The Editor's Desk

Hello Everyone

How does the song go “*Summer time and the living is easy*” - clearly the singer is not living my life. Between the National Square Dance Convention (and the drive to Waco and back) and personal events (his name is Edward Chance Cragg IV) which seem to involve hours of boredom followed by minutes of terror, this month's issue is later than I would have liked it to be.

During my boredom I thought about Calls'N'Cues organization and the areas I have been uncomfortable about. The content consists of WASCA business, wider dancing news, WASCA club news, and various appendices. My major unease related to the Obituaries - they just did not seem to fit together very well

As a result I have reorganized Calls'N'Cues. First will come the WASCA related business items to include NCASDLA and RDTA items. Specifically I have moved the Membership Report up front to come after the President's Patter, Choreo Corner is also moved up front to just after (the currently non-existent) NCASDLA President's column. This is followed by the RDTA President's letter and information on our next WASCA Spring Festivals.

Second is information on the various national and regional conventions and festivals. These are based on my opinion of their interest to WASCA dancers and the information the organizers send to me. They will be covered in chronological order.

Third come the WASCA Club items - the directory, club news, and calendar. I am putting the obituaries after this, followed by the Board of Directors contact information.

Finally I am including various appendices, (mostly flyers)

I am still not comfortable with the location of the obituaries, but that is probably due to the fact they are my least favorite section to put together.

I will see how this organization works for a couple of issues. Your comments would be appreciated.

And that is all for this issue. Until next time

President's Patter ***Getting back to your dancing roots!***

Steve Cunnion
(WASCA President 2025-2026)

My parents were square dancers and I learned square dancing in the fifties. Life intervened and it was over sixty years before I returned. Back in those days you learned by the song. Each song had its own set of calls. I remember my parents saying they now able to dance to "Smoke of the Water." One could buy vinyl records of square dance songs so folks could dance without a caller. Back then callers sang to live music, usually a guitar, bass and fiddle.

The traditional square dance still should have a place in modern western dance. Firstly, it is still a great introduction.

Without weeks of lessons dancers can immediately start dancing. Secondly, it is usually done with live music. Thirdly, it's a great dance form for those who have trouble remembering hundreds of calls.

The 2026 WASCA Spring Festival had reintroduced traditional square dancing to its festival and the response was overwhelming and a bit disappointing for many for lack of floor space. Because of this enthusiasm, with board approval, the next WASCA Spring Festival, Revvin' in 2027, will have live music Friday evening for both tradition and modern square dancing on the Plus hall.

The next WASCA clubs Delegates meeting is September 27, 2026. This will be a Zoom meeting at 7:00 P.M. Please ensure your club's delegate or alternate attends to keep your club in good standing. An email notification with the email link from the WASCA Secretary will be sent to your club's delegate and manager. The future Delegates meetings are February 28, 2027 and May 23, 2027. Please mark your calendars now.

All Membership dues were to be paid by June 1 2026 which is the start of the new WASCA Fiscal Year. 37 WASCA clubs have renewed their membership as of July 3, 2026. Swingin' Seniors has decided to fold. Three clubs advised us that the checks were in the mail. That leaves 5 clubs who need to renew their membership. The membership information and annual dues are needed to keep your insurance coverage current.

We hope that you keep dancing this summer. Many clubs go dark, some change schedule or location and some keep dancing their normal schedule during the summer. For instance, Rivermont

Ramblers will still be dancing on the 2nd and 4th Fridays as well as having a club danceshop on Tuesdays. Some clubs like Tom Thumb Squares will be having a summer series. Circle Eights of Waynesboro change location and schedule. Be sure to check with the Club before you go. A couple of Festivals that don't require long distance travel include the Star Spangled Banner Festival in July and the Tennessee State Convention in August. Both dances have great callers and cuers.

As an F.Y.I., the email addresses for each club as published in the Calls 'n' Cues, such as "your-club@wascaclubs.com" automatically forward to the email(s) of the club's information contact.

Please send us any email address, phone number, or postal address changes for your President (manager), Delegate, Alternate Delegate, or Information Contact. You can email them to membership@wascaclubs.com or call us. Nancy's cell phone number is 703-217-1670. Tom's cell is 703-217-4791.

Please send WASCA Club Directory changes to

CHOREO CORNER

with Dick Otis

Website: www.DickOtis.com Email: dick.otis@me.com

In the last Choreo Corner, I began the issue with the following request:

"Before I begin, I have a request. If you are reading this article, please drop me a short email. You can just say "yes" (I read them), or feel free to comment on its content. I've been writing this column for many years now, and I have no idea how many, if any, dancers actually read them"

I received only a few written replies, some from overseas, some from students and one from a WASCA BOD fixture who will remain un-named. Several dancers verbally replied as well. Not the resounding response I was hoping for, but still rewarding to know a few people really care.

So Choreo Corner will continue. Here is one response I received:

Hi Dick!

I have a question as far as calling and I meant to ask you last night and totally forgot!

When callers are calling a dance are they kind of making it up/improvising as they go or do you have set routines to specific songs? Like if someone gave you a specific song they requested or a list of songs would a caller be able to call a dance to them or would they need to plan out their dance ahead of time? I teach ZUMBA and I have a specific choreographed routine to each particular song that I use. If someone handed me a list of five songs they wanted me to teach to, that would be difficult because I choreograph my routine routines to the individual song. I suppose in a pinch I could make up something as I go along because I've taught long enough but generally speaking that's not how it works. So I was just wondering the same thing for calling; do you pick a song you want to use and make it up as you go or do you have to "choreograph" the song ahead of time?

The answer is, it depends. A square dance tip

consists of a hoedown sequence (followed by a singing call. For a hoedown sequence, callers use a combination of one or more techniques: memorized modules, written choreography and sight calling.

Pure sight would be the caller looking at the square's formation and arrangement (dancer partner relationship, e.g. Boy, Girl; Girl, Boy; Girl, Girl etc. and deciding what the next call comes next. Pure sight calling is rare. Most callers rely on past memory, e.g. a module sequence in addition to sight calling. A very simple module example would be HEADS Square Thru 4, Swing Thru, BOYS Run, Wheel & Deal, Allemande Left.

The only requirement for a hoedown is that it has a regular, recognizable beat, usually between 120 and 128 beats per minute. There are hundreds, if not thousands of published square dance hoedowns from square dance music publishers. But any song with an appropriate beat can be used. You can listen to a sample of hoedowns (as well as singing calls) on-line at <https://www.ceder.net/recorddb/>

Written choreography means the caller has used checkers, a computer program, or someone's published routine to create a pre-determined sequence of calls.

Singing calls are more structured. You cannot just grab any old song and use it as a singing call. There are seven parts to any singing call, the Opening, two figures rotating the girls to the next boy, a Middle section, two more two figures rotating the girls to the next boy (finally back to their original partner, and a Closing. Each of the 7 parts has 64 beats. In addition there may be an intro and ending of 8-16 beats.

The rotating figure is a defined module which move the girls so every girl dances with every boy.

When a singing call is published by a record producer, these figures are defined for the singing call. Usually, it is the same module used four times. This way the dancers can relax and enjoy the song without worrying about a complicated figure.

Caller can substitute different figures from those published to make it more interesting, however not every figure will fit in every song. Some traditional singing call figures should not be modified.

Very experienced and skilled callers can change singing call figures on the fly using figures they know well in almost any singing call.

Callers can buy singing calls directly from a record label publisher, or through a brokerage site

such as <https://musicforcallers.com>. Take a look at this site and you will see links to many popular square dance music labels.

For an in-depth discussion on music by Buddy Weaver (owner of Blue Star, Hi Hat, and Rawhide labels) check out this link to his presentation to NCASDLA callers.

Greetings, WASCA and MDSDF dancers

Yes dancers, it really is July, and we're celebrating our country's semiquincentennial birthday [250th] in typical DC heat and humidity.

While many of our dancing clubs have gone dark over the summer, some gallant groups with good air conditioning have continued to dance and you can find out when and where later in this issue.

But summertime also provides a number of special dancing opportunities and this summer is no exception. July will offer additional round dancing special events with the 50th annual ICBDA Convention in St George UT -- July 8-11, with the Shottings, the Buchanans along with several other RDTA members cueing and dancing at the convention. In August -- August 1-6 --several RDTA members and WASCA/MDSDF dancers will attend "the Institute" in Purdue University, W Lafayette IN.

Locally, you will not want to miss the 61st Annual Star Spangled Banner Festival -- July 16 - 18 -- at the same venue as last year -- the Hilton Double Tree in Pikesville MD. Come and enjoy "Getting our Kicks in 2026" with exciting music and outstanding round dancing with the exceptional national cuer staff -- the Garzas, and the Worlocks -- and our own Amy and Ken Shotting.

Finally, you won't want to miss the RDTA annual Butterfly Ball on Saturday August 15 from 6:30-9:00 PM at the Greenbelt Community Center. This phase II-IV dance, featuring five of your favorite RDTA cuers -- the Hoppers, the Kincaids, Christina Eum, the Shottings, and the Ryders-- will provide "cool" dancing in the air conditioned gymnasium and its wooden dance floor. There will also be some tasty goodies and smooth libations to enjoy. A flyer and the dance program are included

RDTA President's Message

by
Ken & Berni Ryder

later in this issue. RDTA asks for a \$10 per person donation. We look forward to dancing with all who can join us Saturday, August 15.

This summer and fall will also provide opportunities to learn some new round dance rhythms or "brush up" on some rhythms you're still not fully comfortable dancing. The Ryders are continuing their basic dance class and Intermediate Workshop on Sundays at St Barnabas Episcopal Church throughout this summer and into the fall. The Shottings will also be continuing their classes in September. See the flyers later in this issue and other information available on current Round Dance classes in the section on Dance Classes in this Calls 'N Cues Issue and then check with one of the leaders holding a class convenient for you to see when they will be starting to teach a new rhythm.

Stay "cool" and healthy as we all enjoy our favorite "social contact sport"-- choreographed ball room dancing [aka "round" dancing] during these "hot and humid" summer months.

REVVIN' IN '27
Where It All Began

Revvin' evokes racing and high RPMs. But where and when did racing and competition become synonymous?

Once horses became domesticated and wheeled transport became more sophisticated, horse racing became popular, and, evolved into chariot racing. Informal horsemanship and speed contests occurred first in Persia around 1500-1000 BCE. The Olympics, held in the Greek city of Olympia, featured chariot races, and Egyptian rulers from 16 BCE held horse races to entertain the public.

The original Greek Olympic Games, founded in 776 BCE by Eleans, the wealthy horse-owning aristocracy, featured five foundation horse racing events. The day began with a parade into the hippodrome (a large amphitheater) as a herald announced the drivers and owners. The Greek gods were ubiquitous: a bronze eagle, a symbol of Zeus, the race patron, was raised at the beginning of the competition. A bronze dolphin, the sign of Poseidon, was lowered to mark each lap. As is common today with horse racing, the rider and the owner were different persons; owners were wealthy and often sponsored several teams. Most charioteers were slaves or hired professionals who tended to be slight but very tall, unlike today's small jockeys. Both horses and riders underwent intensive training, requiring strength, endurance and courage.

By the mid-first century BCE, the Roman Empire had become famous for its chariot races in enormous 'circuses', large, open-air venues that served as popular social and political centers. Besides chariot races, they offered gladiator contests, wild animal hunts, theatrical performances and political and religious

events. The emperors used these spectacles to distract the populace from unrest while celebrating their own wealth and power. The typical Roman circus was an elongated, rounded rectangle, with a median strip known as the spina, decorated with statuary and columns. At end each of the spina were metae, conical poles to guide the charioteers; the starting gates were called carceres, staggered so each team crossed the starting line simultaneously. The emperor, senators and their guests sat in reserved sections of the tiered arena seating.

The largest and most famous of the Roman circuses, the Circus Maximus, was built in the sixth century BCE and could accommodate 150,000 to 250,000 spectators. Compare this to the largest US stadium, Michigan Stadium, in Ann Arbor, that holds only just over 107,000. Situated between the Aventine and Palatine hills in Rome, the Circus Maximus was 2,037' long and 387' wide. It fell into disrepair during the Middle Ages and is now the site of a public park where remnants are still visible.

The races themselves consisted of two, three and four horse chariots. The first race started with a massive 40 chariots; spills and even deaths were common and only a handful completed the race. As the venues and equipment developed, races became more frequent and lasted longer: up to twenty-four races per day, lasting from seven to fifteen days. As the Roman Empire expanded, so did the races' popularity: circuses were built in present-day Turkey, Egypt, Tunisia, Spain, France and Austria.

The movie epic, Ben-Hur, recreated a thrilling and unforgettable chariot race. The chariot scene took five weeks (spread over three

months) to film and cost \$1 million. A vast amount of footage was used to film the race; the ratio of footage shot to used was one of the highest ever, 263:1. The sequence used primarily stunt men and dummies, but actor Stephen Boyd as Messala, Ben-Hur's rival, actually performed all but two of his own stunts. The film was praised unstintingly; the New York Times critic Bosley Crowther said ""There has seldom

been anything in movies to compare with this picture's chariot race. It is a stunning complex of mighty setting, thrilling action by horses and men, panoramic observation and overwhelming use of dramatic sound." The Los Angeles Times said the chariot race "will probably be preserved in film archives as the finest example of the use of the motion picture camera to record an action sequence."

With Memorial Day in the rear-view mirror and as you start to think about the 4th of July, don't forget to make plans to attend the Pa Fab Fall Festival. July 1 is an important date to save you money and help us make final plans for flooring and dance halls.

THANKS TO ALL WHO HAVE REGISTERED; now PLEASE ENCOURAGE YOUR FRIENDS AND FELLOW DANCERS TO REGISTER BEFORE JULY 1.

We will be dancing at the Pennsylvania Fabulous Fall Festival October 1-3, 2026. This three-day fun event will be held at the Blair County Convention Center in Altoona, PA. Take a tour here. www.blairconventioncenter.com

Check out this month's featured Caller and Round Dance Leaders:

Featured Caller: BILL HARRISON

He has a full program at home in Maryland/DC area including 4 clubs dancing from mainstream to C1. In addition to his local calling, he travels most weekend. He has called in 44 states, and 9 countries across the world. He joined CALLERLAB in 1977 and as served on various committees. Over the past 30 years, he has recorded on some of the biggest labels. He has called for WASCA and the PA Fab Fall Festival in the past.

Featured; Round Dance Leader: AMY AND KEN SHOTTING

37th Virginia State Convention

February 18-20 2027

The next Virginia State Convention will be held in February 2027. Just think about it! We have really, really hot weather now in July and in February 2027 you can cool off by dancing to some really great callers and cuers.

We will have flooring for your dancing enjoyment. The Merry Notes Square Dance Club is sponsoring a benefit dance to help pay for flooring on August 14 2026. The dance will be \$10.00 per person or a donation. Dick Otis and Grant Moser will call and Christina Eum will cue. The dance will be 7:30 to 9:30 p.m. at the Herndon Senior Center.

The actual dates of the Convention are February 18-20, 2027. We will be dancing at the Holiday Inn Virginia Beach/Norfolk Hotel & Conference Center.

There should be a lot of fun dancing as 15 callers have agreed to call and so far there are 3 cuers but I know more will be signing up. Square dancing is a great way to have fun and meet old and new friends.

There will also be line dancing, clogging and contra. Have you ever wanted to try line dancing? This will be a good opportunity as we will have instructors who will love to teach you new steps. Jeff Hill and Kerry Musico will also love to show you some clogging steps. Have you ever tried Contra? Bob Clinebell will be happy to have you show up for his Contra hour so he can show you the

steps. Contra is not that far removed from square dancing.

There will also be a Secondhand Rose Sale which will give you an opportunity to find some new items for your square dancing enjoyment.

The price is \$50.00 each for the full Convention. Please Book Directly with: The Holiday Inn Virginia Beach-Norfolk Hotel & Conference Center 5655 Greenwich Road, Virginia Beach, VA 23462. The Special Lodging Rate is \$129.00 plus tax and will be honored for 2 days before and after the convention. Planning Tips for The 76TH NSDC

1. Getting Registered

- **Don't wait!** Visit www.76nsdc.com now. You'll get a registration number from the system. Keep your registration number handy; you'll need it often.

2. Booking Your Trip to Colorado

- Denver International Airport (DEN) serves 27 carriers with nonstop service to 230 destinations throughout the Americas, Europe, and Asia.
- Frontier, Southwest, and United all have hubs at DEN.
- Colorado is near the center of the US, so driving here is a viable option.

3. Reserving Your Stay in Northern Colorado

- 76 NSDC has contracted with 17+ quality hotels in Northern Colorado (12 mi. or less from the Convention Center). Prices range from \$109 to \$239 per night.
- Links for booking hotels will be sent to all registrants starting in July 2026, prioritized in the order the long forms are received. Booking your hotel stay with this system is **HIGHLY RECOMMENDED!** Rooms will be scarce at this time in 2027. There's a national horse show in town during our convention and a national high school girls' softball tournament immediately following it.
- 76 NSDC has vetted 6 campgrounds around the convention center. Prices, discounts, commute time, and other important factors vary greatly, so **go to the website** for important detailed information and links to register (www.76nsdc.com/accommodations/). Links for reserving campsites are available NOW. The best sites will go quickly, so snag your site soon!

4. Motoring Up to Loveland

- Reaching Northern Colorado by car (rental or personal) is **HIGHLY RECOMMENDED!** This is the West; you need your own "horse" 🐎.
- Airport Shuttles from DEN to FNL (Loveland/Ft. Collins airport) are Landline and Groome (see **Transportation** tab at www.76nsdc.com).

5. Getting To and From the Convention Center

- Primary modes of transportation in Loveland/Ft. Collins are Lyft, Uber, Ztrip (taxi), and City of Loveland Transit (very limited).
- Convention-sponsored shuttle buses are possible; costs and schedules are not finalized at this time.

6. Being At The Convention Center

- Ample parking at or adjacent to the Convention Center will be available @ \$15/day with unlimited in/out privileges.
- Lunch and dinner buffets will be available at the Embassy Suites dining room on Thursday, Friday, and Saturday of the Convention. Tickets are available @ 76nsdc.com/register/.

Details and Important Info:

\$50 per ticket | Only 500 will be sold
Bi-weekly Winners will be notified and receive:
\$50 to the ticket holder | \$5 to the ticket seller
Winning Payouts will be distributed monthly

Winning Numbers will be based on the last 3 digits of the closing number of the Dow Jones Industrial Average on Tuesdays and Fridays of the fundraising period.

The fundraising period is from October 1, 2026 to September 30, 2027

Ticket numbers are eligible for all 52 weeks

Thank you for your support!

"500 Club" Fundraiser to raise funds to be able to get the Ghost Riders Band at the convention.

The "500 Club" fundraiser involves selling 500 tickets at \$50 a ticket. All tickets have two three digit numbers that are eligible for two drawings every week for 52 weeks.

We hope to have all 500 tickets sold by September 30, 2026
so we can run the fundraiser from
October 1, 2026 through September 30, 2027.

The winning numbers are based on the Dow Jones Closing on
Tuesdays and Fridays - this includes dollars and cents.
If one of the two numbers on your ticket match the closing numbers of
the Dow Jones the winner would win \$50 -
payouts to be done on a monthly basis.
Those two numbers are good throughout the whole 52 weeks so you
have a chance to win multiple times.

If all 500 tickets are sold we have the opportunity to raise
approximately \$19,000 which would help significantly in getting the
Ghost Riders Band to our convention in Daytona Beach, Florida 2028

There are a couple of ways to help support this fundraiser:
The first is obviously in buying a ticket; but the second is also in
selling tickets.

Available at CALLERLAB.org

CALLERLAB is pleased to announce the release of the Mainstream Dance Program Teaching Guide (previously referred to as the Mainstream Playbook), a comprehensive instructional resource developed by the Mainstream Committee to support callers in teaching the Mainstream Program.

The Mainstream Dance Program Teaching Guide provides a unified, consistent framework for teaching the Mainstream Program. 2. Committee Approval

It reflects the committee's commitment to providing callers with practical, well-organized tools that support both new and experienced callers in delivering a strong, enjoyable learning experience for dancers.

How to Access the Teaching Guide

The Mainstream Dance Program Teaching Guide is available now via a free download at CALLERLAB.org.

NOTE: the Plus Program is understood to include more creative use of the Mainstream moves from other than standard positions. For this reason, CALLERLAB recommends that the Plus Program calls be taught in not less than 40 hours of instruction (20 two-hour classes or 27 ninety-minute classes).

AQUA SQUARES

Paula Ropshaw

Hello from beautiful southern Maryland. Our summer dancing is going great. We are very fortunate that we have a hall we can dance in all year long. We are also blessed with two amazing callers. How lucky can you get?? June 12th the Village Swingers made the long journey to Lusby, Maryland and stole our banner, but that's OK with us, cause then we can go steal it back.

*Aqua Squares
Village Swingers Banner Stealers*

We had our annual club picnic and meeting in June. Believe me there was more 'picnic-ing' than meeting. Good food was had by all. Thank you to Rita Reeves for once again opening her HUGE garage for our picnic. We will once again make the all-out effort to start a class in September. We will advertise and have several open houses to hopefully generate some interest.

Looking for a place to dance this summer? We dance every Friday night through the summer 7:00pm -9:00pm at the Southern Community Center, 20 Appeal Lane, Lusby, MD 20657. Come on down, we love company.

ZigZaggers ended its 2025-26 season on a high note on May 29, with Ett McAtee calling and 12 dancers in attendance. Our 2026-27 dance season will begin after Labor Day and run until the end of May next year. See elsewhere in this newsletter for our tentative dance 2026-27 season schedule; this will be finalized in early August. To be added to our mailing list, contact Steve Johnson at mustchz@gmail.com.

ZigZaggers mourns the recent passing of two longtime members who played outsized roles in our club. Beth Brackett passed away on May 21; her funeral was held on May 26. Despite battling health issues, Beth continued to dance up until a few weeks prior to her passing. Reba Hefferman passed away on June 19. Reba was a mainstay of our club and square and round dance clubs for decades, until health issues forced her retirement from dancing. A memorial service will be scheduled for later this summer.

We dance the 1st, 3rd and 5th Fridays monthly from 8:00-10:00 pm, usually at Joyce Kilmer Middle School, 8100 Wolftrap Road, Vienna VA 22182. Mike Sikorsky

1955 - June 20, 2026

Mike Sikorsky called his first full square dance for the Roaring 20's young adult club in July 1972 in Van Nuys, CA. He expected one square to attend and 11 squares showed up! Mike was 17 years old at the time.

A few years later Mike would be in college. Between classes he would have conversations with other students. One of the main topics of discussion was what students were doing for money. When he told them he was calling square dances, every single one of them responded "Wow! I bet that beats flipping hamburgers!"

A few years later Mike would discover that his maternal grandfather was a square dance caller when he was younger. They lived out on a farm, and they would take all of the furniture from the house and put it out in the yard every summer Saturday night. Whoever showed up with a banjo or a guitar or an accordion, played square and dance music. Mike's grandfather would call for the square nearest him and somebody from that square would shout the calls to the square in the kitchen, and somebody from the kitchen would yell the calls to the square in the bedroom!

Mike financed his own college education with his square dance calling earnings. He graduated from California State University, Northridge with a Bachelor's Degree, paying his own way with the money he made from square dance calling. About Mike's square dance calling, his college friends said, "Well, it beats flipping hamburgers!"

In November 2010, Mike Sikorsky became an author, publishing Vol. I of his own defined method of Patter Calling, the Activator-Stream method, where one sequencing of calls (an Activator) has a variable allowing for at least 10 different variations. When 3 of these Activators are combined, creating a Stream, the caller has 6,000 possible different variations! The Activator-Stream Vol. II was first published in November 2011, the same year Mike was voted Most Entertaining Caller at the first ever Ozzie Awards held in Las Vegas, NV.

Mike was a regular caller at the WASCA Spring Festival. He first called in the mid '90s and his last time was in 2025. For health reasons he had to cancel his appearance at the 2026 Festival. He would also make regular visits to the WASCA area to call for local clubs beginning in 2007 for Circle-8. Other clubs he would call for included Rivermont Ramblers, Plains Promenaders, Merry Notes, and Fredrick County Promenaders (among others)

Mike was a member of the Callerlab Board of Governors

Mike was diagnosed with ALS in early 2026, but refused to give in to this debilitating illness. He continued to travel, call square dances and make future plans. Following a weekend calling in Washington State, Mike became ill on the flight to his next engagement on the east coast. He was taken by ambulance to Atrium Health Carolinas Medical Center where he was placed in ICU. Mike passed away peacefully in the early morning hours of June 20, 2026. He was surrounded by family and friends that helped him transition to his next journey.

Mike devoted his life to the square dance community. He called for 54 years and had a unique ability to connect to his dancers and fellow callers. He was a great caller, teacher, mentor, entertainer, and friend to all whom he came into contact.

The music may end, but the memories of the dance remain

Reba Mae Heffernan

October 14, 1934 - June 19, 2026

Reba Mae Heffernan passed away peacefully on June 19, 2026. Born on October 14, 1934, in Maryville, Missouri, she was the cherished daughter of Reba and Victor Ford. At the age of eight, her family relocated to San Diego, California, where she spent the remainder of her childhood.

After graduating from Hoover High School in 1952, Reba married Charles Heffernan. As a dedicated Navy wife, she embraced a life of travel and adventure, living in diverse locales including Guam, California, Virginia, Florida, Hawaii, Tennessee, Japan, and the Philippines. In 1965, Reba and her family settled just outside the nation's capital in Northern Virginia. It was there that she launched a distinguished career as a Civil Servant, eventually rising to become a highly regarded Business Financial Manager. Prior to her retirement in 1998, Reba specialized in Foreign Military Sales for the U.S. Navy, a field she continued to support part-time as a financial analyst well into her retirement years.

Reba's retirement was anything but quiet. She remained remarkably active, traveling the world, hiking, biking, attending local theater and musical performances, and immersing herself in square and round dancing. An exceptional dancer, she frequently participated in national exhibitions and conventions and served on numerous dance committees. Her faith was the cornerstone of her life; she was a deeply active member of her church, singing in the sanctuary choir, playing in the bell choir, and volunteering countless hours organizing music and managing office administrative work. When she wasn't on the move, Reba loved reading, playing bridge, solving jigsaw puzzles, exploring history, and visiting historical sites. A masterful researcher, she meticulously planned many wonderful trips and adventures for her friends and family.

While Reba lived an extraordinary life full of accomplishments, achievements don't begin to capture the essence of who she was to those who loved her. To her daughters, she was a patient teacher and an unwavering source of strength. She instilled in them a resilient work ethic, life skills, and a deep compassion for others. She transformed holidays and birthdays into magical, joyful celebrations. Above all, she faithfully led her family to church, teaching them to love Jesus and demonstrating, through her own relationship with God, the true meaning of unconditional love and faith. She taught her children how to live fully in the moment, how to find contentment in hardship, and how to laugh at themselves.

Reba is survived by her three daughters: Rozan Jordan (FL), Marcia Sadler (VA), and Robin Neas (GA); as well as 10 grandchildren and 16 great-grandchildren, all of whom carry forward her incredible legacy.

While her family is heartbroken by this profound loss, they take comfort in knowing she is at peace in heaven. In the meantime, Mother, enjoy those heavenly choirs- and if you want to make the angles laugh, just walk backward on the elliptical machine.

Elizabeth (Beth) Andrea Brackett

June 30, 1964 – May 21, 2026

Elizabeth (Beth) Andrea Brackett, CPA, 61 of Vienna, VA passed away on May 21, 2026 at home, surrounded by family and close friends.

Beth was born to Manfred and Florence Hein (both deceased) on June 30, 1964. She graduated from the University of Delaware Magna Cum Laude in 1986 and married James V. Brackett (deceased) in 1991.

She was an accountant at many companies over her career, including the past 17 years at Chenega Corporation.

She was actively involved in several square dance clubs, a NIST wine club and the Eastern Star (connected with Sharon Masonic Lodge).

Besides her parents and husband, she is preceded in death by more than a dozen aunts and uncles.

She is survived by her brother Matthew Hein (Geri Lynn Kessler) and her companion of 23 years Doren McBroom.

In lieu of flowers, donations may be made to the Inova Schar Cancer Center.

Barbara Ann Corcoran

April 28, 1939 – September 1, 2025

Barbara Ann Corcoran passed away on Monday, September 1, 2025. She was born on April 28, 1939, in New York City to Frances and John Corcoran. Barbara graduated from Mary Washington College with a degree in Chemistry in 1961. She served in the Federal Government at the National Institutes of Health and the Consumer Product Safety Commission and retired from the Environmental Protection Agency in 1999. Barbara had a wide range of interests and was a lifelong learner.

She was an avid reader of fiction, archaeology, religion, Egyptology, native American history, US history, psychology, medicine, and health. She loved to travel, visiting historic sites, art galleries, presidential libraries, and US parks. Barbara was also a devoted advanced square dancer (with the Gerrymanders among others) and camper. Barbara was a community builder. She organized a group house to defray housing costs and turned it into a community of friends. At the NIH, she was part of a group of friends, which she dubbed the Women of the Village. That group has survived until today. She served as an EEO representative in several agencies and as a union representative. Wherever she was, she organized volleyball teams, which became another community of friends. Barbara is survived by her brothers Paul and John (Janet), nieces Heather Bartlett (Ross) and Holly Pawlowski (Roger), and six grandnieces and a grandnephew. She was pre-deceased by her mother, father, brother Thomas Aquinas (Brother Gregory), and sister Mary Frances Grey (Tarnes).

More info about this program: 703-737-8039

Experience the FUN, joy and camaraderie of square dancing without having to complete formal square dancing classes. The emphasis will be on "dancing" rather than "learning." A few calls will be taught and then danced in a simple pattern. New calls and choreography will be added as the dancers progress.

Need a valid health-related reason to try square dancing?

Here (paraphrased in part) is what *AARP research has found.

“...**you** can make a difference in your **brain s health**.
...**MOVE** (exercise), **RELAX** (sleep enough and avoid stress),
NOURISH (eat well), **DISCOVER** (think), and **CONNECT**
(socialize).”

“What works best? ...**DANCE**... It’s FUN, it involves other people, it’s exercise, it challenges you to learn patterns and movements.”

Please join us for an enjoyable evening of music, celebrating this beloved, timeless music which is quintessential to the Colorado experience.

Performing professionally since the age of 15, Brad specializes in original folk and western music that celebrates the beauty of life and nature, according to his website www.CowboyBrad.com. His heartfelt songs aim to relax, uplift, and inspire his listeners. With over 20 albums to his name and around 300 live performances annually, Brad has played across the U.S. from Red Rocks Amphitheater to the shores of Hawaii. He is especially known for his JOHN DENVER tribute concerts, which have raised funds for various charities and drawn record-breaking crowds. A U.S. Coast Guard veteran, Brad continues to share his passion for music and nature with audiences nationwide, staying true to his mission of bringing joy and peace through song.
