Texas to live with his brother and family. Steve's brother died 10 days after Steve came down to live with him! Then 5 weeks later Steve died from complications due to his longstanding cancer fight. Kenny Farris and Bruce Mitchell had talked to Steve two days before he passed away.

**James R Moore Jr, MD**  
**May 16, 1936 – January 4, 2026**

James Reardon Moore, Jr., M.D., 89, passed away peacefully on January 4, 2026. He is survived by his wife, Madeleine, to whom he was married for over 65 years, his brother, William, his sons, Kenneth and Richard, and two granddaughters, Pamela and Catherine.

Jim was born on May 16, 1936, in Long Branch, NJ, to Addie Maye (“Adeline”) Cornish Moore and James Reardon Moore, Sr. He attended a one-room schoolhouse in New Jersey and spent summers with his mother’s family on a farm in Kentucky, where his favorite adventure was fossil hunting. The family moved to Arlington, VA, and famously built a 30-ton, 56-foot steel sailboat in their front yard. The completed boat was towed with police escort through the streets of DC and launched by cranes at the Naval Gun Factory. Jim graduated from Washington & Lee High School in Arlington and attended George Washington University, where he met Madeleine. They were married in 1960. He graduated from George Washington University Medical School in 1961 and they started a family.

Jim served in the U.S. Army as a Captain, and in 1965 the family of four was stationed at the 14th Army Field Hospital in Bad Kreuznach, West Germany. While there, he and Madeleine traveled across Europe and North Africa, camping in a VW van. He developed a particular interest in pipe organs and attended organ recitals at churches across Europe. In 1968, they returned to the US, and Jim opened a private internal medicine practice in Gaithersburg, MD, near Asbury Methodist Village. As Jim’s practice grew and aged, so did his patients. He ultimately had a gerontology practice and a “guest” office at Asbury for the convenience of his many Asbury patients. After retirement in 1996, he remained connected to the medical community through activities at Shady Grove Medical Center.

Jim had lifelong passions for history, cultural anthropology, nature, geology, paleontology, and camping. He converted a Ford Econoline 150 van into a pop-top camper and drove the family on countless camping trips throughout the states, to Mexico and Central America, to the Panama Canal Zone, and to the northern terminus of the Alaska Highway. Along the way, he summited Half Dome in Yosemite, hiked into the depths of the Grand Canyon, gazed at the midnight sun from a beach on the Arctic Ocean, witnessed the great Serengeti migration, walked on the Great Wall of China, marveled at the Taj Mahal in India, cross-country skied around Old Faithful Geyser in Yellowstone, and much more.

Jim and Madeleine were members of DC area square dance clubs, including the Ferris Wheelers, and they enjoyed square dance camping. They participated in group bicycling tours in the US and Europe. They also extensively researched their respective family genealogical histories from as far back as the Norman Conquest to the present. Jim self-published several thoroughly researched dissertations chronicling the Cornish, Demaree, and Moore families. Throughout his life, Jim was the consummate amateur engineer. He tinkered with every facet of his automobiles, and he rebuilt farm tractors. He designed and constructed a pipe organ in his basement with over 1000 pipes, and built string and wind musical instruments for Madeleine.

Jim will be remembered as a devoted family man with tremendous insight, brilliant ingenuity, a passion for caring for others, and the vigor to explore life’s abundant opportunities.

A Celebration of Life for Jim is planned for May 16, 2026. For more details, please email [celebrationoflife516@gmail.com](mailto:celebrationoflife516@gmail.com). Please consider donating to Jim’s favorite organizations: [organhistoricalsociety.org](http://organhistoricalsociety.org) and [railstotrails.org](http://railstotrails.org).

## Yvonne Francine Bleistein (King)

March 23, 1934 - July 10, 2024

Yvonne F. Ansick Bleistein, loving wife, mother grandmother and great grandmother, 90, of Burke, VA, died Wednesday, July 10, 2024. She was born March 23, 1934 in Philadelphia, and later adopted at the age of 14 by William and Georgeanna King of Temple, PA. She graduated from high school and joined the Navy in June 1952 where she was stationed at Quonset Point, RI and worked on the clerical staff. She always commented on how she really loved the Navy and would have made a career of it had she not met her first husband, Fred R Ansick, Sr, also in the Navy. They married January 8, 1955, and then honorably discharged from the Navy on February 21, 1955. Waves (as they were called back then) were not allowed to be married while serving their country.

They moved to western Pennsylvania where they raised four children. Yvonne turned her love for dogs into a business. First it was Sandelwood Shelties where she bred, trained, groomed, and boarded dogs. Then when Fred Sr passed away in 1986, Yvonne made her way to the west coast and continued her passion for dogs. There she met Faye Brophy who owned a veterinary business. She went to work for Faye as the lead groomer, but this employer/employee relationship soon became a life-long friendship. Yvonne moved back to Pennsylvania in 1996 where she purchased a declining grooming/boarding business in Freeburg, PA. She quickly built this business into a flourishing business that included retail, training, and breeding (Shetland Sheepdogs).

In 2003, her sons finally convinced her to retire from the grueling business and move to Manassas, VA but Yvonne could not get her love for dogs out of her system. She turned her home into a makeshift kennel and continued to board, groom, train, and breed (Shelties of course) dogs and continued this part-time business well into her eighties.

In September 2005 she married Harry E. Bleistein, who both had a passion for square dancing. Harry was not a dog person, but he soon became one. He had no choice if he was to live with Yvonne. They had several Shelties, many at the same time, along with all the numerous boarders that they would tend to for their clients. Yvonne was well-known in the area for her absolute love of animals.

She was preceded in death by both her husbands, Fred Ansick, Sr and Harry E. Bleistein, infant son Jeffrey Michael Ansick, and her daughter, Georgeanna Louise Ferry. She is survived by 3 sons, Fred and Elaine Ansick (Clifton VA), Doug and Lori Ansick (Greensburg) and Chris Ansick (Del Rio TX), stepdaughter Sue Bleistein (Springfield VA), 6 grandchildren, Chad Frye (New York), Tina Frye (Latrobe), Michaela Ferry (Latrobe), Doug Raymond Ansick (Greensburg), Cori Ansick (Port Saint Lucie FL), Michelle Ansick (Uvalde TX), 4 great-grandchildren, Jasmin Farabaugh (Latrobe), Jillian Wisneski (Latrobe) and Weston and Isla Rae Ansick (Greensburg).

Yvonne and the family requested donations be made to The Humane Society of Westmoreland County, PO Box 1552, Greensburg PA 15601 (<http://www.westmorelandhumanesociety.com/support-us/>), Action for Animals, PO Box 814 Latrobe PA 15650 (<http://www.afashelter.org/donate/memory-honor/>) or Paws Across Pittsburgh 346 Orchard Street, Springdale, Pa. 15144 (<https://www.pawsacrosspittsburgh.com/donate>). All three are 501(c)(3) non-profit organizations for the benefit of animals. May she forever rest in peace, and I am sure there are many dogs in heaven that are happy to see her again!

## Roger S. Hicks

February 21, 1938 - January 9, 2026

Roger S. Hicks, 87, of Eldersburg passed away on Friday, January 9, 2026 at BridgingLife Dove House.

Born February 21, 1938 in Jersey City, New Jersey he was the son of the late William and Alice (Stevenson) Hicks. He was the loving husband of Patricia Ann Hicks, his wife of 68 years.

Roger was employed for the Social Security Administration, where he worked as an actuary for 39 years, until retiring in 2000. He was an avid golfer and enjoyed bowling and playing card games with friends.

In addition to his wife, he is survived by his daughter Lyla Lorraine Taylor and husband Brian Whalley; niece Renee O'Connell; and several other nieces and nephews.

He was predeceased by daughter Dawn Marie Hicks, and was the last surviving of his immediate family.

Roger and Pat Hicks were long time members of Four County Squares and acted in many roles. More recently you will remember Pat as taking the money at their dances and classes.

It was only last August they stopped dancing.

"I remember Roger as the smiling welcoming face at Four Counties Square Dancing club. He was always there to greet us at the door with a smile and a hug. He was also a superb Squaredancer." Laura Vykol and Matt Steinbach.

## *The New Mainstream Program An Analysis vs SSD & CTM*

Everyone is talking about the Callerlab new Mainstream program which becomes effective September 1, 2026. In the Washington DC area (and other areas) many callers have been teaching new classes with Condensed Teach Method (CTM). Elsewhere many clubs, conventions and festivals are using Social Square Dancing (SSD) program. CTM and SSD programs are listed on the Callerlab website under Dance Programs, Other Programs.

So what is the impact on these new CTM and SSD students when the new Mainstream program begins?

Bottom line up front, not much, for either CTM or SSD dancers

The Condensed Teaching Method (CTM) is a 48-call program developed to include the most popular dance actions, integrating some of the more difficult dance actions with the easier ones, and defers less used dance actions and redundancies to shorten the normal teach time.

CTM partially reflects dance steps that have a higher frequency of use. It retains fundamental dance actions and includes more dancer-friendly calls. It omits some actions that are redundant, and others less utilized. The method is meant to illustrate how to provide quality entertainment with less material in a reduced teach time.

Historical note; In the year 2000, the T2000 was another shorter basic/mainstream combination almost exactly like what just took place this year. The organization was split and the convention chairman had the tie vote against the program. This time, the new Mainstream program vote went to the entire Callerlab membership, which voted 75% for and 25% against, hence the new program was accepted.

During the 2011-2013 the then Chairman, Elmer Sheffield, Jr., asked Bill Harrison (my mentor) and

Tim Marriner to develop a new teaching method; the result was the CTM. Four years later, Callerlab also published the similar SSD program.

Fast forward to 2025, and Callerlab again attempted to create a revised Mainstream Program. This time the program was presented and discussed throughout the membership (not just the Executive Committee). The result of course, was the membership approving the New Mainstream 50-call program. I'll note, there was some "slight of hand" where several calls were combined into a Family, which includes several related calls, to meet the 50-call goal.

Because I've been using CTM for my classes, I conducted a comparison between CTM and the new Mainstream to see what else I needed to teach my class. Surprisingly, the answer is "not much".

In the attached figure, I compared the new Mainstream program to CTM and SSD. CTM is missing four calls including: Box the Gnat, California Twirl, Dive Thru, 1st Couple Go Left, the Next Go Right and the Separate Family. In SSD, the only missing call is Spin the Top. Of course neither program had the call "Single Circle" in the Circulate family which was moved down from Plus.

If you consider the fact that Box the Gnat can be called directionally, California Twirl equates to Partner Trade (without the arms), Dive Thru is equivalent to Pass to the Center, and 1st Couple Go Left, the Next Go Right is also called directionally, CTM graduates really just need to learn two new calls, Single Circle and the Separate Family.

In summary, these three individuals, Elmer Sheffield, Jr., Bill Harrison and Tim Marriner were a decade and a half ahead of their time almost perfectly predicting the future direction of Callerlab. While CTM preceded SSD by several years, they are mostly the same calls.

Callerlab has essentially made CTM/SSD the new mainstream. Thirteen calls were eliminated from the current mainstream. Add a couple of calls to CTM and one plus call (Spin the Top) plus the Single Circle family and you have the new Mainstream program.

The only impact of the new Mainstream program that I can see, is on the Callers who will have to be careful what they call to old Mainstream clubs.

49 clubs are currently members of WASCA. Charlie's Angels Youth Square Dancing is the latest club to join WASCA clubs. They dance in Catlett VA. Their caller is Charlie Lu and the manager is Caleb Johnson.

The Delegates' meeting was held on February 15, 2026. 30 clubs were represented. The next Delegates' meeting is May 31, 2026. If you are a Delegate, please make a note of this date. All clubs need to attend at least one Delegates' meeting per fiscal year to be in good standing.

We hope you are all getting ready for the 2026 WASCA Festival. Lisa Alfred and her committee are working hard to bring a fun time for all attendees. There will be special dance halls in 2026. Lisa keeps mentioning one hall which will be a Polyester hall. You will have to wear polyester to check this hall out

We attended the Virginia State Convention in Virginia Beach which was held February 19 thru 21 2026. There were several guest callers in attendance this year. Skip Cleland from Alabama, Avery Arnold from Indiana, Doren McBroom from Maryland, Scott Brown from Pennsylvania and Greg Hatmaker from Tennessee. There were also callers from Maryland and Ohio as well as Virginia

who had been on staff before. Check out the Convention Handbook at [callsncues.cragg.info](http://callsncues.cragg.info). Click on 36th Virginia State Convention Backtrack to a Throwback.

Also, note that all clubs need to pay their Membership dues by May 31, 2026. The fee is \$25.00. You can download the form at [www.wascaclubs.org](http://www.wascaclubs.org). Click on forms. Then renewal. Here is the link:

Delegates and Managers please check your club listing both in this issue of Calls 'n' Cues and on the website ([www.wascaclubs.org](http://www.wascaclubs.org)) and let us know if any changes are needed. If your club's President or Manager, Delegate or Alternate Delegate's name or their contact information changes during the year, please send us the new name with the address, phone number and email address. For insurance to remain valid and to assure delegate meetings' agendas & minutes go to the correct place we need the correct information. We also need any changes in venue and dance schedule.

# **This Fun Hobby May Reduce Your Dementia Risk By 76 Percent**

The following article is an excerpt from a column by Trisha Pasricha, MD in the Washington Post on January 5, 2026.

## **What Are the Best Ways to Keep My Brain Sharp as I Age?**

There are several science-based ways to lower your risk of dementia — but one especially fun option might surprise you: dancing. Dancing combines some of the best elements known to be associated with longevity: exercise, creativity, balance and social connection. You're investing the same time as walking or other exercise activities but may be getting much more out of it.

In fact, one study found that people who danced frequently (more than once a week) had a 76 percent lower risk of dementia than those who did so rarely.

Physical activity, especially aerobic exercise, in general is wonderful for our brain health. And this isn't intended to knock walking: A small randomized controlled trial of walking versus ballroom dancing among older adults found both activities benefited memory and learning.

But combining physical activity with creativity and cognitive challenges may help protect the brain further. Dancing asks your brain to do several things at once: match a rhythm, remember steps (or quickly improvise some new ones), navigate space and perhaps even respond to a partner.

## **Dancing May Also Boost Balance and Strength**

Besides brain health, there are other great reasons to consider shaking a hip. A 2020 meta-analysis of 29 randomized trials among healthy older adults found that social dance-based activities were associated with a 37 percent reduced risk of falling — as well as improvements in balance and lower body strength.

## AQUA SQUARES

*Paula Ropshaw*

Hello from beautiful southern Maryland Hello Snow days!!!! Our deepest gratitude to all the workers that have to go out in this snow to work: policeman, firemen, doctors, nurses, road crews. Fortunately, I am no one of them. Days are getting longer (YAY!!). We only lost one dance night so far this winter from bad weather. We've kept 2 squares on the floor most Friday nights. We are excited for our WASCA Festival. We are working on our basket and the club is donating all sorts of wonderful things. Can not wait. We are so lucky that we have two amazing callers, Gary Felton and Bill Harrison. And our small, but enthusiastic class, is flying through the calls. We dance every Friday night through the summer. Class from 7:00-8:30 and plus dancing from 8:30 to 9:30. Come on down, we love company.

## **FREDERICK COUNTY PROMENADERS**

*Margie Barber*

The Frederick County Promenaders began 2026 in grand fashion! Many dancers chose to participate in our Black and White clothing theme at our New Year's dance on Sunday, January 4th. The dancers on the floor looked sharp and dapper! Our caller Dayle Hodge kept everyone moving and laughing. What a wonderful way to usher in the new year!

Our second dance on Friday, January 16th, was our NEON dance. We dimmed the lights fantastic and most dancers donned neon necklaces and bracelets. It was a sight to behold, as we danced away the evening with Mike McIntyre performing his trifacta of calling, cueing and leading line dances! We celebrated Jerry Pollack's 90th birthday with a delicious cake, and everyone sang a rousing rendition of Happy Birthday to Jerry.

On Sunday, February 1st, we had our Super Bowl/Chili Cook off dance. Many thanks to Promenader Lois Roney for organizing this event. There were 6 crockpots of varying types of chili, along with all the toppings, chips and salsa and desserts. Caller Terry Headlee helped us dance away "some" of the calories!

Our Wednesday evening class has finished Mainstream and are currently learning Plus calls under the tutelage of instructor Dan Grimes. We were fortunate in that in spite of the "big storm", we only had to cancel one class. On January 23 we had a surprise Appreciation Dance in honor of Nick and Chris Capozio's 25 years as Presidents of the Rivermont Ramblers. We actually managed to keep this secret from Nick and Chris until the very end! The events of the evening started off with a delicious pot luck dinner. The pot luck was followed by square and round dancing, presentation of an appreciation gift to Nick and Chris, and cutting of the "appreciation cake". Grant Moser, from Charlie's Angels Youth Club, called a few tips for us and Art Lavigne joined Mike in calling a tip. We even had some live music provided by Murphy Henry and her band "The Bluegrass Bandits". "The Bandits" did two short performances during the course of the evening. Nick was invited to join "the Bandits" as guest guitar player on a couple of numbers, the most important being "The Square Dance Song" which was written by Murphy. We had 50+ guests from the following Clubs: Amyable Rounders, Virginia Reelers, Circle 8, Swinging Aces, Gad Abouts, Panhandlers, as well as several family members and friends of the Capozios. Experience the FUN, joy and camaraderie of square dancing without having to complete formal square dancing classes. The emphasis will be on "dancing" rather than "learning." A few calls will be taught and then danced in a simple pattern. New calls and choreography will be added as the dancers progress.

### **Need a valid health-related reason to try square dancing?**

Here (paraphrased in part) is what \*AARP research has found.

“...**you** can make a difference in your **brain’s health**.

...**MOVE** (exercise), **RELAX** (sleep enough and avoid stress),  
**NOURISH** (eat well), **DISCOVER** (think), and **CONNECT**  
(socialize).”

“What works best? ...**DANCE**... It’s FUN, it involves other people, it’s exercise, it challenges you to learn patterns and movements.”

A survey will be sent to all signed up for the cruise (about 60 days prior to the cruise departure date) asking what levels you want to dance from SSD through C1 while on the cruise. NOTE: You will be asked to mark all levels you want to dance, not just one. The dance sessions will be scheduled accordingly.

## 52<sup>nd</sup> CALLERLAB CONVENTION

Mark Your Calendars! CALLERLAB is coming to Indiana in 2027!

We're excited to announce the 52nd CALLERLAB Convention, taking place March 21-24, 2027, at the Marriott East in Indianapolis, IN — right here in our home state!

We're planning a Pre-Convention Caller Clinic, much like the one held in Greenville, and look forward to gathering following the worldwide implementation of the new programs. Together, we'll continue the conversation on how to encourage and support more callers.

Stay tuned for more information — we can't wait to see you in Indianapolis!

## Wave Payment Plan (WPP) – Hilton Resort (Host Hotel)

The **WPP** makes it easy to book and pay over time for your 77th National Square Dance Convention® experience in Daytona Beach. Whether you're planning a getaway or a group adventure, this flexible installment plan helps you budget with ease—no interest, no credit checks, and no stress.

### How It Works

**1. Apply for a Plan** Fill out the pre-registration form, choose your travel dates and then complete the WPP form with basic details like your name, mobile number, email, and mailing address to initiate your payment plan.

**2. Pay Over time** Enjoy peace of mind knowing your trip will be fully paid before you arrive. Make fixed payments over the term with no interest and no prepayment penalties.

### Key Considerations

- **Interest-Free Guarantee:** WPP is 100% interest-free. Your total cost is divided into equal payments based on your selected schedule.
- **No Credit Checks:** This plan does not affect your credit score and avoids the high interest rates of traditional credit cards.
- **Automated Payments:** You will be opted into autopay to ensure timely payments and avoid late fees.
- **Final Payment Deadline:** All installments must be completed no later than **April 15, 2028**, unless otherwise approved in writing.
- **Plan Adjustments:** Changes to your hotel selection or travel dates may affect your payment schedule and must be approved by the registration team.
- **Communication:** You'll receive reminders and confirmations via email or text. Please keep your contact information up to date.
- **Single, Triple, and Quad Rates** must be requested in writing by sending email to [housing@77nsdcfl.com](mailto:housing@77nsdcfl.com)

### Cancellation Policy

- Cancellations must be submitted in writing to [housing@77nsdcfl.com](mailto:housing@77nsdcfl.com) no later than **April 15, 2028**.
- Approved cancellations will incur a **10% administrative fee** of the total package price, deducted from the total refund amount.
- No refunds will be issued for cancellations received after the deadline or for missed payments without prior communication.
